James Wood, President
Grant Union Company
Elmwood Park, N.J. 07407

Dear Mr. Wood:

Since the Bicentennial is approaching and many activities for this event are occurring, I urge you, as president of the owners of this building, to make a Bicentennial contribution to the town of Red Hook by selling the Elmendorph Inn for a reasonable price or giving it to our town.

(Not only will it serve as a historical sight, but it also will attract tourism to our small town.)

Sincerely yours,
Joel Lohr
