

CHURCH OF ST. CHRISTOPHER
7411 South Broadway
Red Hook, NY 12571

You are strangers and aliens no longer. No, you are fellow citizens of the saints and members of the household of God. You form a building which rises on the foundation of the apostles and prophets with Christ Jesus himself as the capstone. Through him the whole structure is fitted together and takes shape as a holy temple in the Lord; in him you are being built into this temple, to become a dwelling place for God in the Spirit.

Eph 2, 19-22

This pictorial directory reminds us over again of the reality of the Church - the Mystical Body of Christ - living stones in the great edifice.

When we speak of St. Christopher's, we speak of a unity of all the individual personalities. The unity is formed by baptism which unites us all to Christ and so unites us in our mission - to bring about the Kingdom of God - and have His will done on earth as it is in Heaven.

Who is the most important in this book? Wouldn't we love to know - but we never will in this life. God created us all with a special purpose and different gifts. We all have to become as little children - humbly in the service of others with our own particular gift. Whoever serves the best is the greatest.

This directory give us the opportunity to see again the many faces that go to make up this parish of St. Christopher's and perhaps to gain a new appreciation for each one. We are grateful for all of them and for all that they do both by prayer and good works.

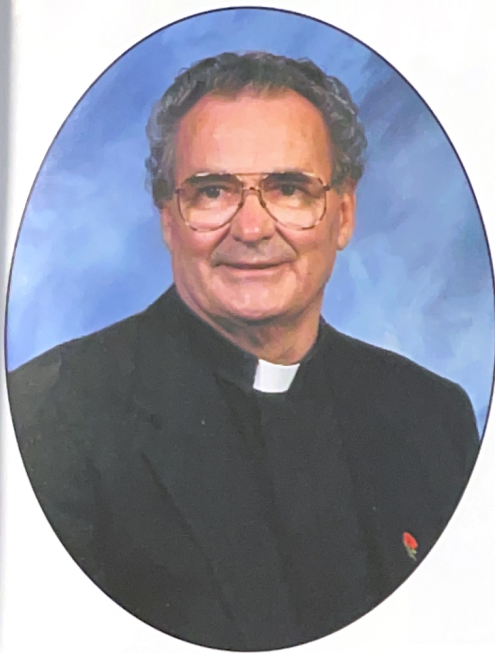

Fifty years from now people will look at this directory and be reminded of people and places and events that had slipped through their memory - picnics, bingos, breakfasts, friends, teachers, classmates. Most of us will have gone to our reward but because of each other's help and prayers in this life we will find our reward in Heaven.

We are part of a great parish and it is a privilege for Fr. Peter Kulandai and myself to serve as priests with such lovely people. It's a special joy to have the honor of serving in this Jubilee Year of 2000, as we celebrate the 125th & 75th anniversaries of our parish and church.
