FOREWORD

The Census of 1810 has been published in the publication of the Dutchess County Genealogical Society, THE DUTCHESS, separated by towns in individual volumes. To make this Census more useable and more available to researchers, the Census has been indexed and combined into a single document.

The Census has been prepared by members of the Society reading a microfilm copy of the Census at the Library of the Society. Financial Assistance was provided by the International Business Machines Corporation Fund for Community Service Program.

The Society is especially grateful to Dolores Chappell, Editor of THE DUTCHESS, who not only directed the preparation of this material but also donated many hours of her time in reading microfilm, typing, and indexing the Census.
