REV. WILLIAM E. O'GORMAN

REV. PATRICK J. MARKEY
Assistant to Msgr. James F. Kane

recognition for all the time and effort put forth into training the young boys and girls for the numerous processions associated with the celebrations of Holy Thursday, Easter Sunday, Christmas, Confirmation and Holy Communion. A great deal of patience and guidance on her part went into successfully coordinating these activities. Her devotion played an integral part in the success of the parish. The parishioners of St. Sylvia's are indebted to her for all her sincere efforts.

We wish to extend a special recognition to Father Patrick J. Markey for all the sincere efforts he has put forth in assisting the parish in recent years.

We would like to extend our gratitude and appreciation to all the ushers and altar boys who have served the Church faithfully throughout the years.

All the people who have donated their time over the years to singing in the Church choir or playing the organ.

All the ladies of the parish who have maintained the Church for these many years.

All our advertisers, whose congratulatory messages helped defray the expense of this journal.

All our donors, benefactors, and friends whose generosity made this journal a reality.

Finally, we wish to thank all our parishioners and benefactors who have been so much a part of St. Sylvia's for the past seventy-five years.

**Proper
nutrition
means a
healthier
cat...**

Science Diet cat foods are made for your cat's health. They are specially balanced to deliver proper nutrition. And, they aid in preventing urinary disorders.

Proven by professional breeders to be the food of champions, these rations contain precisely formulated diets that take the guesswork out of cat nutrition. Each is consistently high in quality...using the most digestible and nutritional ingredients.

This is why Science Diet Feline differs from commercial cat foods. Choose any of the Science Diet Feline rations—Dry, Soft-Moist or Canned. You can be assured each will contribute to the health of your cat.
