BROOMFIELD, COLORADO

The 1979 Eagle football team was the best in Broomfield High School history. The class 3A state champions left a tough standard for this year's team to follow.

The 1980 Eagle team is young but snappy. They have worked exceptionally hard to continue to put the best possible team on the field.

This year's schedule is a formidable one. The team opens with tough Regis and continues with four class 4A teams. The 3A National Division race will be a very close one, all the teams seem to be well skilled. The Eagles face two new opponents this year, Adams City and Centaurus.

The Eagles will strive to give you a team to be proud of; with your support we will succeed.

Fly with the Eagles in 1980.

George Trbovich

Russ Willis

DIRECTOR OF ATHLETICS

We would like to thank all the parents and fans for the support they have given us, in both time and money, in developing our fine activities program.

The coaching staff feels that this is one of the most competitive athletic schools in the state. This competitiveness is shown in our programs by the 223 varsity games plus numerous J.V. and sophomore programs. Our enrollment last year was 951 students which was one of the lowest in AAA; however, out of this enrollment we have 561 young men and women out for one or more sports. This has enabled us to finish near the top in all of the 16 sports offered at Broomfield High School.

We feel that because of the competitiveness of our society in everyday living, athletics is the one place where a student can excel and learn the value of winning and losing before graduating and making his or her way in our society.

Every team could use a man or woman who knows how to play every position, never makes a mistake, and knows exactly what the opposition is going to do. . .UNFORTUNATELY. . .there is no way to get him or her to put down their hot dog and come out of the stands.

Broomfield Booster Club

United Bank means business.

We would like to remind you that we're also in the business of business banking. Which means it's our job to know as much about your business as we know about ours. It doesn't matter if your company is large or small. Or if you're a retailer, manufacturer or rancher. Our business specialists can help design a program that's right for you. You know us for our retail banking expertise. Now we mean to make your business our business. United Bank of Broomfield. We mean business.
