Dear Barbara:

On behalf of the City of Broomfield, I would like to thank you for your generous donation in your husband's memory of the "Puddle Jumpers" sculpture by Glenna Goodacre to be placed in the new city hall. We plan to locate this beautiful piece in the lobby of the building with a suitably engraved plaque to honor Bob's memory.

It is truly a fitting sculpture for Broomfield, with its exuberant depiction of youngsters running through puddles, much as we see in our parks during the summers. I know Bob was fond of the city's parks, and worked hard to provide them for Broomfield's children, so the sculpture is even more meaningful.

We have valued the piece at \$6,000 in accordance with the appraisal which you provided to us. Please advise if the more recent appraisal is significantly higher.

Again, thank you for your generous gift.

Sincerely,

A handwritten signature in cursive script, reading 'George'.
