WE DED

This year, the Class of 1965 dedicates its yearbook to you, MR. ROBERT BARRETT, as a token of its appreciation for the many things you have done for us and the esteem we have for you. No other class could

have had such a great advisor and friend throughout their high school years. We say, simply, thank you. We know we shall never forget you.

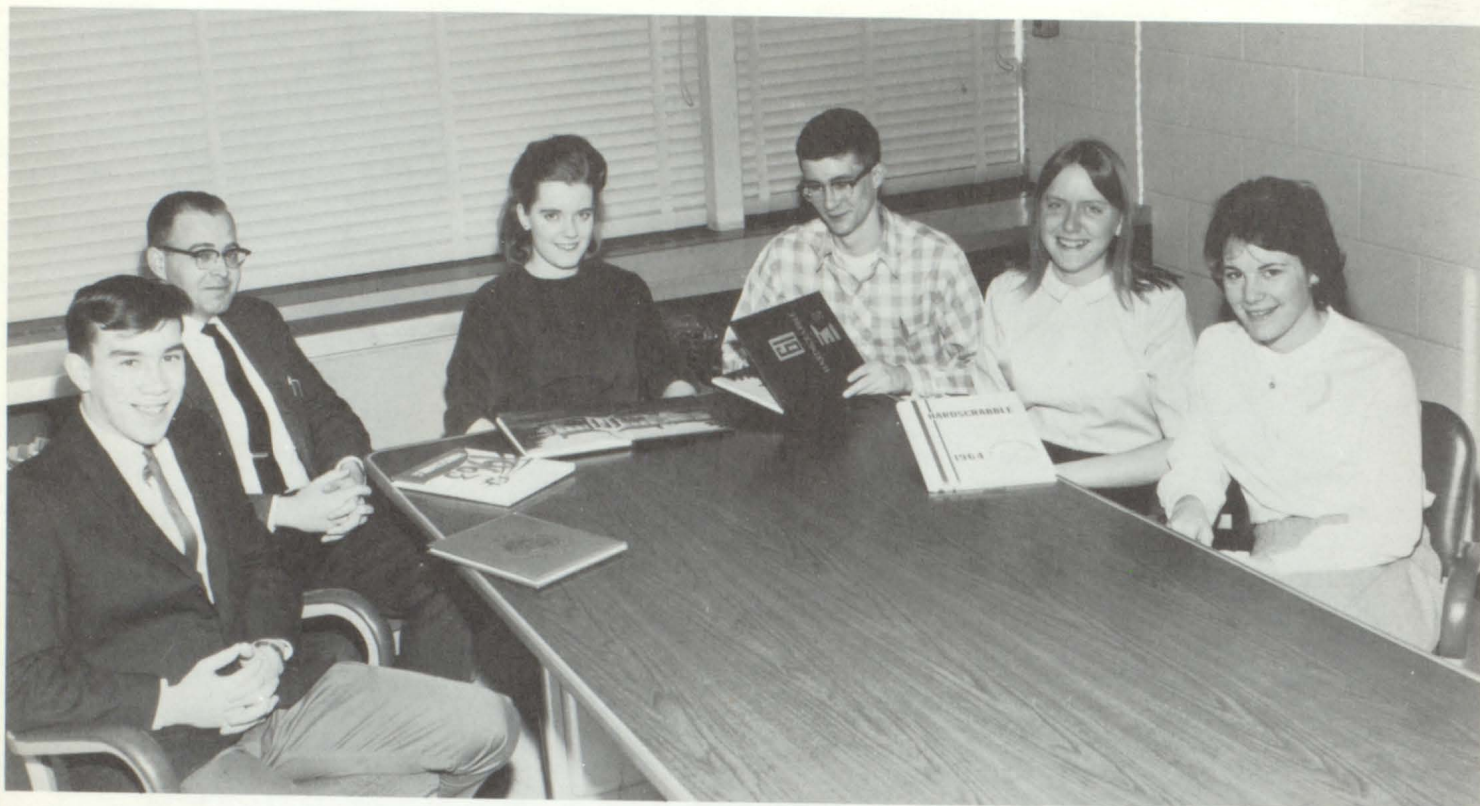

And to you, MR. DONALD GREEN, the Class of 1965 dedicates its *Hardscrabble*. You have guided us toward our goals, and you have helped us grow from insignificant seventh-graders to the Seniors we now are. We extend our gratitude to you, also, and hope you will accept our best wishes.

The Class of 1965

Hardscrabble Editors

Wayne Bayer, Business and Circulation Manager; Mr. Barrett, Advisor; Barbara Battenfeld, Editor-in-Chief; Mike Fisher, Assistant Editor; Joan Peterson, Photography Editor; Mary Losee, Art Editor.

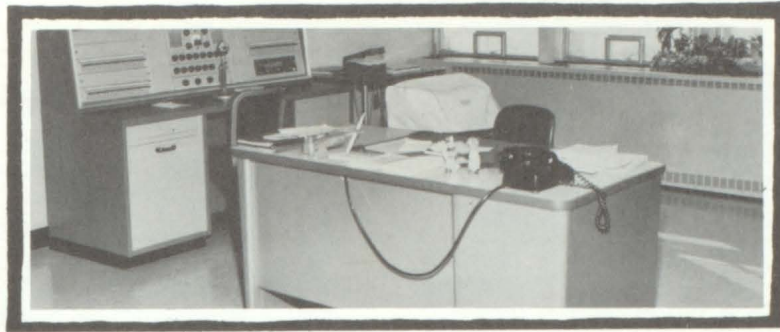

This year was basically the same as any high school year: we studied, had fun, experienced sad moments of trial and error. There were games and dances; voices were hoarse from pep rally rooting and cheering. There were brief moments of glory for some of us in sporting, musical, and dramatic productions. All shared the hopeless reality of preparing for examinations and deadlines, getting report cards, rushing to the cafeteria at noontime. These impressions are only a few of the many that were packed into this active year.

Underclassmen who return to RHCS in the fall will continue to maintain the high standards of the school and strive for improvement. Graduates will go their separate ways using the knowledge they have gained here to attain their goals.

The yearbook staff wishes to thank the members of the administration, faculty, and student body who have cooperated with them in order that every possible chance for *Hardscrabble* could be realized. If not for this assistance, there would be no *Hardscrabble*.

It is not today that we will appreciate *Hardscrabble*. Tomorrow, when it is not so easy to think back on 1965, we will treasure the memories this book has stored for us.

Principal's Message

Too often graduation from high school is the end of your contact with the teachers and administrative staff of the school.

Our school program has been designed to challenge your academic potential and to provide you with the knowledge and background information so necessary to insure success for your future endeavors. We hope that our program has met the challenge.

We can improve our program, only if you can let us know where our strengths and weaknesses lie. May this message convey our best wishes and serve as a reminder that we would enjoy hearing from you.
