Hello Christy,

I finally have some photos for you. The ones on slides will take another week. I really like those, I took them of the farm with my father in most of them. They are all in the winter with lots of snow.

I didn't realize how many pictures I had until I started searching those boxes and boxes of over 500 to 1000 photos. Now I feel so organize and know where they are. I made copies for you to keep and am also sending you 2 CD's to use as you wish.

The pictures in the 1<sup>st</sup> Batch envelope are a mixed bag. I threw in a few to make you laugh. I've numbered them.
