In the matter of the application of S. V. R. Brugger, Cornelia Brugger and Catherine C. Brugger to discontinue a highway in the Town of Red Hook and the assessment of damages therefor.

To the County Court of Dutchess County:

The petition of S. V. R. Brugger of New York City, N. Y., Cornelia Brugger and Catherine C. Brugger, of the Town of Red Hook, County of Dutchess, respectfully shows that your petitioners are persons liable to be assessed for Highway labor in the town of Red Hook, County of Dutchess; that on the 6th day of December, 1895, they presented an application in writing to the Commissioners of Highways of said town as follows:

Brugger Island, N. Y.

December 6th, 1895

Robert H. Coon, Esq.
 Commissioner of Highways,
 Town of Red Hook.

Dear Sir:-

The undersigned are the owners, in fee simple, of the real estate in this town known as Kruger's Island. The said Island was purchased by their father, John C. Kruger, in 1835, who owned it until his death in 1879 when the title passed to the Mother of the undersigned, Euphemia W. Kruger who owned it until her death in 1888 when the title passed to the undersigned. In the month of October, 1845, the Commissioners of Highways of the Town of Red Hook, upon the application of the said John C. Kruger, discontinued as a public road the continuation of the present road leading to Kruger's Island, commencing at high water mark on the east bank of the Hudson River and on the westerly side of said Island and running thence easterly a distance of 877 feet, which is a point about 362 feet west of the centre line of the tracks of the New York Central & Hudson River Railroad Company.

Your petitioners now respectfully ask that the Commissioner of Highways will close the remaining portion of this old Highway from the point at which it was discontinued in 1845 to the boundary line between the lands of your petitioners and that of the land formerly belonging to Robert Tillotson and more lately owned by the late Mrs. Edwin Bartlett, being at a point due north of the centre line of a creek or ditch which runs from said road south to the waters of the Hudson River. Your petitioners further state that they are the owners of the land on both sides of the said road, with the exception of a few rods of Swamp land on the north side of said road, owned by Robert S. Livingston, that the same has always been maintained at the expense of their Father Mother and themselves, that said road is useless and unnecessary except for their own

personal use and that of persons coming to see them or having business with them, and for these reasons respectfully ask that the same may be closed and discontinued as a public highway by your Honorable Board, the said causeway or road measuring in length from a point on a line with said creek to the easterly side of the right of way of the New York Central & Hudson River Railroad Company to the point where the road was formerly closed 329 feet.

(Yours very truly

(Signed) S. V. R. Brugger,

Catherine Church Brugger.

~~Not joint application~~ Cornelia Brugger

That said application was in good faith made; that the Commissioners of highways have not discontinued said highway pursuant to Section 80 of the highway Law.

Wherefore, Your petitioners pray that three Commissioners be appointed pursuant to Section 84 of the highway Law, to determine upon the necessity of discontinuing said highway.
