

We, the Class of 1975, would like to thank you Mrs. Bowman, for the many hours of service and dedication you've given to us. All the work you have done for us during our years here has been greatly appreciated.

Whenever we came to Room 166, we were greeted with a warm smile that has helped make our journey through the years more enjoyable.

It is with deep appreciation and gratitude that we dedicate this 1975 HARDSCRABBLE to you, Mrs. Bowman. We hope you will remember the good times we have had by sharing this yearbook with us.

Gratefully yours, THE CLASS OF 1975

MRS. ALMA BOWMAN

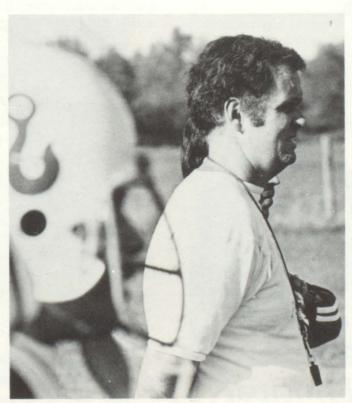

The Class of 1975 could never say this yearbook was complete without this special tribute to you, Mr. Sheehan. We have asked for your help countless numbers of times and you unfailingly came to our aid.

Without you, the many meetings and activities which were a part of our high school days could never have occurred. As our class advisor you have had to give up so much of your free time to be a part of our meetings.

We feel this is the best possible way to express our most sincere thanks and deep appreciation for the many helpful suggestions you have given us.

Therefore, it is with our warmest wishes and most sincere gratitude that we dedicate this 1975 HARD-SCRABBLE also to you, Mr. Sheehan. Thank you so much.

Gratefully yours, THE CLASS OF 1975

MR. JEREMIAH SHEEHAN

"Today's students are better prepared academically and more sophisticated than youth of previous generations.

We know that knowledge has increased at an enormous rate in recent years. However, the mere acquisition of knowledge can no longer be a major objective of education.

Learning must become a personal, self-regenerating process. Teachers now support the expanding capacity of each individual learner, and each education system must become more a system for organizing and delivering supportive help rather than an institution through which the student is processed.

We hope that our education program has succeeded in providing the necessary environment to move each and every student toward happiness and success."

> Russell J. Keefe District Principal

Our Principals

Each year new problems arise, are solved, and new problems rise to take their place. It is a never ending cycle that you will be concerned with for the rest of your life. Your solutions to these problems will determine how well you succeed in life. You have spent thirteen years learning from the accumulated knowledge of thousands of years. You will spend the rest of your life learning both from personal experiences and from the experiences of others. All of this learning is of the greatest importance since only through the application of this knowledge can intelligent and practical solutions to your problems be made. Learn all that you can from each experience and apply your knowledge wisely, keeping in mind that every thing you do, each decision you make, affects all those around you.

To the Class of 1975:

Please accept my congratulations on the successful completion of your high school education.

You will certainly encounter many situations and problems in the future which will necessitate drawing on your past schooling for solutions. I hope that we have provided some of the tools which may help you in dealing with many of these situations.

Congratulations again, and best wishes for a happy and successful future.

Sincerely,

Peter Lawson

LAST WILL AND TESTAMENT

We the members of the Class of 1975 (male and female), joined together hand in hand, in hand, being totally innocent, do make, publish and declare this to be our Last Will and Testament in the manner following — that is to say:

 We bequeath to the faculty, janitors, and kitchen staff the sorrow of our departure, and the peace and quiet it will bring.

II. We leave:

The bathroom walls no more to be written on,

The desks no more to be slept in,

The library magazines no more to be torn,

The windows no more to be looked out of,

The movie screens no more to be yawned at,

The announcements no more to be NOT listened to,

The lockers no more to be slammed.

III. We bequeath the underclassmen — Lots of Luck!

IV. In addition, we make the following personal requests:

 ROSALIE FRALEIGH, leave all the "truly enlightening experiences" to any Juniors who are able to find them; Mr. F. with everybody listening and Mr. D. with a sponge cake.

I, BENNY FOWLER, leave D. R. a ride home (on the bus); R. H. & S. B. a speed course on destroying F. P. and P. T. peace and quiet next year.

I, MARILYN BIER, leave the shower room toasts to next year's hockey champions; left wing to L. G. or anyone else capable of handling it; and Mr. Fish all my bubbles.

I, KIM REDDER, leave L. D. the corner in the upstairs bathroom that was left to me by C. D. and a box of Sucrets; A. H. a bottle of rum and coke and any poor guy that will have her; D. B. and D. Reefer, our camping spot at Capake and fond memories; Miss T. — East my shorts! (Gym shorts); Mr. Blues, the writing on the bathroom walls and a lot of cigarette butts; Mr. B. many a good wish and my love; and Mr. N. some hotdogs and beans and a lot of fections.

I, DONNA HANSEN, leave Aprel Kuchen and Mackie Messer to Herr Marino; to her brother, Gregg, her perseverance and much happiness; her gratitude to Mr. B. for always being there and a lock of red hair to Mr. D.

I, DON MATHISEN, leave one can of Dr. Scholl's Foot Spray to Mr. Elsmore; a year's supply of razor blades to Mr. Florio and a new Holy Book for Mr. F.

"What a day for a daydream"

If a picture paints a thousand words"

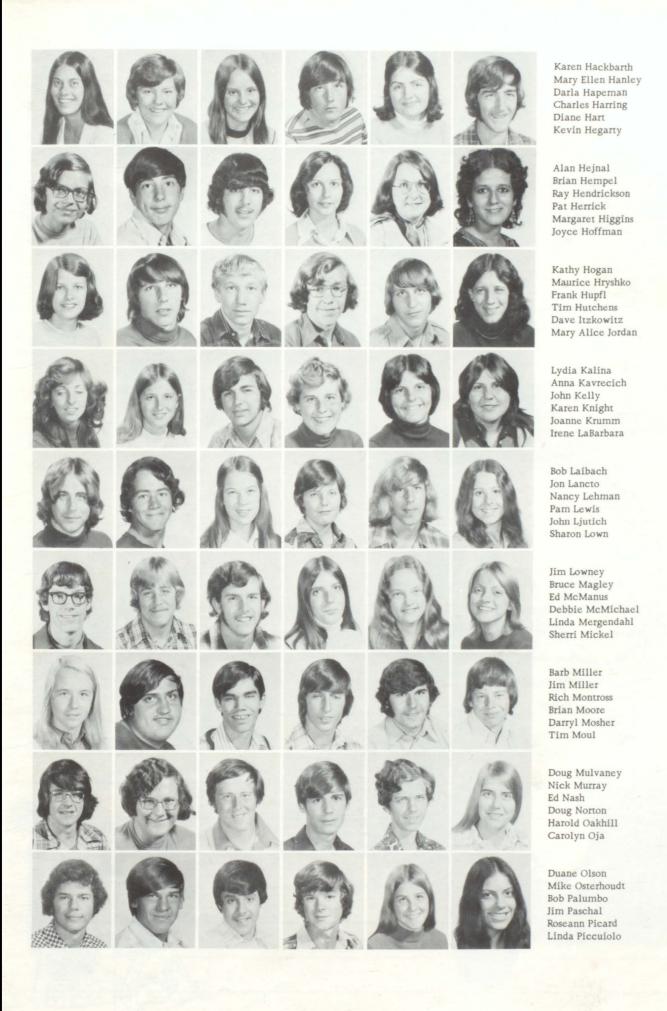

You to the left and I to the right
For the ways of men must sever
And it well may be for a day and a night,
As it well may be forever.
But whether we meet or whether we part
(For the ways are past our knowing),
A pledge from the heart to its fellow heart
on the ways we all are going!
Here's luck!
For we know not where we're going.

With a steady swing and an open brow
We have tramped the ways together
But we're clasping hands at the crossroads now
In the leagues that lie before us
The ways of life are many a mile
And the dark of Fate is o'er us.
Here's luck!
And a cheer for dark before us!

"Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labour and to wait."
Longfellow

1975 was a year of achievement in sports. The pages that follow picture the people that made this possible. These achievements have raised a monument that will endure. To the players leaving: may you always be able to make use of the victories and losses to come as well as you have here.

Cross Country

The 1974 Varsity Cross Country Team finished second in the County and second in the Section 9 class C race. The final overall record of the team was 78-24, and 24-3 in the league. Mark Gravino and Mike Mahoney emerged as the team's outstanding runners. Their efforts earned them a trip to the State Meet where Mark finished eleventh in Class C. The J.V. Team also had a fine year winning the county championship. In the first Girls Section 9 race our girls' team finished fourth. All this assures future success for the Cross Country Team.

The 1974 varsity football Raiders met with great success to say the least. In their fourth year of Ulster County Athletic League play, Red Hook won the league championship with an 8-1 record. This was Red Hook's first football championship since the 1961 season. In addition, the Raiders gained recognition in the New York State Grid Poll as one of the twenty top teams in the state. Led by tri-captains Jim Merriken, Joe Skelly and Foster Dunn, and coached by John Nielsen and Jerry Sheehan, the team was characterized by tremendous enthusiasm, hard work and a desire to excel.

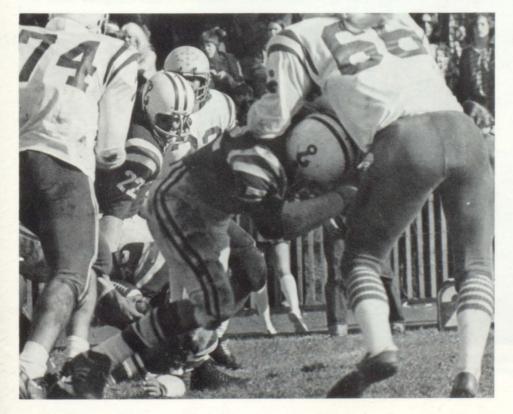

Not to be overlooked, is the outstanding accomplishments of the junior varsity football team who completed their second consecutive undefeated season with a 9-0 record. The junior Raiders coached by Joe Fabbie and Al Mallanda, have won twenty-two games in a row since the 1972 season.

Even though this is a small collage of those who helped, we would like to thank all of you for contributing your ideas and so many hours of your time, Although hectic at times, this production has been well worth the time to us. This has been an experience which is hard to express in words, but on behalf of the staffs, thank you for the opportunity.

It's been a short year but a fun year!

Mary Harring Business Manager Judy Maye Editor-in-Chief

''. . . I am a part of all that I have met;

'Tis not too late to seek a newer world.

Push off, and sitting well in order smite

The sounding furrows; for my purpose holds

To sail beyond the sunset and the baths

Of all the western stars, until I die.

It may be that the gulfs will wash us down;

It may be that we shall touch the Happy Isles,

And see the great Achilles, whom we knew.

Though much is taken, much abides; and though

We are not now that strength which in old days

Moved earth and heaven, that which we are, we are:

One equal temper of heroic hearts,

Made weak by time and fate, but strong in will

To strive, to seek, to find, and not to yield.''

ALFRED, LORD TENNYSON
