Barnes, Maggie (1861–1941) daughter of Rev. George Barnes & Elizabeth Schryver – Rhinebeck (Find-a-Grave)

“Prof. Edmund A. DeGarmo and Miss Maggie Barnes were married at Canastota, this state, on Wednesday, August 14. The couple arrived in Rhinebeck on Tuesday evening, and an ear-piercing skimmelon was the result. It is darkly hinted that the hoarse horse fiddle was the result of the efforts of two of our citizens, one a married man and the other a rich old bachelor. The latter sat on the box to hold it down, while the former worked the rosined board in an artistic manner. The sounds produced were a cross between the howl of a demon and the moan of a sick calliope.” Rhinebeck Gazette 10 Sep 1881
