RED HOOK CENTRAL SCHOOL

Red Hook, New York

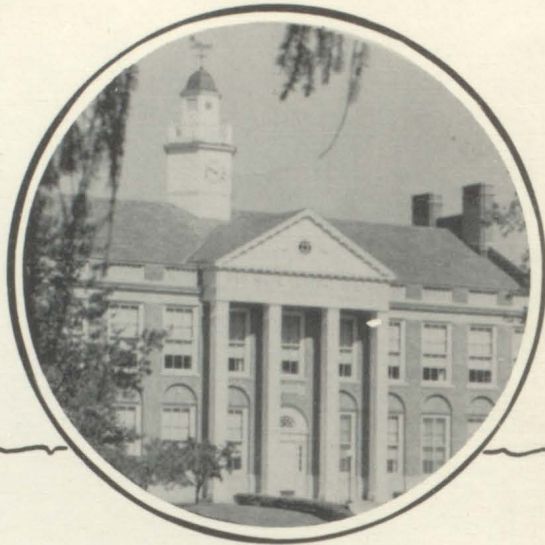

Here is more than a mere book. When you pick  
it up in future years may it come alive. For within  
its binding is a heart that pumps memories into every  
page.

We, the class of 1953, dedicate our yearbook to a man whom we have all grown to admire and respect through the years. As long as memories of Red Hook endure, we will think of his warm and friendly smile and say, "We're proud to remember you, "Cappy" Doyle. "

#### ALMA MATER

Alma Mater, Red Hook Central

We are singing now to thee;

May thy fair name dwell forever

In our fondest memory.

And when high school days are over,

And we leave this school so dear,

We will love thee yet,

We'll ne'er forget

The best school far or near.

Hail, Alma Mater,

We cheer with all our might;

We will sing thy praise

Through endless days,

To the Scarlet and the White

To the Class of 1953:

You have now entered upon the final lap of a course which has been long and arduous. It has taken you twelve or more years to move from the starting line of kindergarten or first grade to the last lap in your senior year of high school. Some members of your class started well in the race but stumbled and left before completing it. Perhaps you are one of the group who raced out ahead and is now nearing the finish line with the cheers of your friends and relatives growing ever louder in your ears as the finish line comes into view. Perhaps you are one who has run swiftly only by spurts or you may have run well and consistently but slower than others in your class.

Whatever may be your position at the moment in the race, you should recognize that it is an honor to follow through to the end any worthwhile task or contest which you may have undertaken. A quitter never wins applause in a race.

My warmest congratulations and best wishes are extended to you, members of the Class of 1953. You have passed one of the high hurdles in your path, but do not doubt for a moment that other hurdles will appear around the next bend in your course. These hurdles may, also, be cleared with the help of further educational opportunities to be found in colleges, institutes, on-the-job training, adult education, night school, or correspondence courses. You will always find a correct manner of clearing your next hurdle if you will think coherently and attack your problems with ambition.

## CLASS HISTORY

In September 1949, the Class of 53 started their high school career. Don Bathrick, Erwin Bathrick, Warren Briggs, Tom Cololucco, Marie Du Bois, Stan Hapeman, Sig Knobel, Barb Lewis, Kay Robinson, Allyne Smith, Hank Wilga and Rudy Zitz were the original kindergartners who were, and still are, with us.

We started out our Freshman year as quiet, shy students under the guidance of Mr. O'Leary and Mr. Havko, but this didn't seem to last long - either our being quiet or our advisors. We had fun this year as always, but our bank account seemed to decrease! One thing we had, anyway, was our athletic girls - we tied the Seniors in Interclass Basketball.

In our Soph year we gained many new students (although we were still the smallest class in school). Tom Hockar looked like the most interesting of the new ones. This year Mr. Bush was our advisor. He helped us present a very successful twenty minute play "The Mad Breakfast." Henry Wilga was a billed and "boxed" star. After this Mr. Bush left for the U. S. Army. We then met our next homeroom teacher, Mrs. Schroyer. School was getting better all the time! We had our first dance, "The Moonlight Folly." The girls were getting to be more athletic all the time - now, the Champs of the Interclass Basketball. But the boys???

Our Junior year had come and we were still having fun! We had a great homeroom and Mrs. Schroyer was still our advisor. Our class meetings were about the most exciting in school. We presented "The Teacher's Pet" as our class play. We had everybody trying to pronounce the names of our two square dances, "The Hallucination Hop" and "The Leprechaun Leap." We also had our first formal, "The Easter Ball." Another great attraction was our girls with licenses: Allyne, Barb, Dot, Kay, Barb L., and Betty J. The boys were no longer walking! Our class rings were ordered. Now, June and our class picnic at Lake Taghanic. Erwin brought the food and pickles and Allyne drove? That's enough!! Again we had the girls' Interclass Champs.

Well, our last final, serious year. We don't really remember it this way. Mrs. Schroyer had left and Mrs. Champlin was our advisor. Mrs. Hapeman assisted. Barb Schroedel left for private school. Mike Burgevin came with his "Jazz" to R. H. C. S. Red Hook was football champ. The Senior Play - Dot Coons ran taxi service to, around, and from rehearsals. The Big Night and another party. Mrs. Hapeman left. Another square dance, "The Final Fling." Then off to Washington! This was the most fun. It can't be explained . . . . . The Junior-Senior Prom, more parties, Baccalaureate, Commencement, our diplomas!!!

It was all wonderful - but it went too fast!!!!!!

LOOKING AHEAD WITH  
THE CLASS OF 1953

Making predictions about the future of its members is one of the things that traditionally occupies the graduating class as June draws near. We at Luckey's draw upon eighty-two years of experience to try our hand at making a prediction for the class of '53 as a whole, and it is simply this: the majority of you will find yourselves looking to Luckey's all through life for the things you need for yourself, your families and your home.
