

DEAR, Mr James Wood

Now you showed how big a man you are. You show how big hog you are. By not selling the Elmendorf Inn to us at \$6,750. just think what it will do to business. Maybe we ought to tell the New York Time. I ~~can~~ have a suggestion drop dead. We going to jumped all over you. ~~You~~ You can do pickings on a poor little town you headge hog. Why do you take a step off your throne and give in a little and you can be a step higher ~~than~~ than where you were. People may say from ten years now is Mr. James a man to giving the Elmendorf to that poor little Red Hook. So think about it maybe your ~~a headge hog~~ ARE a headge hog maybe you ARE not.
