Anderson House & Wagon Shop -CVS, 7518 North Broadway

House east of Little League field

House where Key Bank is now

This photo was posted on social media earlier today by Jack Dillon. The house center-left is the John Curtis place. It was torn down to make way for the First National Bank of Red Hook now Key Bank. I used to deliver newspapers to Mrs. Kelly who was living there in the mid-1950s. -Maynard Ham
