Mr Gordon Mead

Dear Mr. Mead.

We regret we did not have an opportunity of
seeing you. We hope that you may eventually
become our neighbor. I am interested in
knowing about the farms you looked at.

It is possible that I may pay a brief
visit to Greenwich and Confer with some
time soon. I am going to look about a bit,
especially among the best growers - to learn something
more about handling apples. We are too short
without some sort of mechanical aid.

As to the Poughkeepsie Apple Show -
Conducted by the Hudson River Fruit Exchange of Milton N.Y.
I took only 6 plates & 1 box for ex. There is a collection ~~to~~
on the tables of very fine quality - and a very beautiful box exhibit
from near Poughkeepsie, with a small barrel exhibit - do not
know how good as I did not see them opened.

While I am speaking in a general way about quality
the collection is small, and I do not know how successful
it is going to be as an advertising matter but think there
must be some good coming from it,

I will probably not go to Pomfret except
on the last afternoon Friday 10. Should you come up will
be glad to have you come on to U.R.H. to "talk it over",
Hoping to see you

Yours truly
W. S. Teator
