USE ONLY THE DIAGRAM THAT IS APPLICABLE TO YOUR LOCALITY

CIRCLE: for unsectionized country. SQUARE: for sectionized land

DIRECTIONS

In the circle, let the dot represent your post office,

or

In the square, place a dot representing your post office in the proper quarter section;

then

Draw the following features, if within the area of the diagram, in proper relation to your post office:

Adjacent post offices (show with dot);

Railroads (show by line with cross-marks);

Main highways (name and show on margin name of town to which each road leads);

Rivers and creeks;

County line (show by dashes).

Letter the name on each item shown on the sketch.

Be careful to show each feature distinctly and draw according to the scale given under the diagram being used.

If a map of your town is available and can be furnished without expense, it should be marked with the location of your post office and forwarded for the files of the Division of Topography.
