CLASS OF 1980

Contrary to popular belief, this year's juniors will be next year's seniors. After twelve long, HARD years of school, we will finally be seniors.

Although we are looking forward to being seniors, our junior year will always be remembered. Our advisor Ed Roberts saw to it that we made a little money this year and hopefully we can make more in the years to

come. Events such as The Players concert and the magazine sale are now history.

The junior class excelled in areas other than money-making. We have some of the finest athletes in the school in our class. It looks like we can look forward to many UCAL championships next year. In closing, I would like to warn the school's administrators to watch out for the class of 1980 when we become seniors.

Homecoming '78

HOMECOMING WEEKEND

by Grace Campagna

This year's Student Council organized a great weekend for our school and community. Its purpose was to bring lots of spirit and unity to our townspeople as well as provide a terrific time. As a participant and spectator, I know first hand that it achieved its goal and much more.

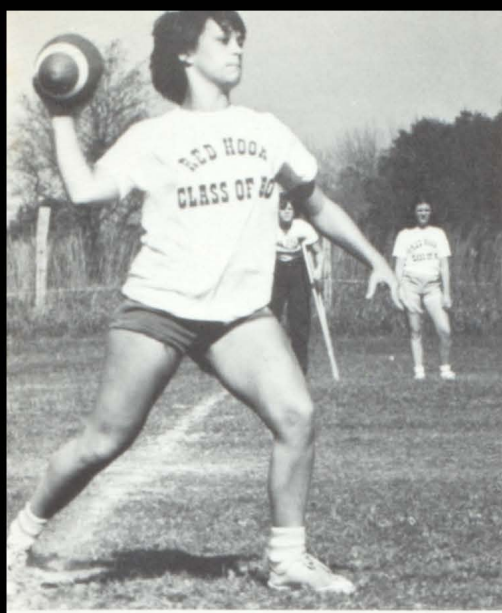

Spirit Week, developed to get things rolling, raised much spirit and excitement in the high school. Each class' involvement was equally great as individuals expressed themselves fantastically-socks, buttons, and tee shirts plus a spirit chain.

Saturday morning the real fun began with a delicious pancake and sausage breakfast at the Methodist Church. Afterwards, everyone went over to the high school to await the Homecoming Day Parade. The parade was comprised of decorated cars and trucks, a marching J.V. football team, cheerleaders, a fire truck and a giant size football player float. Students, dressed as clowns, trailed the parade with candies and balloons for the spectators.

The parade caravan traveled through town back to the high school where the Ellenville Blue Devils and Red Hook Raiders battled it out on the football field.

Later that night, everyone came together once more at the Methodist Church where

they jumped and swung to a lively square dance. All the participants young and old had a fantastic time.

The weekend came to a close with a flag football game between the junior and senior girls on Sunday afternoon. Thanks go to all the boy cheerleaders and everyone who made this first Homecoming a success.

Cross Country 1978

CROSS COUNTRY '78

by Dan Theisen

The team finished this year with a 6-4 record, finishing 4th in UCAL. The team was young this year, but strong.

The team will be losing four seniors this year: Steve Cirafice, Scott Traudt, Dan Theisen, and Peter Welz. But the team will still be strong for next year, when it has a good chance to win the UCAL title back. Top hopefuls next year are Scott Kilmer, Joe Cirafice, Jim Hogan, and many more talented runners.

The Girls' Cross Country team won the UCAL for the 3rd time in a row this year. The most outstanding girl this year was Sue Palen. She surprised everyone by turning out to be # 1 on the team this year.

Of course we can't leave out the team's famous captain, Kim Simmons, which who is leaving the team this year. Also thanks goes to Mr. Cauldwell, who put in another fine year of coaching.

Girls' Cross Country-1978 by Rose Fritz

The girls' cross country season of 1978 turned out to be full of surprises. The young team proved to be quite capable. It held the title of UCAL champions for the third year in a row, accomplishing this feat at Ashokan.

In the Section 9 meet at Bear Mountain, the injury-ridden team came in a close third behind some top competition. The outstanding performance was by Sue Palen who showed the whole team a new dimension. She came in eleventh place and became an alternate for the New York State Cross Country Meet which was held in Arlington.

With the coaching abilities of Coach Cauldwell, the girls held up to pressures and should continue to prove a real threat next season. Returning will be Sue Palen, Rose Fritz, Betty Hoss, Linda DeWitt, Sue Sipperly, and Lori King.

Football '78

VARSITY FOOTBALL '78

By Dale Magley

The 1978 Football Team was small in both size and numbers with the roster, at one time, consisting of 23 players. Unfortunately, the team started out slowly losing the first five games including a shocker to Highland in the last minute and twelve seconds.

The team picked up pace in the last three games by winning each by shutouts.

Outstanding efforts came from every individual during both the games and practices. Congratulations to everyone on the team for their hustle, attitude, and sportsmanship. Many thanks go to the first year varsity coaches, Andy Seidel and Bill Rockefeller for a dedicated job.

Selected for the first annual Lem Atkins exceptional Senior Game were Dave Hood, Dale Magley, Paul Zucco, Vin Vellake, Jim Hegstetter, and Brian Courtney. The UCAL coaches picked Wayne Jackson for first team and Dave Durst Dale Magley, Larry Cambalik and Dave Hood for the second team.

1) Dave Durst trying to escape a Blue Devil 2) A crunched Tom Ward.

1) Pushing forward 2) Sis-boom-ba!
3) The Football Cheerleading Squad
4) Vinnie Vellake on the run 5) A mid-
action shot 6) Conference, guys!

Volleyball

VOLLEYBALL 78

By Carol Mason

The Volley-ball team of 1978 proved awe-some again with their hustle and sportsman-ship. Under the coaching leadership of Her-bert Elsemore and a late-comer, Jim Dapp, the Varsity Volleyball team achieved an 8-8 record for the season. One thing about this team was the fact that we worked to-gether and had fun together. This made the season a good one.

Missing our "spiker", Sue Mergendahl, our team suffered a little but all in all we had a strong spirited and skilled team. We all firmly believed that it's not whether you win or lose but it's how you play the game.

Good luck and many great times are ex-tended to next year's varsity and J.V. teams. Leaving Seniors include Julie Shanley, Carol Mason and Denise "Zimba" Zimmerman. Congratulations also go to the '78 J.V. team who achieved a 13-3 season record which in the future may lead to a U.C.A.L. championship.

1) A nervous looking group before a match 2) Get psyched, get psyched 3) Who us? A picture? 4) Ellen Hoch serving it up 5) Sharon Stash, Renee Dober, and Patty Kilmer

Field Hockey '78 by Karen Schwamb

Living up to their expectations, both the Varsity and J.V. Hockey teams were highly successful this year. The J.V., with more talent than most Varsity teams in the league, had an outstanding season with an excellent overall record.

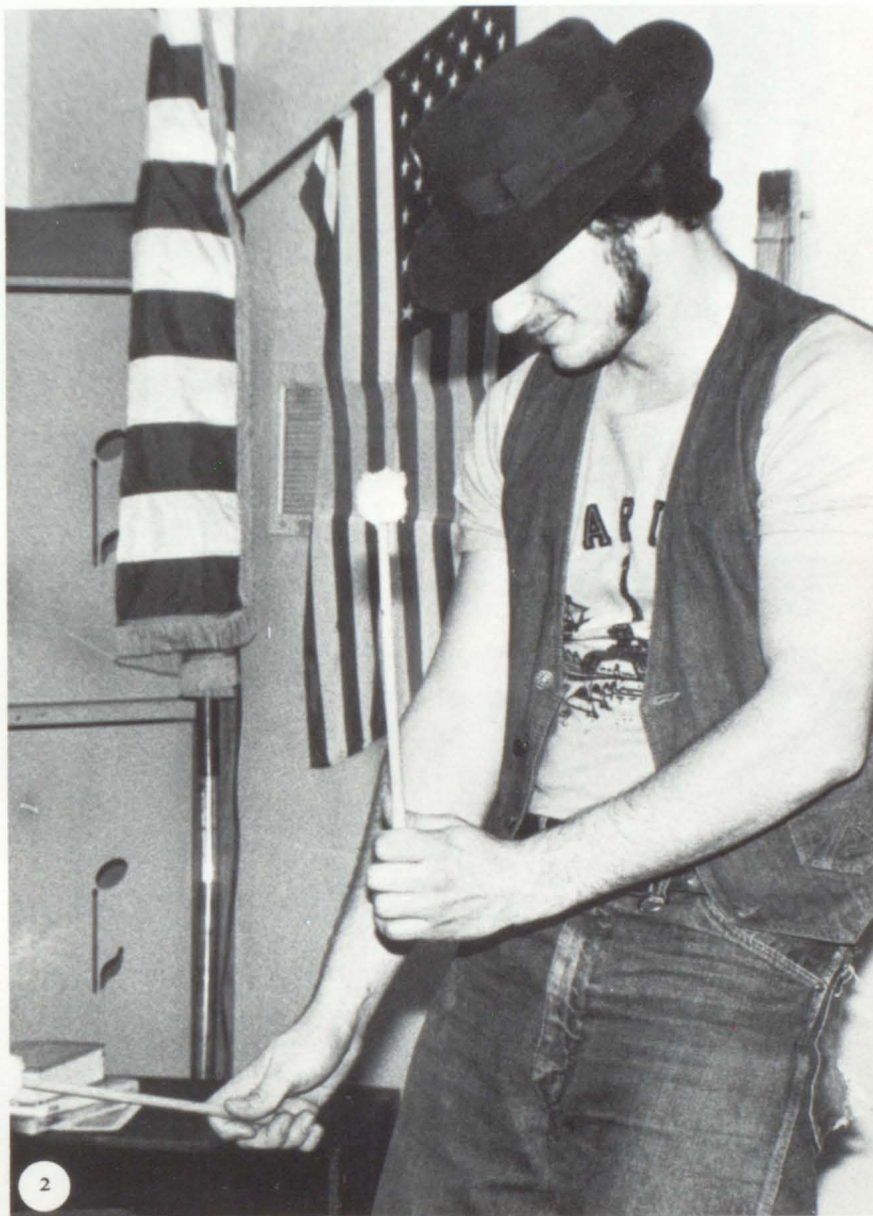

Superstitious, but sensational, is the only way to describe the Varsity girls. With excellent coaching from Patty Bowman, the Raiderettes ruled with their aggressive offense and overwhelming defense. After sweeping the UCAL, They were nudged out of the Section 9 title when Clarks-town South and Red Hook were both unable to score in the game. Red Hook lost by a single penalty stroke. They ended the season with an almost perfect record.

With Cindy Crotty, Karen Schwamb, Barb Roberts, Cindy Warnimont, and Anne Durst being the only five to leave this year, the remaining team has promised to sweep the UCAL and Section 9 titles in the 1979 season.

CHORUS

By Scott Traudt

Under the direction of Connie Numbers, the chorus, which also boasted as a fifty plus group, performed such popular tunes as "One Tin Soldier", "Home" from "THE WIZ", and many others. Officers for the chorus were Barb Roberts, president, and Theresa Docherty as vice-president. The chorus also placed Barb Roberts, Pam Barrett, Scott Traudt, Kate Hammersly, Cheryl Hapner, Eileen McEleny, Maureen Ward and Bill in the All Kenneweg state sectional choir.

1) Choral director: Connie Numbers. 2) Winter Concert: 1978

1) The Whole Bunch 2) She participates, also! 3) Monday morning blues.

Stage Band 1978

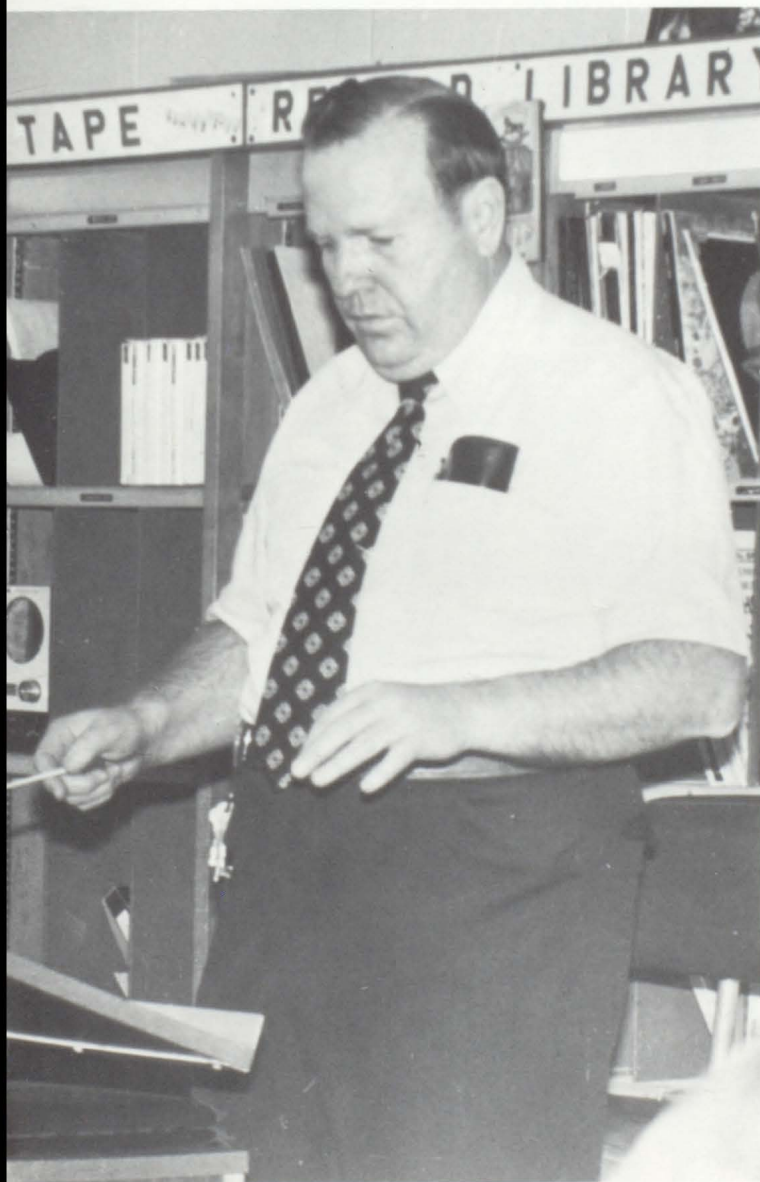

Dedication: IT MEANS MR. VAN NESS

By Scott Traudt

Thank you so much for your undying service to the music department. Your love of music has really shown through. It's so hard to tell everyone how many times you rewrote music for band, stage-band, and chorus, stayed after school and helped us, and guided us through out money-making ventures. We don't know how you kept so calm especially through all the problems that arose around each concert time. Dedication is the only word I can think of that would sum up all the work you've put into your job with the music department. And such outstanding results!

THE MUSIC DEPARTMENT

The Band

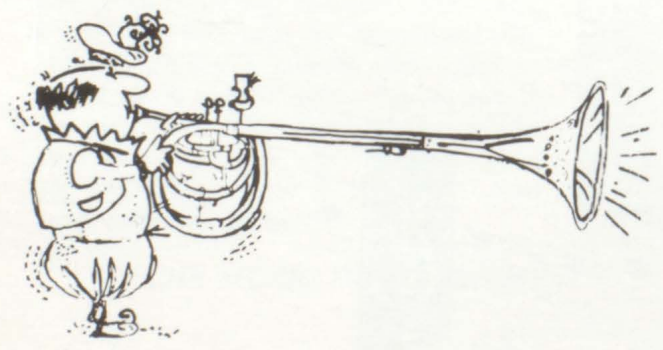

This year's Concert High School Band, under the direction of Murray Van Ness, numbered over 50 participants and turned out another year of high-grade musicianship.

This year's officers were Scott Traudt, President, Jill Jenkins, Vice President, Jason Kahn, Treasurer, Sharon Stash, Jessica Levine, and Miss Jenkins, publicity committee with Claudia Haase and Pam Barrett as secretaries. The Concert Band performed in the annual Winter Concert, the famous Cabaret Concert, the Spring Concert, and the Memorial Day Parade. We also traveled to East Granby for an exchange assembly.

We're on the Rise by Carrie Rose

It's 8:05am, a bell rings and it's the first day of high school. We start a day filled with intimidating seniors, new classes, new teachers and a definite feeling of panic.

We left the junior high behind us and went on to conquer that awesome building only a field away. When we left the junior high we left the security of being eldest in the school. We went on to the high school only to discover that we were once again the low men on the totem pole.

After the initial shock of entering a new school was over, we spent some time trying to adjust ourselves to new schedules, classrooms and all else that goes with it. At first, it seemed a hopeless quest, but we, the powerfully determined class of 1981, survived!

Watch out, Red Hook the class of '81 is on the rise!

To the Class of '79

You have had many experiences to this point in time.

The task of the school over the last few years has been to provide the kinds of learning experiences that will help you to function with a degree of happiness and success in the future.

Your task has been to reach a point in your life from which you can continue in directions of your choice.

I congratulate you on having accomplished this and hope that each of you can experience success and happiness.

Sincerely,
Peter M. Lawson
High School Principal

To The Class of 1979

Congratulations! Completion of your high school studies brings credit and honor to each of you and most surely confirms the expectations and aspirations held for you by your parents and teachers.

As you enter your chosen vocation, or continue your formal education, it is my hope that your school experience in Red Hook Central High School will have helped prepare you for the many new challenges and opportunities you will encounter.

In whatever you do, I urge you to continue to do your best. It is through the character of your personal actions and relationships with others that you can enhance the quality of your own life and also make a positive contribution to the human condition of others.

Carl W. Thompson, Ed. D
Superintendent of Schools

Administration

To the Class of 1979:

You are about to embark on another segment of life's experience. I sincerely hope that each of you are able to meet the challenge of the inevitable: anxiety, excitement, and fulfillment.

We live in a world where progress is the paramount priority of our times.

Might I submit that at times in the future you regress in thought and use what was meant to be a sound educational foundation to lend perspective to what might seem the insurmountable tensions of progress.

William Donnelly
Asst. Principal
Red Hook High School

Dedication

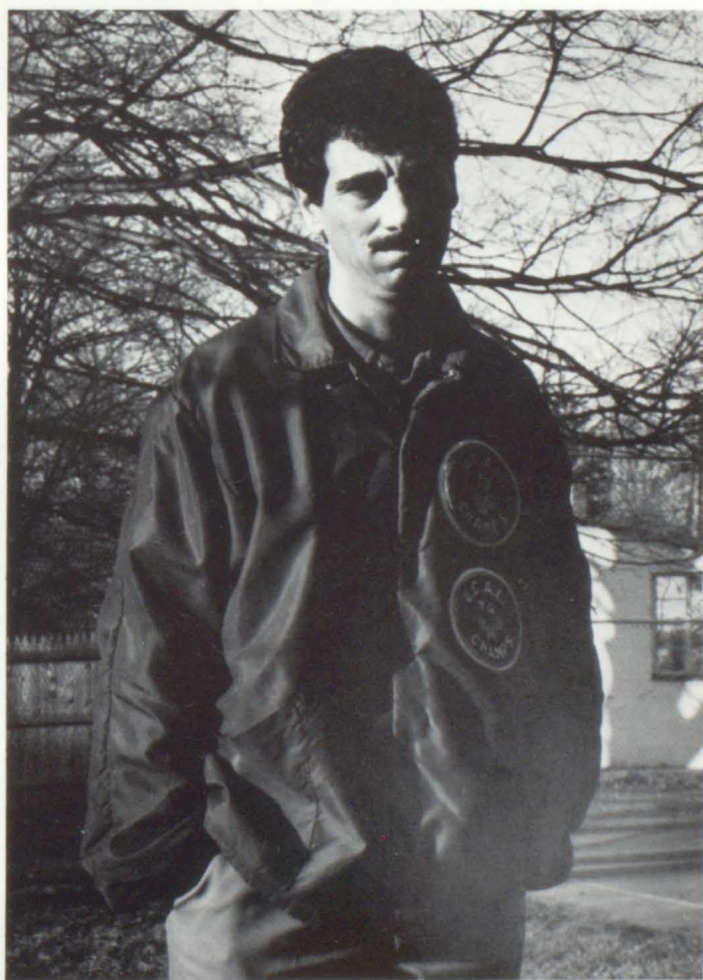

In our four years in Red Hook High School, we (the class of '79) have encountered many helpful teachers. Your name sticks out in our minds who single-handedly guided us through the traumas and troubles of ninth grade life. Your help made all of our freshman activities a success, especially the Variety Show. It was our biggest undertaking, and by far the most memorable. We appreciated your advice and smile that always helped us and lifted us out of our problems. We thank you very much for being our friends, "Mama G."

Mrs. Greenblatt

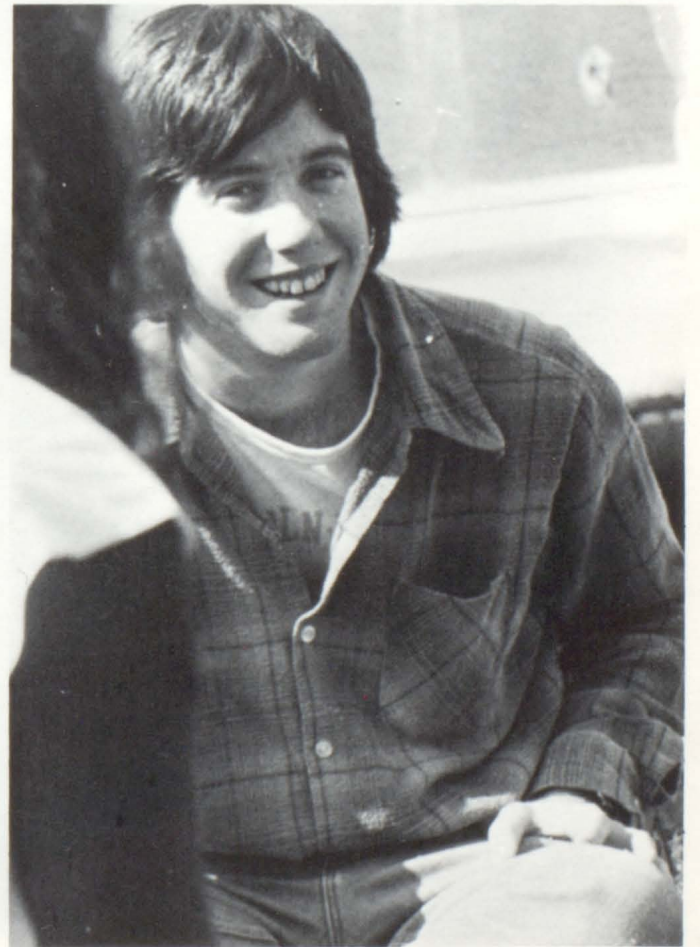

We also dedicate this book to our teacher and friend, Mr. Roberts, who has given us so much help and advice as a class and as individuals. The senior class and the yearbook staff wish to thank him for his enthusiasm and encouragement. We extend our sincere thanks for your companionship, for listening when we had something to say, for understanding and most of all for caring. You have been not only our teacher and advisor, but also a valuable friend to many of us. Thanks for everything "Mr. Bobs!"

Mr. Roberts

International Club 78-79

The International Club by Sandy Pratt

The purpose of the Interational Club is to promote more understanding of people abroad and within different areas of the United States.

As a club we have invited guests to speak, we raise money, perform activities, organize exchange weekends and try to live up to our purpose of world understanding.

In the past years, the club has helped AFSers adapt better to Red Hook through dinners and get togethers. We have sponsored short term exchanges to other high schools and have hosted exchange students on AFS weekends.

This year we have hosted Eriko Sasanuki from Nishinomiya, Japan, Anne DeRobertis from Verese, Italy, and Manfred Stoff from Pinkafeld, Burgenland, Austria. We have enjoyed their friendships, getting to know them and helping them better understand the United States.

From left to right- Bottom row-- Percy Docherty, Gina Bartolotta, Ann Durst, Chris Friery, Ann Dewsnap. Top row- Jill Jenkins, Dick Coffey, L. "Wa Wa" Griffin, Glen Plotsky, and Heidi Skog.

Christmas Ball

WINTER WONDERLAND

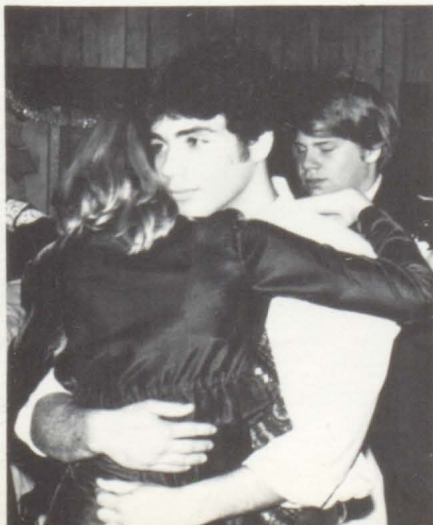

BY Eileen McEleney

The class of '80 presented a decorous Christmas Ball that all students will remember. Our thanks is especially extended to the VFW for the use of their facilities.

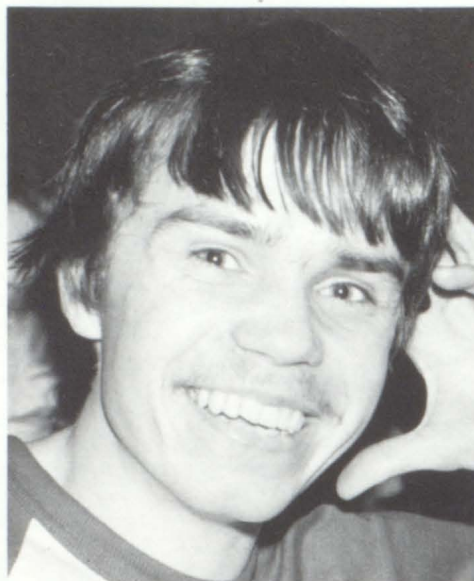

As the couples entered the doorway to this gala event, they were surprised by a hall transformed into a night club atmosphere. The fabulous rock group, "Click", inspired all to dance the night away.

As the last note sounded into the crisp night air, we carried with us the Christmas spirit.

1) A tight situation 2) Eriko and Beth Thulen learning the disco dance 3) Click 4) Miss Weber with a new hopeful 5) Love 6) Most beautiful couple.

My A.F.S. year, which I had never expected to happen, passed by so quickly. On July 20, when I met my family for the first time at the bus terminal in Albany, my legs didn't go forward; I still don't know why. But I had a strange feeling that I'd never had before. Summer flew as fast as an arrow. We spent two weeks in North Carolina. I was so impressed with the Atlantic Ocean. it was just gorgeous, and made me think of the explorers who travelled to look for a new world.

In a sense, this year could be a new time for me: the time in which I adapted myself. I got to know other people - in other words, I saw various, unique personalities - and I experienced something new.

I have got a wonderful family, friends, and teachers who have helped and encouraged me a lot. People are so nice and friendly. It has been lots of fun to stay in Red Hook. If I were writing the composition "Why I love New York", that was given to me shortly after school started, I would tell about the marvelous time I have been having and about the people I know. I have confidence in my experiences which gave me a great opportunity to think about myself and which will be a part of my entire life. Thank you everybody!!

With all my love,
Eriko Sasanuki

This year in the U.S.A. is one of the happiest I ever had. When I came to this country I knew nobody. I had to adapt to the new life here and I had to build with a family I learned to love.

I never will forget all the nice friends, teachers and people I met here, and all the things like the Christmas Ball, the parties, the trip to N.Y.C. and to Amherst. Mass., I experienced.

I want to thank everybody for this experience and I hope that you enjoyed me as much as I enjoyed you.

Manfred.

AFS- ARGENTINA
by Vincent Vellake

I spent the best three months of my life with the Liebana family in a small town near Buenos Aires in Argentina. It was winter time there during the months of June to September - the opposite of our seasons. Therefore, I attended school daily and there I made many friends. My AFS experience helped me open my eyes to other cultures different from my own and I saw how it was done through the point of view of a family instead of through the newsmedia. I have learned a lot through my AFS experience and shall never forget it. I wish I could share my experience with everyone.

AFS- SWITZERLAND
by Scott Traudt

I spent my three month summer in the small city of Chur, Switzerland. The climate was almost exactly the same as the states and this enabled me to partake in many Swiss customs. The most popular was hiking. My fifty two year-old mother included me in all the family excursions to all the nearby Swiss Alp peaks which were anywhere between two to fifteen miles long. No one can express beauty until you have seen the snow-covered mountains from the top.

My family lived in a large apartment above my father's customs office. I had six brothers and sisters and made many great friends. At night we often visited the beer gardens and played billiards. I was also very lucky to be placed in a very musical family which helped me to get a few jobs playing the organ at a few local churches.

From this experience I have learned to be less selfish, more respectable to other people's feelings, and thankful for the Simonett family. Thank you, AFS!

AFS- Germany
by Leslie Coons

I was an AFSer this past summer in Bremerhaven, West Germany, and it was the best summer I ever had. Bremerhaven, a harbor city, is located in the northern flatlands of Germany. Rain was a regular occurrence.

I lived with the Kochritz family who had three daughters in my age group. We lived in a public school where my father was a schoolmaster-a custodian, superintendent, and principle all in one. The use of all the school facilities was available to me.

I traveled a lot while in Germany and visited such places as Frankfurt, Koln, Bonn, Hamburg, and many other exciting cities. My stay also included a camping trip with my family and a scenic cruise to Denmark and Amsterdam in the Netherlands.

My AFS experience will always be an important part of my life because it changed me a great deal. I recommend the AFS program to anyone willing to be challenged and learn about other people.

Memoriam

John Redder

It seems that when he left us stranded without any chance for us to say goodbye, we felt a need to be sorry. How could such a strong fact of life occur leaving so many loved ones behind? Although you've made your final performance, the applause still rises and the love still shines through.

Boy's Basketball

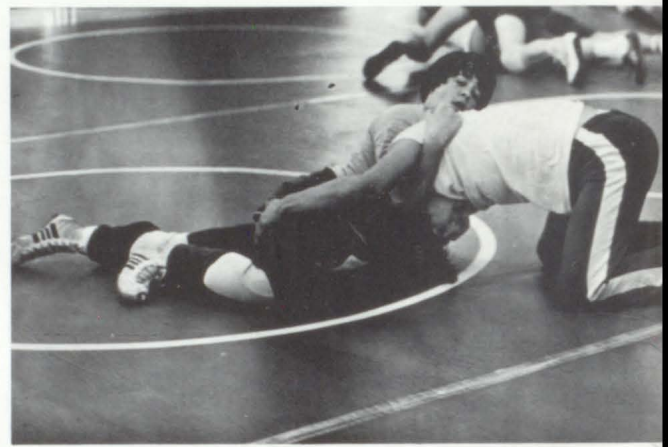

BOY'S BASKETBALL 78-79

by Mike Baden

This year could best be described as a rebuilding year. Coach Rod Chando only had returning lettermen Brian Longobardi, Jim Hogan and Jake Mosher from last year's championship team. Co-captains were Jake Mosher, Hogan, and Longobardi. With the co-captains' help, Jackson was deadly under the boards. They received some much needed help from Juniors Ken Todd, Buzz Campo, Brian Butt, and Ron Kowalski. The JV team consisted of mostly freshmen so it looks like Red Hook boy's basketball can look forward to more winning seasons in the future.

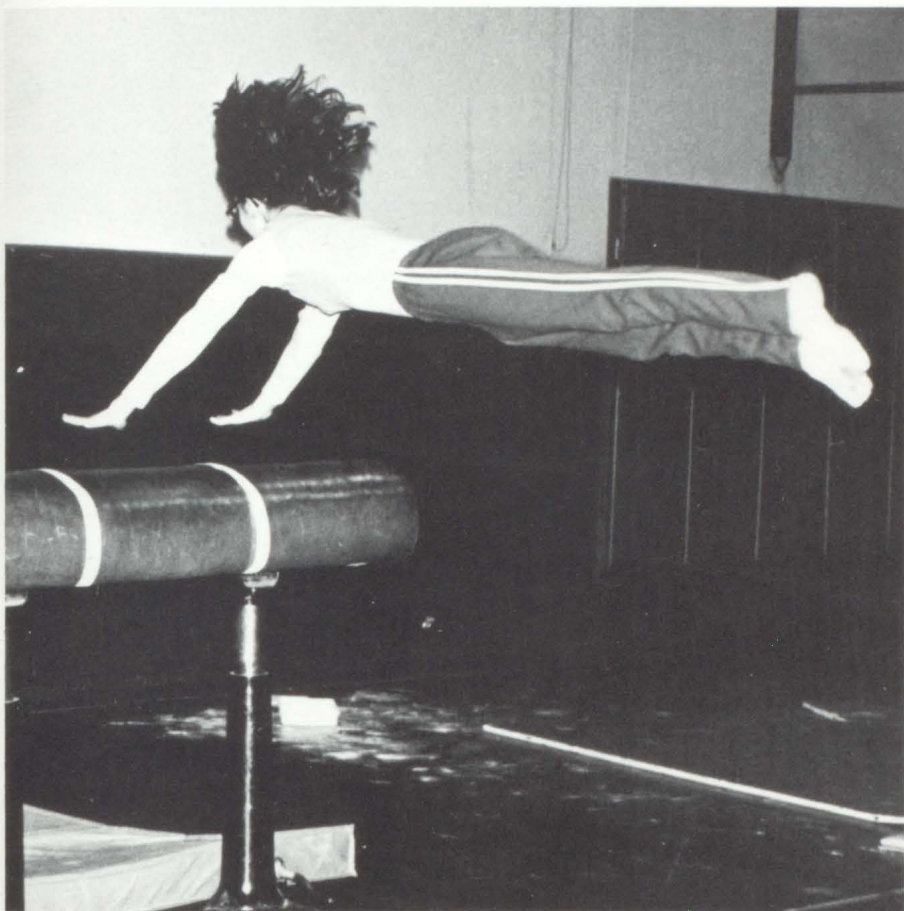

Wrestling

by Scott Traudt

Under the many special coaching features of Andy Seidel, the Varsity Wrestling team has produced outstanding seasons in the past and 1979 didn't prove to be losing either. Wrestlers like Art Schad, Tim Ross, and Lance Sterling brought the matmen another fine season. After training so severely since November, how can you call it anything else but fine?

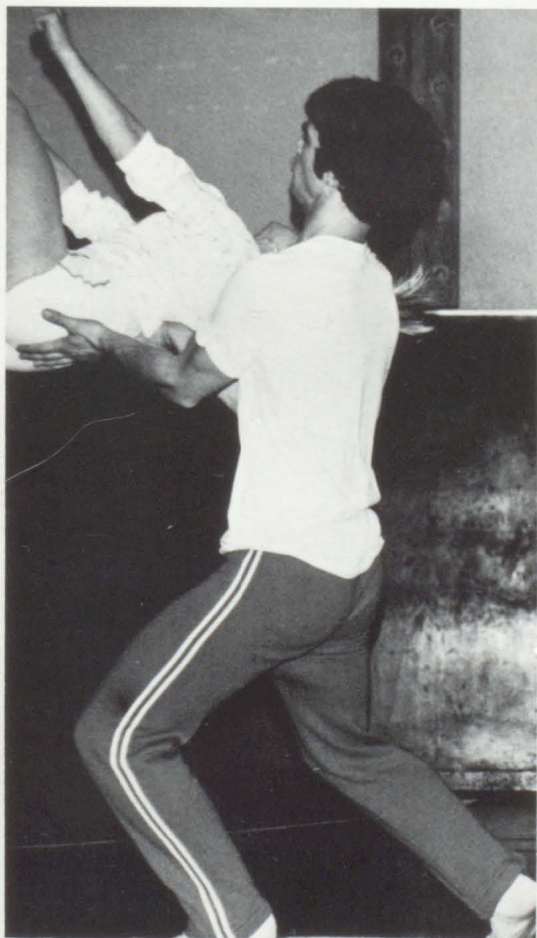

Gymnastics

by Scott Traudt

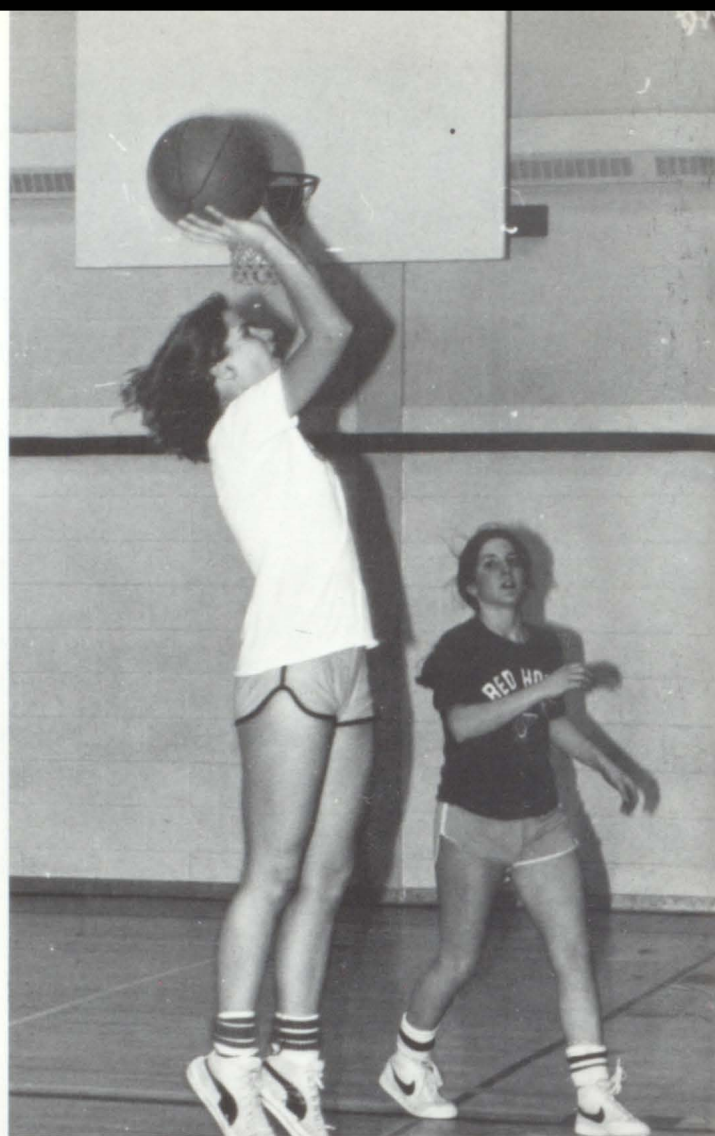

This year, new coach Melanie Babaneau brought back discipline to the team and although the season hadn't ended yet when this article was written, we all knew veterans like Lorraine Salmon, Laurie Miller, Wendy Coons, and Kathy Friery could carry the team to victory. And under a new law passed by the state, Tim Thompson competed. With the help of his great talents, he often placed first in bars and vaulting.

Girl's Basketball

Girl's Basketball-'78
by Barb Roberts

The Girl's Basketball season, after a disappointing loss to Wallkill came back and went on to destroy the other teams in the league. The team, under the coaching of John Kuhn, worked hard every day Monday through Friday including Saturday and vacations. Coach Kuhn, who's in his sixth year of coaching, has been a good leader, supplying donuts (occasionally) but mainly giving us his wit, his bad jokes and new defense. The basketball team of '78-'79 would like to say, "Thanks for a great season, Mr. Kuhn."

Boy's Track- by Matt Adams

The Raiders placed second in the UCAL standings despite a 2-3 record in dual meet competition. As usual, Red Hook had some standouts in the UCAL. Some impressive underclassmen also enabled Red Hook to go into every meet with at least the possibility of an upset over the other teams. New faces on this year's team such as Mark Anderson competing as well as returning lettermen Dan Theisen, Vinnie Vellake, Brian Courtney, Matt Adams, and Ken Todd will be tough to beat. The Raiders will give it another good try in their quest for a UCAL title.

BOY'S TENNIS-'78

Unfortunately, 1978 wasn't a good year as far as the win category was concerned, Red Hook was situated at the bottom of the UCAL standings for the first time since its tennis history began.

Even though, the first doubles team of Guy Yarden and Scott Traudt managed the only record over .500. After two years of playing doubles they have put together a 16-6 total record in the doubles category. Seniors moving up to singles play for 1979 will be Greg Wiles, Scott Traudt, and Guy Yarden with Shawn O'Connor who proved to be "most improved player" plus some new talents will fill in the other vacant spots. Red Hook will be seeded third or fourth in the UCAL standings for 1979.

Girl's Tennis Team-1978

by Karen Sipperley

The Girl's Tennis Team of 1978 faced a tough season with a schedule that brought them into contention with some very solid opposition. Finishing out the season with a 1-6 record, the Raiders kept their spirit regardless. Coached by Mr. Fred Fisher the team was brought together and encouraged to work hard.

Looking back at the season and the times we had, the real value of "sports" can be seen. The old cliché says, "It's not whether you win or lose but how you play the game" and we realize how true these overused words really are. We have had the opportunity to be a team, to work together and to have fun. We have faced defeat much more frequently than victory, but we have been a part of something and we have gained. We have memories of good times, of hard work and frustration, and of friendship.

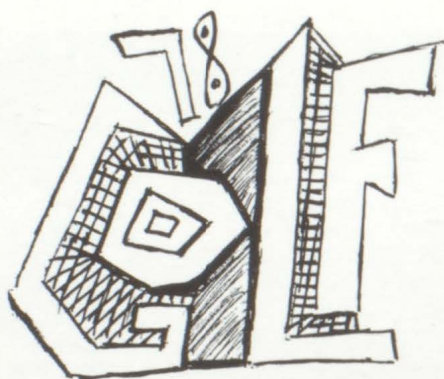

1) Girl's '78 Tennis Team 2) #1 seed - Karen Sipperly 3) Coach Fred Fisher 4) a slamming forehand- Liz Greenway 5) Newcomer Debbie Buckley.

Golf

by Scott Traudt

This years golf team was sparked by the fire of Dave Smith's and Lance Roger's clubs. They consistently shot high scores to pace Red Hook to a middle-par season. Senior player Tom Skelly proved also consistent along with Doug Meyerhoff. Thanks is extended to Coach McMahon for his love of the game and patience.

Girls' Track 78

Girl's Track-1978

by Rose Fritz

The girl's track team had a very well-rounded season. Big wins included many invitationals. Among these were an overall first at the Arlington Relays; the Pine Plains Relays; and a fourth in the Southern Catskill Relays held at Clarkstown South.

The team had an astounding number of individual winners, all of whom should be congratulated.

The team had a second place finish in the UCAL meet, behind Onteora., Although the loss was less than one point, the Raiderettes came back to win the Section 9 championship in their class. The Sectional meet was also the qualifying meet for the State.

There were many individuals who did go on to the state meet: Chris Arends-second in the high jump; Lynda DeWitt-walk; Nancy Cincotta, Anne Durst, Rose Fritz and Barb Skiba- 440 relay, where they placed sixth. Anne Dewsnap, alternate, and Barb Skiba also competed in long jump and 100 yard dash.

It was overall a good season. Many thanks to the following: Jim Cauldwell, Pat Bowman, and Herb Elsmore; all of whom have helped the team greatly.

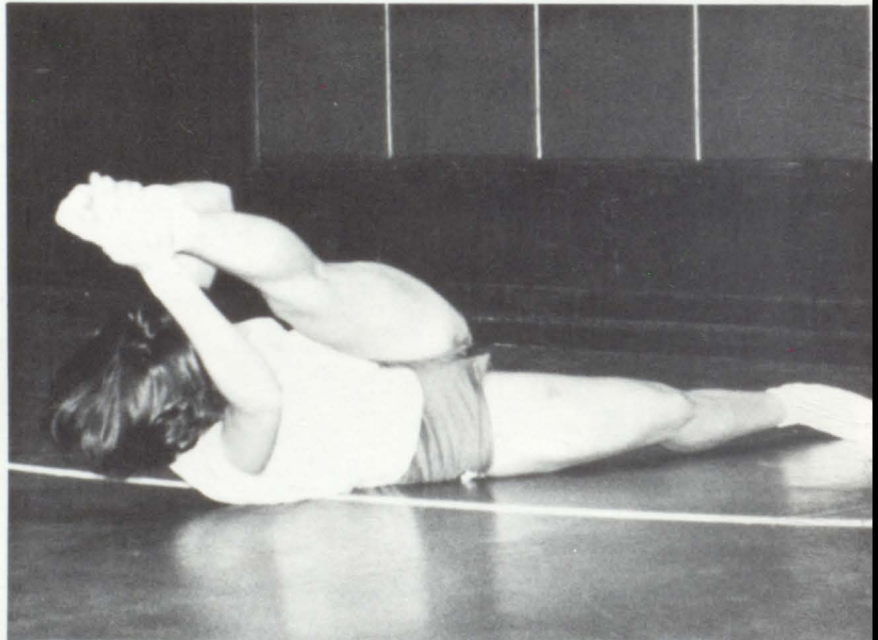

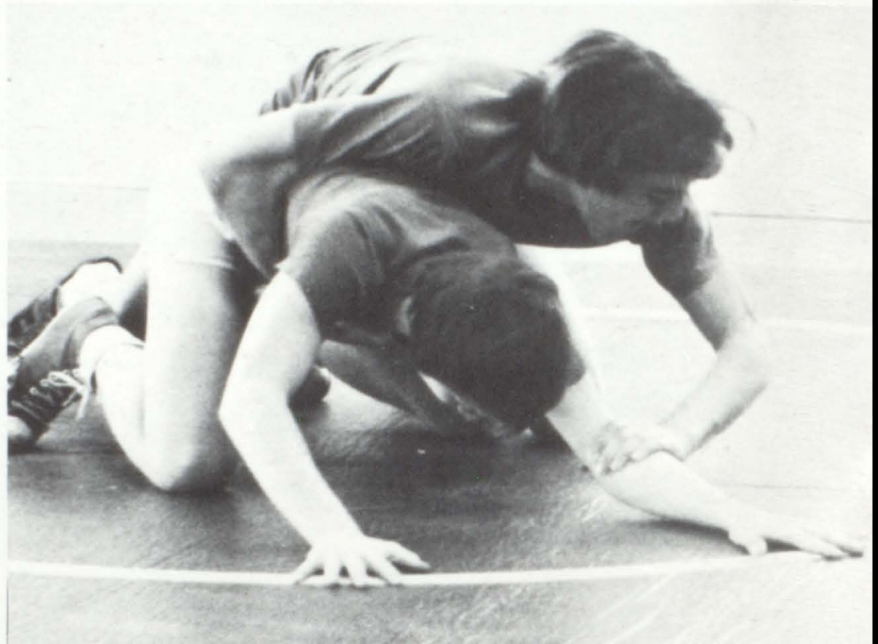

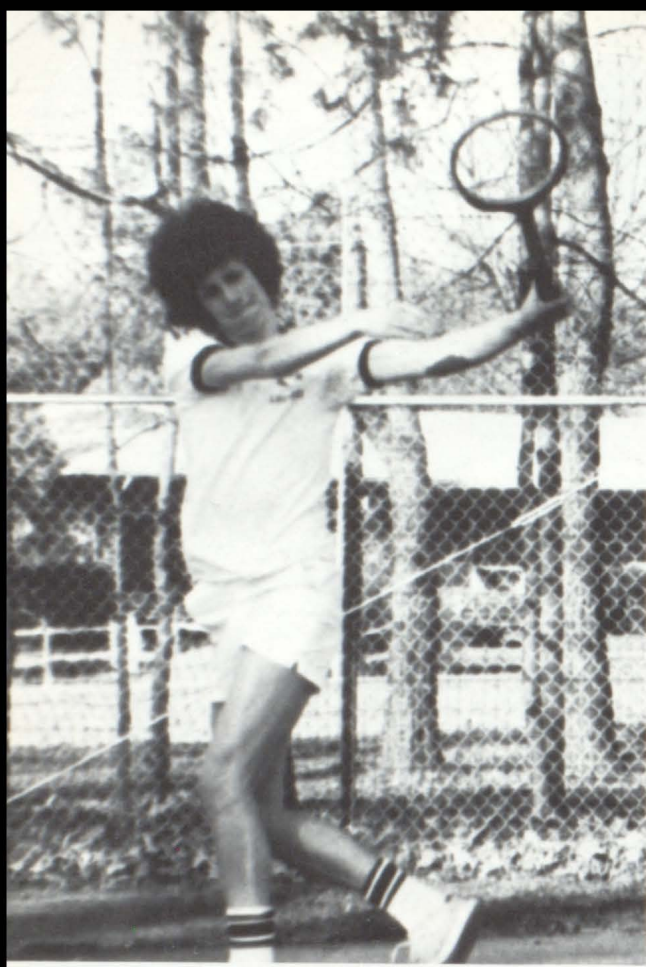

BASEBALL - 78

by Nick Ascienzo

Red Hook's varsity baseball team in 1978 captured its first ever UCAL Championship under first year coach Nick Ascienzo. The team was led by seniors Ken Staats and Mike Hanley. The team's overall record was 15-5 thanks to UCAL players like Jeff Martin and Glen Coon. Jeff, who played errorless in the field, was an dependable hitter. Coach "A" especially noted everyone's contribution to the team's success. We can only hope that success will continue!

From the Editor:
by Scott Traudt

Before I received the job of yearbook editor last year, I never realized the extremely hard work that went into putting a yearbook together. I thought the Editor just checked over the work of the writers, lay-out designers, and typists. But that was not to be.

Unfortunately, I was the only person left from the '78 yearbook who knew how to construct layouts, type copy sheets, and make decisions on all problems imaginable. Before I knew it, the first deadline was due, and there was no time to teach anybody the fundamentals. I'm very sorry there wasn't more time for more people to get involved to.

Of course, the faithfuls who came to almost every meeting caught on and some really ambitious people helped to put together a successful, picturesque yearbook. We put together a yearbook with more pictures and less words. We hope you enjoy it. After spending every day since October afterschool till 5:30, the staff must agree--This is your yearbook. Enjoy!

From The Advisor:

Each year an editor is selected as an actor is cast for a part. Miscasting can be a disaster. A successful yearbook is dependent on the qualities of your editor. I felt Scott had the necessary qualities to do a fine job-responsibility and concern in producing a good yearbook. The quality of this book speaks for itself.

Thanks are also extended to our very capable photographer Annalee Van Kleeck, without whom this book would not have been possible, and to Mike Baden, who always seemed to be there when help was needed.

On behalf of the entire Yearbook Staff I gladly present this book to the students, faculty, and administration of Red Hook High with pride. I'd like to wish the *entire* yearbook staff congratulations on the publication of a fine yearbook.

Your advisor and friend,
Mr. Roberts

Cloud hands reaching from a rainbow, tapping at the window, touch your hair. So swift and bright, strange figures of light float in air. Who can stop what must arrive now, something new is waiting to be born.
