THE CLASS OF 1969

RED HOOK CENTRAL SCHOOL — RED HOOK, NEW YORK

CLASS OF 1969

Our class has had the privilege of working with a very sincere and dedicated woman. We would now like to dedicate our yearbook to this person for her genuine and wholehearted participation in every project and campaign we have ever undertaken. Her warmth, her exuberance, her involvement has set a fine example for all of our future endeavors. So to you, MRS. ETHEL WILKIN, we would like to express our gratitude for all your contributions in making our class projects a success, but mostly for being the person you are.

DEDICATION

There is another person to whom we wish to dedicate our yearbook, MRS. FRANCES THOMSON. She has given unselfishly of her time and effort to help us attain our goals during the past four years. Because of her, those four years have been much more rewarding and meaningful. We know that we will continue to benefit from her help and guidance, and hope that many future classes will also be able to do so. The words "Thank you" cannot possibly express all the gratitude and great esteem we have for her.

ADMINISTRATION

DISTRICT PRINCIPAL'S MESSAGE

Congratulations to the Class of 1969!! The members of our staff are proud of your many fine accomplishments during your years at Red Hook Central.

We hope that we have been able to help prepare you for the role you will play in our very complex society.

Your interest and active participation in the economic, governmental and educational systems of our nation is of prime concern and importance.

A successful democratic form of government requires responsible, intelligent participation at every level by all citizens. It is your responsibility to think carefully, review all facts and then actively participate in the democratic process.

Russell J. Keefe
District Principal

SECONDARY PRINCIPAL'S MESSAGE

As you entered kindergarten, the prospect of your high school graduation seemed a long way off; a goal which you could barely comprehend. The years pass quickly, and you are about to finish the task you commenced thirteen years ago. All of you are about to commence a new and different task; one that will be as difficult as the one you are completing.

You are an integral part of an era of rapid change; change in all facets of life. All of you I'm sure are very interested in helping to change the things that you consider useless, archaic and part of what you call "the establishment." All of you will be involved in change to some degree even if you take a passive attitude toward it.

You will find many people who will be more than willing to help you change things. They will supply you with ideas, organization and will be more than willing to do your thinking for you.

If in addition to wishing you great success in every task you undertake, I could give you one thing, I would give you the wisdom which would make it possible for you to make wise choices from the many alternatives that will be offered for your consideration in your adult life. I hope that the things you have learned in the last thirteen years will be of help to you. "Thinking for yourself" will be the key. Your future and the future of the United States depends on this.

· DONALD MERGENTHALER

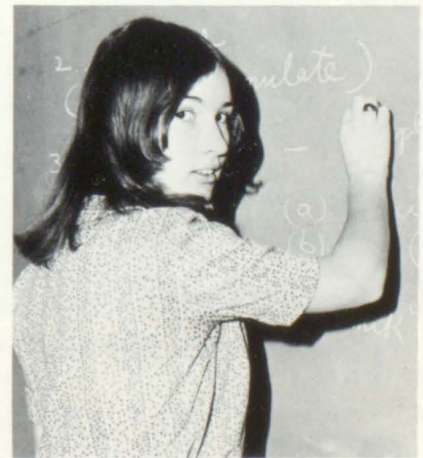

Hi,

It is rather strange to write something to you now, while I am still here, that you will read when I'm about to return to the Netherlands or at least to leave Red Hook. Maybe then I can say goodbye to you with words like: "I'll never forget you," and "It has been such a great experience," but now I cannot because I'm still having a great time with you and it sounds even funny at the moment. It is not supposed to be funny though, because I will always remember Red Hook Central.

I want to thank you all for having given me the opportunity to come here (those that have made it possible) and for the way that you have let me feel as one of you rather than the A.F.S. student from Holland.

It will be so hard to leave in the beginning of July, but the chance that I will come back some day to see you is great. Remember also that my house in Holland is always open for any of you who will come to my country.

Veel Liefs,
Renee

We, the members of the class of 1969, County of Dutchess, in the state of innocence, being of sound mind and body, do make, publish, and declare this to be our last will and testament in the manner following, that is to say:

- I. We hereby request that all our just debts be paid by the class of 1970.
- II. We, the class of 1969, do hereby leave all our faults to the class of 1970 and take all our attributes with us.
- III. In addition, we make the following personal bequests:

MRS. NANCY GUSKI

We, the girls of Red Hook Central School, would like to make a special dedication to you, MRS. NANCY GUSKI. Through the years, you have instilled in us the value of good sportsmanship and teamwork. You have helped to create not only healthy bodies, but also healthy minds and attitudes. You have been more than a teacher to us; you have been a friend. The happy memories will remain in our hearts long after we have left Red Hook Central. We thank you again, Mrs. Guski, and wish you happiness and good luck forever.

COACH ORTHMANN

COACH LAWSON

Sometimes the work of the Physical Education Department is not fully understood. We the Class of '69 wish to rectify this lack of understanding. We therefore make a special dedication of this yearbook to Mr. Peter Lawson for his fine service in this field of education, and to Mr. Victor Orthmann who, like the '69ers, will leave behind in Red Hook a wealth of memories. We thank both these men for their many past successes, and hope that they will enjoy many more. Often they have complimented us with a certain small yet very meaningful expression. The time has come now to return the compliment. Good job!

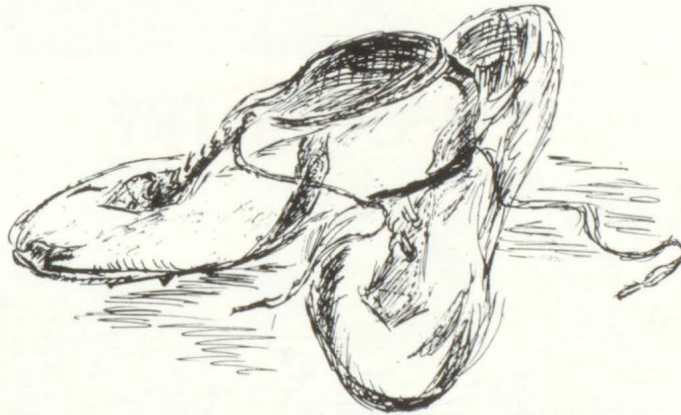

L. to R., Row 1: R. Malloy, M. Pulver, M. Richardson, C. Martin, J. Ross, E. Mead, P. Mueller, R. Cort, R. Becker, D. Griffin. Row 2: H. Mathews, D. Germain, J. Townsend, C. Melley, A. Roberts, E. Gardner, M. Ellis, J. Cioffi. Row 3: J. Sargent, G. Zitz, T. Roberts, G. Fister, D. Bickerton, R. Demson, T. Mabie, W. Mitchell, F. Jornov. Row 4: D. Rockefeller.

Football is a great body-building sport that teaches teamwork. Anyone who has ever played in this sport knows, because it takes sweat, guts and tears. As a team we gave it all we had and never let up. Our co-captains, Ed Mead and Paul Mueller, did an outstanding job in leading the team. Special gratitude goes to Coach Orthmann and Coach Hildreth for instilling in us the spirit to win. They taught us how to function as a team, and to continue when all seemed lost. We consider it a privilege to have played under such fine instruction.
