My Dr Daughter

When at Wayne

Court this week, John sent me
\$50 to inclose *[sic]* to you - as
he was disappointed in getting
some money, which J M. Laidley
had borrowed, & therefore did not
go to Cincinnati.

Considering the character
of the Sandy region, I have
hopes that John may do
well there, but I much
fear, that his Coal property
will never avail him much.

I have been quite
well, & able to attend

to all the courts - Thru
Spring & Summer -altho *[sic]*
I feel admonished & *[illegible word]*
by Friends, that my strength
is on the wayne *[sic]*.

I can well imagine
that you are much
delighted, that your venerable
Bishop is renewing his
strength like the Eagles

& for the fruit occupying
the pulpit for many years.

We are all in
usual health

Yours
Father
