Attention: I. K. Hoyle, President

Dear Sir:

The Board of Commissioners of the Jefferson County Airport Authority have approved a plan of expansion of the T-hangar buildings owned by the Authority to meet the long standing waiting list for hangar space. In this regard, a specific dollar amount of \$200,000.00 is being considered as an amount which will be needed to complete the project now under construction.

We would appreciate hearing from you as to whether your bank would be interested in financing for the T-hangars. The loan would be in the form of a note from the Jeffco Airport Authority. It is anticipated that there would be an assignment of the T-hangar rents as collateral for the loan. The loan would be amortized over 7 years.

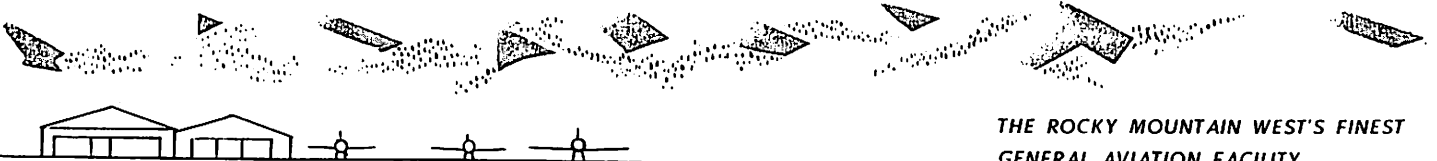

Thank you for your consideration.

Yours very truly,

W. H. Huntsbarger, Airport Manager

Dear Mr. Huntsbarger:

Thank you for the opportunity to bid on the loan for the construction of the T-Hangars.

Our loan limit (based on a percentage of capital) is far too small to handle the loan and my correspondent bank is not interested at this time, so I will have to pass.

Sincerely,

I. K. Hoyle
President
