Dear Mr. Dennys:

When I was in London in early April of this year I called at the College of Arms to enquire into the progress being made with regard to the granting the School the use of arms and you advised me at that time that you thought the matter would be finalized in about six weeks time.

As it is now well past that time allowance it would be appreciated if you would advise me as to the present position and as to the probable date we can expect formal approval to be given.

Thanking you in anticipation of your kind attention to the above, I am,

Yours sincerely,

---
