

SKIING EASTER 1989

I am currently exploring the possibility of taking a Junior School party skiing, to Europe, during the Easter vacation of 1989. Although it is 18 months away, a trip such as this does take an enormous amount of planning and administration. The trip would be similar to this year's highly successful one to London and Switzerland.

It is very difficult, for obvious reasons, to quote a fully inclusive price, but I estimate that the trip would cost around \$1600. Included in the cost would be;

1. Bermuda - Heathrow Return Air Fare
2. Gatwick - Geneva/Munich/Milan Return Air Fare
3. All accommodation and food in London and Europe
4. Entertainments in London and Europe
5. Ski instruction (4 hours per day)
6. Ski equipment hire (not clothing)
7. Insurance

Should there prove to be sufficient interest, Mr. Coakley has kindly offered to assist with the organisation.

If you would like your son to be considered for the trip, please complete, detach and return the form below by the end of the week. We are obviously in the very early stages of planning, but anticipate that the maximum party number will be no greater than 32. If you have any questions, please do not hesitate to contact me.

K. Peacock

I would like my son _____ to be considered for the ski trip and would be interested in any further details.
