Mr. G. Gordon Mead,
Greenwich, Conn.

Dear Sir:-

We note that you are about to purchase a farm at Upper Red Hook, Dutchess County, N. Y., and we would respectfully solicit the insurance which you will undoubtedly carry on the buildings.

We constantly have two men covering the country district of this County and therefore believe that we can render you better service at all times than other local agents. We also adjust and settle all our losses direct from our office, and would be pleased to quote you rates or to come and see you at any time.

Trusting we may hear favorably from you, beg to remain,

Very truly yours,

Vail & Sutton Inc.
