Dear Ms. Doran:

I would like to donate a bronze sculpture " Little Puddle Jumpers" by Glenna Goodacre to the City of Broomfield in memory of my husband Robert Kelly. It is my hope that the sculpture will be placed in the lobby of the new city hall with a plaque recognizing his service to the city as mayor pro-tem and city council member.

I am currently having the sculpture reappraised, but have included a copy of the original appraisal and certificate of authenticity.

Thank you for your help in this matter.

Sincerely,

Barbara Kelly
