A MESSAGE FROM YOUR MINISTER

Paul said, "... You are the body of Christ and individually members of it." That is what the church is: the body of Christ, made up of many individual members. The church is not a building or an organization. It is people—people who believe in God made known in Jesus Christ—people who believe that being the body of Christ means being his hands and feet, his eyes and mouth in the world today. That is what St. John's Reformed Church tries to be and hopes to become.

This album, therefore, is more than a collection of the photographs of many separate families. It is a composite picture of the many members of the one body of Jesus Christ. We hope that it may give the many members a sense of oneness so that, as the hymn says, "Our fears, our hopes, our aims, are one, our comforts and our cares."
