Mr. Robert E. Haines

Mr. Robert E. Haines made the trip across the field with our class. Mr. Haines taught us eighth and ninth grade English. He has added to our understanding of the world and our school. He has been the pillar of strength that gave us stability in our endeavors and new horizons.

Mr. Haines puts everything that he has into his work. He is hard working, dedicated, and well organized. He has served as our teacher, yearbook advisor, and friend. His self-proclaimed "stick-to-itism" is so evident that it breeds emulation. He takes things into his own hands and gets things done. His strict yet fair requirements have helped prepare students for high school and life.

Though some are intimidated by his charismatic, energy-packed, and dramatic teaching style, most all genuinely respect Mr. Haines as a teacher. He might be eccentric and he might have flamboyant teaching methods, but you cannot forget a man that adds excitement to his job and to his class. Mr. Haines has been a mentor, confidant, and friend. We will never forget him. Remember: "Take a Zero, Buck."; April Fools' jokes; Santa Claus; strange but true stories; "Eee-gads, child, this is a Regent's class."; and the stuffed dog.

We hereby dedicate this yearbook to you, Mr. Haines, for recognition of services rendered. Thank you for all that you have taught us and done for us. Thanks for being a familiar face, guiding us, and pouring incredible amounts of time and energy into your class, our class, and this yearbook.

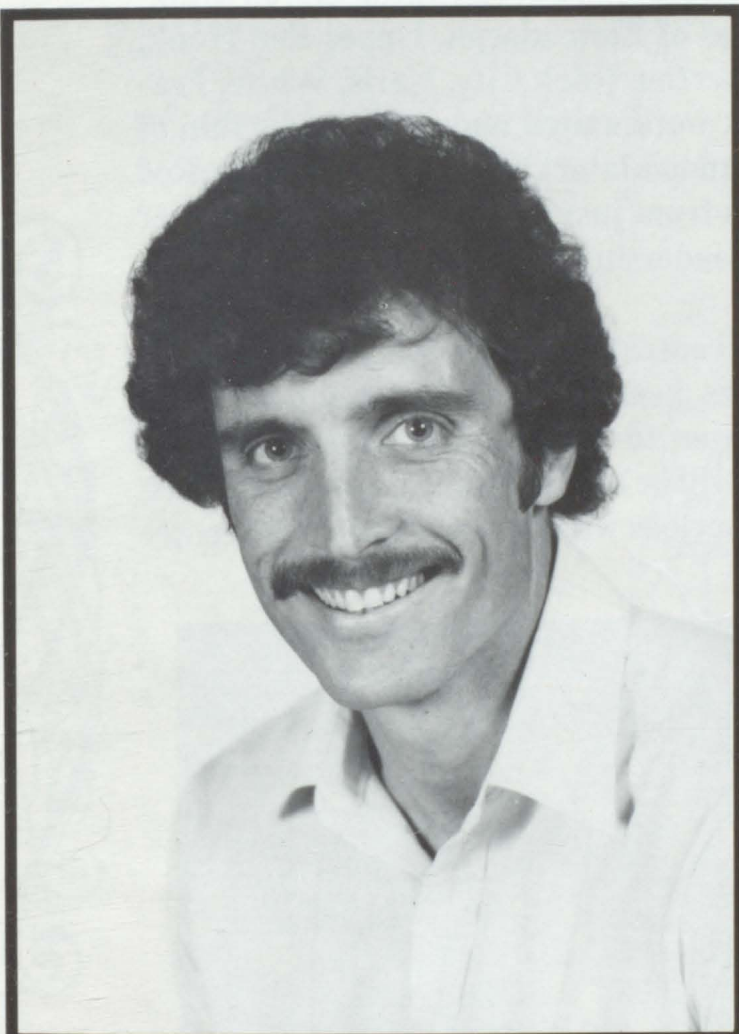

Friends forever,
We can't forget those
stories,
The Class of 1985

Mr. Robert E. Haines, devoted teacher of English (1962-present)

is respectfully dedicated to...

Mr. Nicholas Ascienzo

Mr. Nicholas Ascienzo has been our class advisor for four years, and has taught many of us since our days in the junior high. Although many of us no longer have him as a teacher, he has still given us much of his time.

Our class government took a long time to get its act together. Mr. Ascienzo pulled us together and got us motivated and we began to engage in student activities. He has been a catalytic force behind most of our functions. He has isochronized our class government by getting us to work together.

Mr. Ascienzo has donated much of his time and put much of his energy into this class. He has chaperoned many of our activities. He has helped us overcome our unsuccessful ventures, such as the Gong Show. He listened to all of our ideas, crazy as they may have been, and was always there to give us much needed advice.

Mr. Ascienzo helped to make our Lip Sync so successful. He made us really work, and it really paid off. He put in many hours after school to help organize it.

Mr. Ascienzo, we can't thank you enough for everything you've done for us. We hereby dedicate the 1985 edition of the Hardscrabble Yearbook to you.

Our Everlasting Thanks,
The Class of 1985

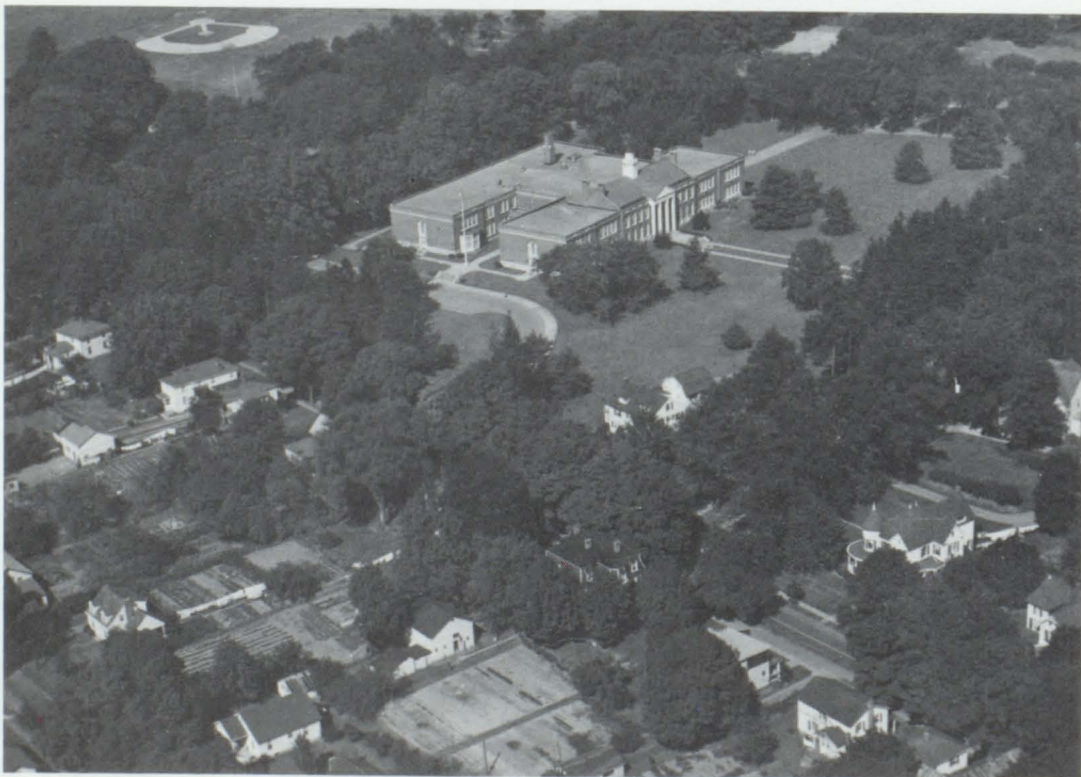

Mr. Nicholas Ascienzo, devoted teacher of mathematics
(1974-present)

Prologue

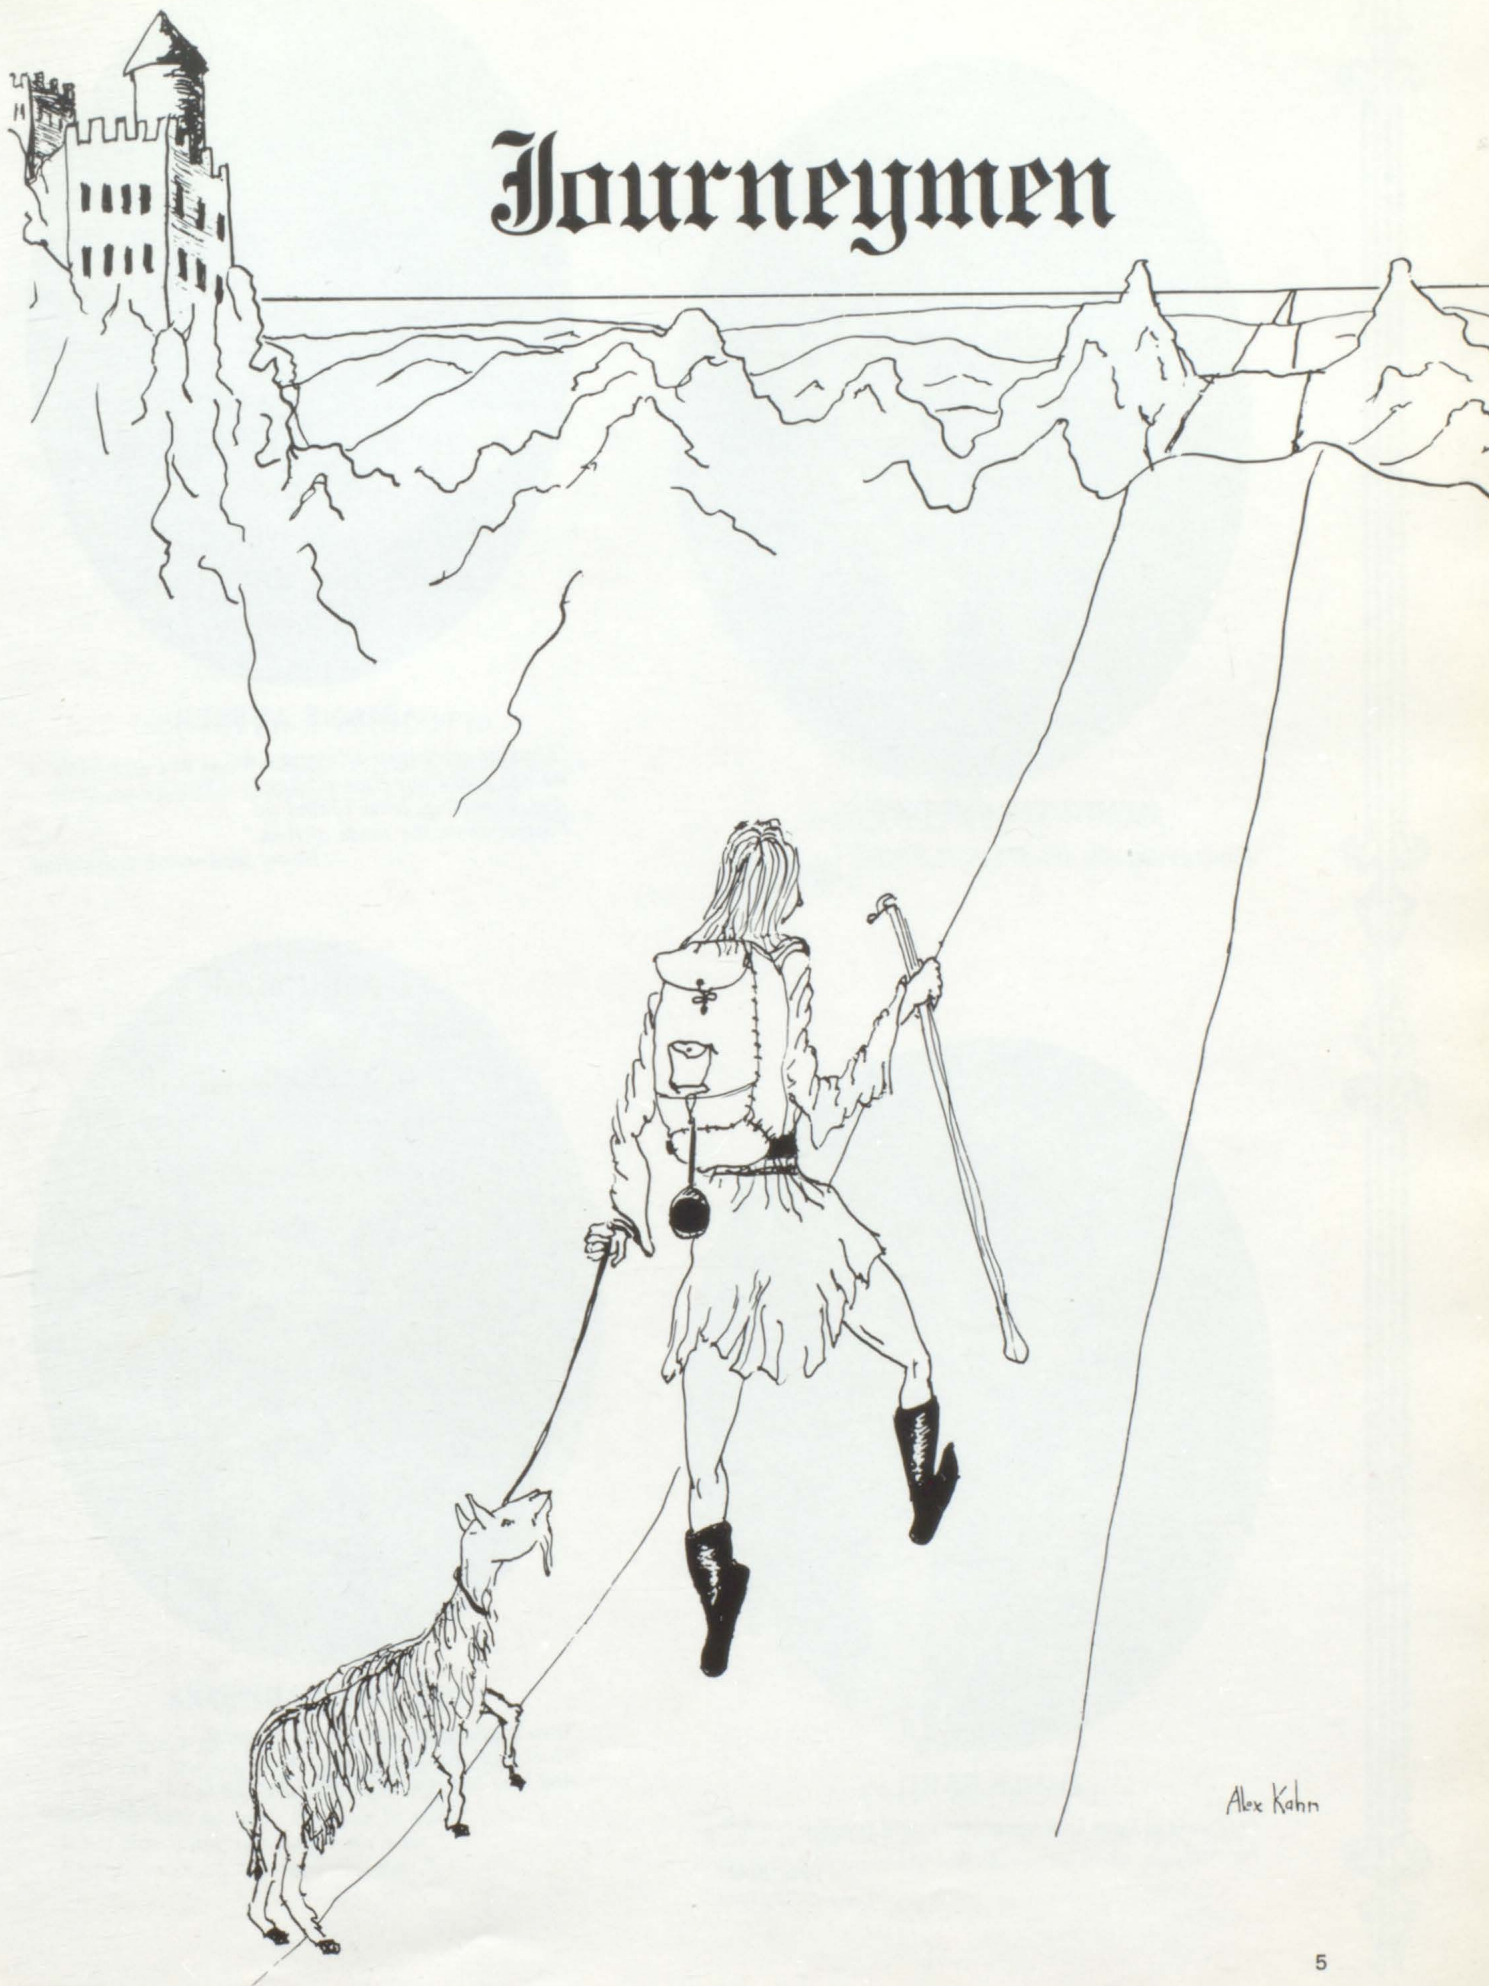

upon a time, there was a land divided. Eleven kingdoms ruled where one now exists, the Red Hook Central Kingdom. As far back as the year of Our Lord nineteen hundred and forty, these eleven Kingdoms, including the sovereign states of Elmendorph, Upper Red Hook, Barrytown, Annandale, Milan Cokerton, Rock City, Nevis, White, Fraleigh, Willow Glen, and Red Hook were united under the leadership of Sir G. La Verne Carr (Tivoli was added later). Since that time the Red Hook Central Kingdom has grown from just 500 loyal subjects to over 1700 subjects today, under the leadership of His Majesty Carl W. Thompson.

Since the early days after the centralization of Kingdoms, annals under the title *Hardscrabble* have been published, developing from fewer than sixty pages in softcover to today's 152-page hardcover edition. This year's *Hardscrabble* will be the forth-sixth yearbook since the founding of the Kingdom. The scribes who have worked so diligently hope it will be the best ever.

Champions of the Realm

Red Hook had its share of celebrities this year in a variety of talents. Statewide recognition of these performers put Red Hook's name on the map. People stood up and took notice of the accomplishments of John Oja, Mike Anderson, Diane Wright, and Shelley Lown.

John Oja embarked upon this year's cross country season with a goal — to win the Class C State Championship. He was faced with a number of other runners who realistically anticipated the same distinction. However, on the day of the race, it was John who broke the tape, winning the 5 K race by a comfortable margin, giving Red Hook its first state champion ever.

Red Hook's cross country accomplishments did not stop with John. Mike Anderson distinguished himself by finishing in the top ten in his age group at the Northwestern Cross Country Regionals at Elizabeth, New Jersey on November 10. His outstanding performance qualified him for the Junior Olympics. Aided by funds from the Sophomore Class, the Cross Country Team, and the Raider Sports Club, Mike made the

trip to San Antonio, where he finished in the top third of the national competition on December 15.

In field hockey, also, Red Hook displayed its excellence. Diane Wright not only qualified for the Empire State Games but also competed on the team that took the gold medal. This enabled her team to compete with other teams in nationwide competition in California.

Shelley Lown excelled in an altogether different field. To everyone's surprise, she captured the crown of the Miss New York Teen Pageant in a field of ninety-four statewide competitors. As a prize, she received \$10,000 in cash and prizes, including a trip to Florida. Shelley went on to the national pageant in Miami Beach where she appeared on live network television.

These four people gave their all, and it paid off. Their efforts have brought fame and respect to our formerly obscure town. All across New York State, Red Hook is now practically a household word thanks to John Oja, Mike Anderson, Diane Wright, and Shelley Lown.

Members of the class of 1985 were inducted into the Red Hook Chapter of the National Honor Society in the fall of their senior year instead of the spring of their junior year due to delays in the membership selection process.

Projects for the '84-'85 school year include fundraisers throughout the year to generate monies for donation to charities. The society is also developing a tutoring program where successful students help those having difficulties with particular subjects. It is hoped that the resources of the Red Hook Chapter of the National Honor Society can benefit the community.

QUIZ BOWL

Red Hook's unsung intellectuals, the Quiz Bowl Team, suffered a laggard commencement to this year's season, having to cope with a greatly depleted squad and little time to polish their skills. They lost their first meet to Coxackie-Athens, and the situation seemed less than promising. However, with the support of new found talent Hillary Brooks, Tom Henry, and Robert A. Ward IV, and the tenacity of the old veterans, Captain Alex Kahn, Sara Fisher, and Gretchen Gilbert, the team rallied to defeat last year's division champion, Rhinebeck, by a slim margin. Now that the proverbial ball is rolling, it seems that Red Hook's erudite assemblage, under the formidable guidance of Coach John Fish, will be an irresistible force in the league. With two more competitions left before semi-finals, hopes are high that this year they will make their mark as Hudson Valley champions.

HOMECOMING & SPIRIT WEEK

School spirit peaked during the last week of a beautiful October. There was school spirit in the air during a week which had Halloween, Spirit Week, a pep rally, and Homecoming. The costumed Halloween dance kicked off the week. The halls were filled with people dressed in new interpretations of the special, spirit-oriented, dress-differently days. When not looking at people dressed backwards, as nerds, in costumes, in hats, sunglasses, and ties, in uniforms, or in red and white, one could see the hall decorations put up by the various classes. The juniors won the hall decorating contest with a tribute to the dedication and success of the Raiders. Friday marked the first pep rally in years. The pep rally was energy charged and well organized; it raised school spirit for Homecoming Weekend.

The Homecoming dance was well attended. A traditional win by the senior girls in a football game with the junior girls culminated the exciting week. —By Peter Klose

HALLOWEEN

INTERNATIONAL CLUB

International club is a club for students interested in foreign languages and cultural events to broaden their horizons. Through the club, foreign exchange students of AFS and Rotary are welcomed and helped to make their adjustment to the United States and our school easier. The club plans activities with an international theme, such as dinners, seeing foreign movies, organizing programs for nursing homes, and fund-raisers.

A foreign language is not a prerequisite for being a member — only an interest in international understanding and lots of enthusiasm.

JOSÉ SEOANE AND MARIA LUZ SEOANE

José Ignacio Seoane and Maria Luz Seoane from Madrid, Spain were visitors in Red Hook for the month of September. Red Hook students had met them when the group went to Spain during the summer of 1983. Having José and Maria in our classes enriched our understanding of Spanish.

MR. LAWSON WELCOMES CRISTIANE

This year our Rotary Exchange Student is Cristiane Oliveira from Brazil. By having Cristiane with us, we have all learned a little more about Brazil and have felt the friendship of the Brazilians through her. We are glad to have had her with us and hope that her stay in America has been as enjoyable as our having had her.

Christmas at the North Pole

On Saturday, December 22, 1984, the Junior Class sponsored the annual Christmas Ball. For the third time in four years, it was held in the Mill Road School. Class president Steve Lawson and Mr. James Cauldwell and their helpers transformed the cafetorium into a charming Christmas cottage. Designed by Steve, the cottage was decorated with three large trees given by Peter and Nick Klose from their grandparents' farm. Mrs. Jeanette Sargent-Hill and her husband, Mr. Arthur Hill, served as the perfect hostess and host while Mr. Robert Haines, for the fourth year in succession, made a convincing and friendly Santa.

Ninety-four couples danced to the music of Harvest from 9:00 P.M. until 1:00 A.M. Miss Lenore Maroney took pictures of the happy couples, most of whom were dressed in formal attire, in an antique cutter loaned by Gretchen Gilbert.

Senior Tom Thompson summed the evening up beautifully when he said, "This is the best dance I've ever been to. We had dances in South Dakota, but we never had anything like this."

Miss New York Teen Shelley Lown requests her friend Santa Haines to make all her Christmas dreams come true as they are drawn in the old Gilbert cutter by Santa's faithful, red-nosed Reindeer Cauldwell.

What were those strange sounds you heard in September drifting from the Music Room during Sixth Period lunch in September, you ask? It was just the Band members getting the cobwebs out of the ol' horn after vacation, preparing for a new year in music and entertainment.

The 1984-85 Band, directed by Mr. Martin Tirsch, had led a very active year. Fundraisers included such annual activities as the magazine drive and Lasagna Dinner. Wanting to be different this year, new dimensions were added to the meaning of the work lasagna, as well as raising the mystery question of the year — "Where did the noodles *really* go?" Some of the money raised will go to this year's musical production, *Once Upon A Mattress*.

Other activities included concerts and Pep Rally Performances. Four of our members were selected to Area All State. They were Diane Riley, Debbie Riley, Phil Russo, and Hillary Brooks.

Pep Rallies showed how versatile Band members really are. All music for the performances was learned on less than a week's notice.

Stage Band got off to a slow start, but with new music and the enthusiasm of its members we began the business of working for the Spring concert.

Although this was a rebuilding year for some relatively young sections, the Band still had a successful winter concert and is looking forward to an equally successful performance in the spring.

They were Kim Jubar, Louis Tirsch, and Ricky and Deb Zinnanti. Deb was also one of a select few in the state to attend the All State Conference and display her vocal talents.

We've also had many fundraisers. Two of these were the second annual car wash and selling posters.

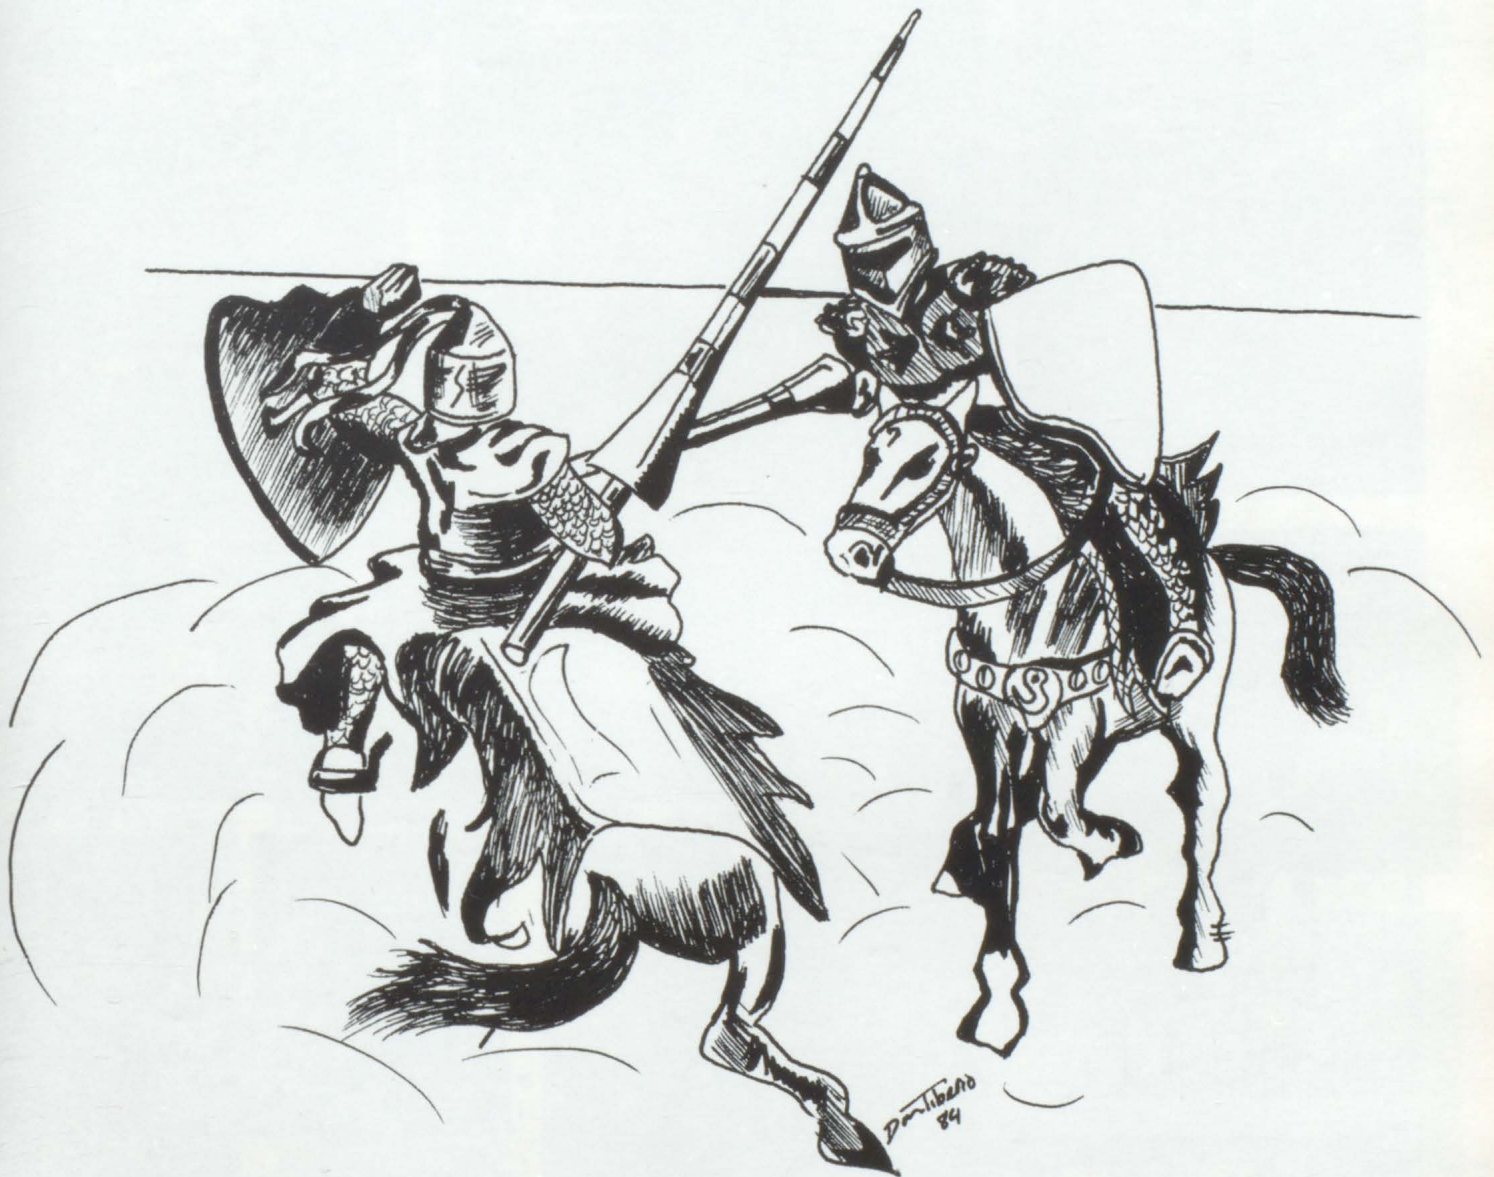

The Chorus would like to thank everyone who helped to make this year a successful one.

SOFTBALL

The Red Hook Raiders varsity softball team had an exciting, competitive season in 1984. Many of their opponents were tough, and the team ended the season with a respectable 13 & 6 record. They achieved second place in the M.H.A.L. and advanced in sectionals until their defeat against state ranked Port Jervis.

Everyone contributed to the team's success and behind the excellent coaching of Pat Bowman, maintained the "Raider Power" that seems to be apparent every season.

The Raiderettes look forward to a successful 1985 season behind super pitcher Jody Richardson, all league catcher Peggy Graham, and slugger Missy Coons.

The jayvee team had a respectable season behind Coach Tim Moul and players Deanna Cochran, Dawn Reynolds, and Kristen Fraleigh.

Spring fever is the annual problem faced by varsity baseball teams of Red Hook. The spring weather breeds a lack of dedication and seriousness for the athletes involved in the sport. This year was different; the returning seniors Geoff King, Rob Ward, Wolf Singleton, Anthony Albano, and final-year-player Johnny Coons were all very interested and helpful and contributed heavily to the Raider effort.

Backed up by a hard-hitting, good-fielding corps of juniors, the Raider team had an exciting yet disappointing season. Kevin "Stick" Fraleigh, Peter Klose, Fred Christensen, Mark "Scoob" Thayer, Alan Monarchi, Todd Grieb, Kevin "Akeem" Dorrian, and Tim Robinson all pulled together to help out an undermanned, underequipped team. There was always an enthusiastic junior ready to fill in any position.

Team effort was the key throughout the season. Almost everyone, pitcher or not, got an opportunity to pitch. Everyone got to experiment with unfamiliar positions. Some played the field while some played for par on the miniature dog-leg to the left in the dugout.

Whether practicing, batting, or stealing the other team's signs, everyone worked together. We pulled off a few upsets, lost a few tough ones, won by football scores (45-23), and played hard in the other games.

The 1984 Boys and Girls Track Season had a promising start with a third place finish for the girls and a fifth place finish for the boys in the James "Box" Relays at Rockland Community College. Little did we know that the problems were soon to come.

Between sickness, injury, car accidents, and ineligibility, the boys' season went from one of high hopes to adversity within a matter of weeks. However, through all these troubles, we managed to salvage a season and not do that poorly, either. League-wise, the Girls and Boys finished fourth and fifth overall. In the class sectionals, the girls and boys finished fifth and seventh, respectively. The boys managed to win the Patroon Invitational before the roof caved in, and, on that same day, the girls brought home a second place trophy at the Croton Relays. The boys even scored in the St. Anthony's Invitational on Long Island (thanks to John and Mike). Unfortunately, the girls did not score in the meet itself, but did, however, with the other teams and on their SAT's. We did end up finishing competitively in every large meet entered this year.

As in the past, Track always seems to suffer from weather problems, students losing interest, or SPRINGTIME. However, this year's group really hung together and turned in some fine performances, even in the face of tremendous "Hardships." The loss of Alex Figueroa, Neil Anderson, Chris Blatchley, Jeff Mosher, Pete Picard, Paul Spagnoli, Gary Oliver, Ed Greenfield, and even Capt. Bob Hoss, as well as Sue Fisher, Carolyn Hester, Molly Dewsnap, and Sheila Rogers will truly be felt, and they will be missed by everyone.

However, the future looks bright on the "Running" Horizon with the return of the "Big O," "Cruncher," the "Swede," the "Heg," "M & M," "Genghis," "Willie H.," "Disco Johnny," the "Circling Pole Vault," and, of course, "Mr. States" himself (M.R.), along with the "Mouse," "D.W.," "Miss Teen New York," the "Wretch," the "can," "Goddess I" . . . With the emergence of a new all-weather facility in the future, the coaches hope for an increased turnout to help make RHCS develop future state competitors. Also, the coaches would like to take this opportunity to thank all the team members for giving their best effort at all times during this past year, even in the face of PANIC. THANKS, GUYS AND GALS.

Yours in pain,
The Management

TENNIS

The girls' tennis team got off to a bad start this year with three forfeits due to the fact that we had no coach. Then, to everyone's elation, Scott Gardner stepped in as our coach, and our record started to improve.

Tracy Krawitt played 1st singles, Deirdre Fleck 2nd singles, and Heather Mitchell 3rd singles. The team of Debbie Bochdam and Jen Weiss and the team of Monique Bruno and Leslie Carr alternately played 1st and 2nd doubles. Lora Hofman and Eileen Buerkert came in as substitutes whenever someone couldn't play (which was quite often). Although we didn't come in first place, thanks to Coach Scott we had a good and very different tennis year!

Boys' Tennis: Front: Kevin Rifenburg, Duane Trow, Tom Henry, Steve Hitchcock. Back: Doug Leonard, Coach Fisher, Clark Henderson, Todd Richards, Chris Jurkowski, Pat Mickler, Tim Waston, Tim Farley.

The Red Hook Raiders boys' tennis team, having had a disappointing 1-8 season in 1983, finished with an impressive 6-5 record in 1984. With only one senior and no one with more than one year of experience, the chance of a winning campaign seemed slim. The season started off with non-league victories over Webutuck and Pine Plains. Then came the rains which hampered our efforts to practice. This led to some early losses at the hands of Saugerties, Onteora, and NYMA. The weather finally improved and so did the level of our play. The team finished with strong wins over Liberty, Fallsburgh, Coleman, Rondout, Marlboro and Highland. Congratulations go to the entire team composed of Chris Jurkowski, Matt Cirafice, Tom Henry, Steve Hitchcock, Todd Richards, Duane Trow, Pat Mickler, Clark Henderson, Mark Alguire, Tim Hoss, Tim Watson, Tim Farley, Kevin Rifenburg, Doug Leonard, and Sean Furey. Finally, many thanks go to Coach Fisher who guided us through our victorious campaign. We look forward to another winning season in 1985 and our ever-favorite team dinner at Fosters'.

The Red Hook Raider golf team in MHAL competition this year finished 2nd with an outstanding 21-3 record. This beats Red Hook's old record of 20 wins. Red Hook also accomplished something which hadn't been done in over 50 attempts previous to this year. They beat Saugerties! The team was pleasantly surprised to find two new golfers on the roster. Everyone knows them as "The Thomps-sons." The Thompsons along with returning players Mike Rodriguez, Neil McEleney, Louis Tirsch, and Matt Becker and newcomers Michael Schwed and Jeff Kruger helped to make this season extremely successful. Many thanks go to Coach Pete "Pita" McMahon. We hope next year is another successful one.

Exciting. That's what varsity football was in 1984, and to the players, it was a way of life. We ate, drank, and slept football. The period from August 20th to Nov. 17th holds some of the best memories of our stay here at Red Hook High.

Again, we were small, but we gained a reputation as the most intense team in the league. We hit hard and played tough. Although our 6-3-1 record fell short of a league championship, we are proud of what we accomplished and eagerly look toward next year.

We would like to thank Coaches Ascienzo, Rockefeller, and Fabbie for all their help in scouting and preparation for new opponents and all the fans who supported us, and we would like to give special thanks to Coaches Sheehan, Fay and Seidel who gave so much of themselves. You've taught us more than football and you'll always have our respect.

To the 1985 team, work hard to achieve the ultimate award, the MHAL title.

P.S. Thank-you, cheerleaders! — Christensen and Douglas

FIELD HOCKEY

The 1984 Raiderette field hockey team combatted a previously unachievable goal by grabbing both MHAL and Section Nine titles in one season. Last September, as the season began, not much was expected of the team other than a rebuilding year. The group was very young, consisting of ten underclassmen, later eleven with the addition of back-up goalie Sara Fisher and three seniors: captains, goalie Jeanie Rodriguez, center Jody Richardson, and halfback Minnie Durst. Surprisingly, one after another, the wins piled up. The Onteora "dream team" was crushed, the Rondout Ganders trampled, and eventually the Raiderettes were undefeated in the league. Unfortunately, their bubble burst in Intersectional competition as soon-to-be state champions, Rye Neck, downed the Raiderettes, 2-0.

It was truly a successful season for the Raider girls. The players' efforts truly were evident as Empire State member Diane Wright, a Red Hook secret weapon, and Sheryl Gardner, offensive threat as well as the Raiderettes' top scorer, were both MHAL first team picks. The team drive was even more obvious when five out of ten MHAL second team choices — Diane Riley, Joan Wright, outstanding goalie Jeanie Rodriguez, offensive leader Jody Richardson, and Minnie Durst were all Red Hook players.

It was the contributions of all the players, the intense team work, the *excellent* dedication, push, and coaching from Coach PB, and the love of hockey which made the R.H. 1984 hockey team such a powerful group. The team's goal for next year is the state title, even if they do have to wring the necks of Rye Neck to get there.

Under the guidance of assistant hockey coach Ms. Cindy Kahn, the JV players had an outstanding season. The group of girls came back from a mostly tie-and-lose season in the previous year to create a successful record of eight wins and only three losses. The quality of the team says a lot for the future varsity hockey teams to come, especially since these tough athletes have quite a few years left. Every player anxiously awaits the experience of a tough PB practice, because practice makes perfect—or at least it makes champions.

X-COUNTRY

It's 6:00 AM, Saturday. Outside the temperature wavers at the freezing point. Soon a bus comes, and the cramped ride to a remote mountainous wasteland begins. There, hundreds of nervous legs will motionlessly arrange themselves on a white line. A shot rings out, setting the throng of bodies into what will become total, masochistic exhaustion.

Such is the life of the Cross-Country runner. However, this year Red Hook's pain and efforts were not in vain. The team ran to an undefeated season and its first "double-barrel" victory in the MHAL, not to mention second place finishes for boys and girls in the section IX class C meet with the boys losing to O'Neill by a mere two points.

Red Hook proudly presented to the running world its talented stars: Maureen McCann (all league and state ranked) and Antoinetta Cincotta (all league); Robert Ward (league runner-up and state ranked) and John Oja (league champion with the course record and Red Hook's first state champion ever in any sport). In the end though, it was always the team's unbelievable depth that pulled it through. Just ask Marlboro and Onteora.

At Marlboro, led by juniors Anne "Ace" Sipperley, Teresa "Holy Corn" Garafano, and senior Captain Peggy "Dink" Graham, the Raiderettes broke the Duke Dolls winning streak at 48 wins.

Other offense weapons were seniors Stephanie Kilmer, Jacki Beidl, juniors Erika Klein, Lynn Hegstetter, Julia Jenkins, Alicia O'Farrell, Diane Fishman, and Sophomore Julie Hough.

The graduating seniors would like to wish the future volleyball teams the best of luck. Keep up the good work!

BOYS' BASKETBALL

Contenders are people, teams, or athletes who work hard and are dedicated from the first practice to the last game of the season. They want to be number one, the top of the heap, the model of the league, and league champions. This year the Raider basketball team was back on the contender map to stay. Like a good wine, the Raiders matured and became a respected force in the M.H.A.L.

Becoming contenders was a long, uphill struggle. One could see disciples of Coach Rod Chando attending the "House of Rod" throughout the spring, summer, and fall. Hours of playing experience, hard work, a dominating and quick center (Erin Griffin), and teamwork have all contributed to the fine year of much excitement and success.

Senior Co-Captains Erin Griffin and Jim O'Dell provided potent rebounding, scoring, defense, and leadership. These two fine athletes always were quick to encourage and energize the team. Juniors Mike Rogers and Jim Zimmerman made up the backcourt of the Raider attack. Mike always seemed to hit the clutch hoop, make the clutch play, and worked hard. Jimmy Z. was "Charlie Hustle;" he made the steals, passes, and hard-nosed plays that kept the scorers happy.

Kevin Fraleigh, Ernie Schneider, and Brian Kelly started at various times throughout the year and contributed their specialities — defense, sharp-shooting, or rebounding. Peter Klose was the fabled "sixth man" for the Raiders. He came off the bench throughout the season and donated passing, rebounding, and hustle. Fred Christensen, known for this smart and controlled play, helped Jimmy Z. with the point during the season. Senior Alan Monarchi and juniors Mark Rockhill and Billy "Scraper" Murray were always hustling, driving to the hoop, and playing good defense. They were very dedicated to the team and gave the first group problems in practice.

The year was characterized by great defense, hustle, excitement, success, teamwork, and dedication by everyone involved.

The J.V. team gave an indication of future years as this tall and talented team was nearly undefeated. Nicky Klose, Ron Unson, J. D. Brooks, Chris Moore, and Price Mason had a very successful season. Mike Jos, Jeff Kruger, Tom Conley and the starting five will be among the talent moving to varsity next season. These are the future stars for the Red Hook dynasty.

WRESTLING

Wrestling doesn't get the spectator support as basketball and football do. It is, however, very demanding and is one of the toughest sports on the individual. It demands hard work and dedication.

The Red Hook and Rhinebeck schools again joined together, with the assistance of Mr. Seidel, to keep alive the wrestling program during the 1984 — '85 season.

Although this team isn't in first place in its league, the members have lots of pride and ambition. Just about every day (even on school holidays) you will find this team "sweating it out" and working to improve, across the field in the junior high gym.

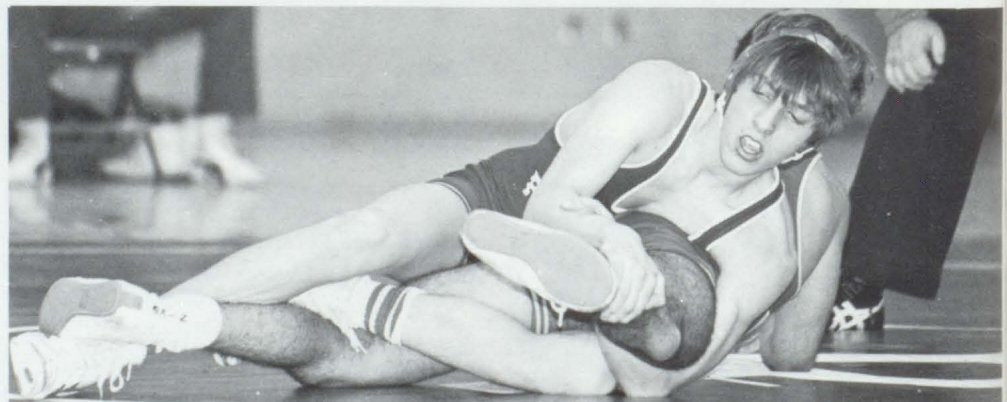

Coach Karl Knapp and assistant coach Mike Lee did a fine job bringing this team together.

The team, which is led by captain and co-captain, Tim Cordier and Jason Daria, shows its pride through such outstanding wrestlers as Joe Morgan. With only two wrestlers graduating this year, the Red Hook — Rhinebeck team is very young. With most guys returning, you'll be seeing and hearing a lot more about them in the future.

Alma Mater

Alma Mater, Red Hook Central,
We are singing now to thee;
May thy fair name dwell forever
In our fondest memory.

And when high school days are over,
And we leave this school so dear,
We will love thee yet,
We'll ne'er forget
The best school far or near.

Hail, Alma Mater,
We cheer with all our might;
We will sing thy praise
Through endless days,
To the Scarlet and the White.

*This day has ended. It is closing upon us even as
the waterlily upon its own Tomorrow. What was
given us here we Shall keep.*

— Kahlil Gibran
