WAR IS A SCANDAL

DISTRICT PRINCIPAL'S MESSAGE

The adjustment an individual makes to a rapidly changing society is never easy or predictable.

The educational program to which an individual is exposed represents a major environmental factor that helps one to prepare himself mentally and physically to intelligently affect and cope with change.

Decision making must be based on the ability to observe, gather facts, and to organize ideas. We hope that the educational program provided at Red Hook Central has helped all of our students.

The Board of Education and the entire staff wish the members of the Class of 1973 success in all future endeavors.

Russell J. Keefe

MR. KEEFE —
DISTRICT PRINCIPAL

SECONDARY PRINCIPAL

As you approach the first of many great changes in your life and look back I'm sure you'll agree that your years in high school have passed quickly. I'm sure also that as you reflect on these years you will wish that you had done some things differently.

At this point you also realize that you cannot go back and do things over. You must go on and make wise choices and decisions so that there will be a minimum of regrets and a maximum number of happy experiences.

Since time goes by so quickly you will never be able to reach all of the goals you set for yourself. You must live each day to the fullest so that you can contribute as much to society as is possible in the time that you have allotted to you.

We wish you many successes. We have done our best to provide you with the education necessary for you to make the best use of your talents. The future is yours.

John Donne

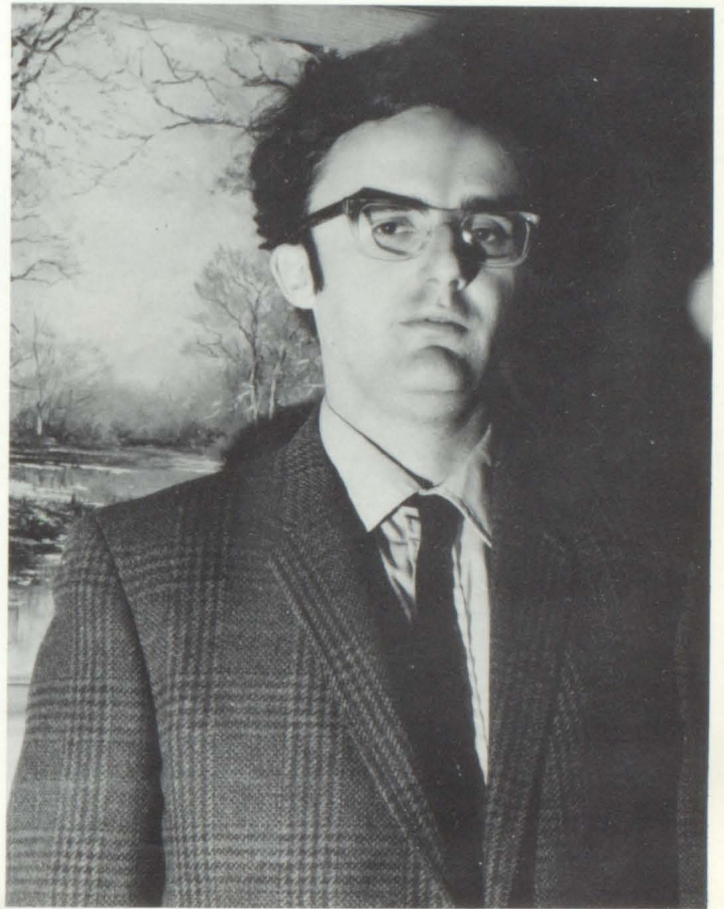

We, the Class of 1973, consider it a
great privilege to dedicate this book to
you, Mrs. Denise Gardner, and to you,
Mr. Herbert Elsemore.

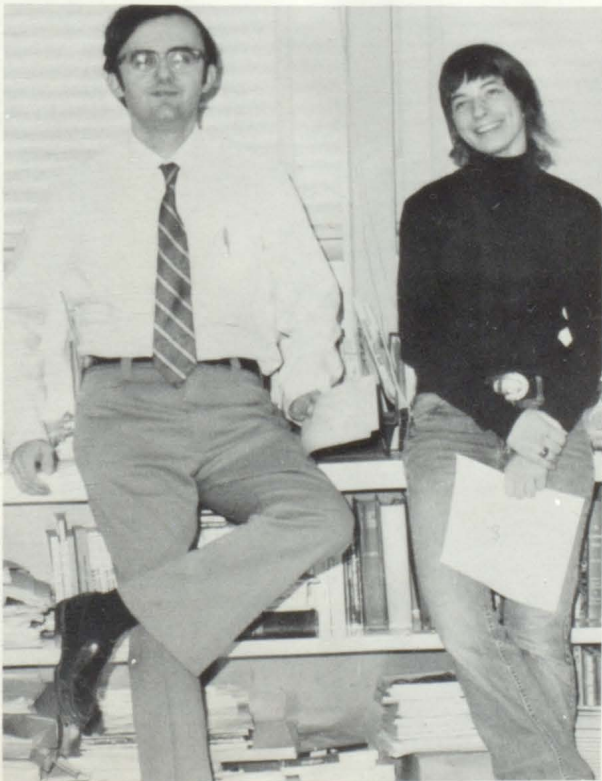

In our short high school career, you were an inspiration to us in many ways. Through difficult times you urged us on, and when at times we were less than unified, you prodded us to success. We will always appreciate your sincere dedication to us, and we will always remain inspired by your example.

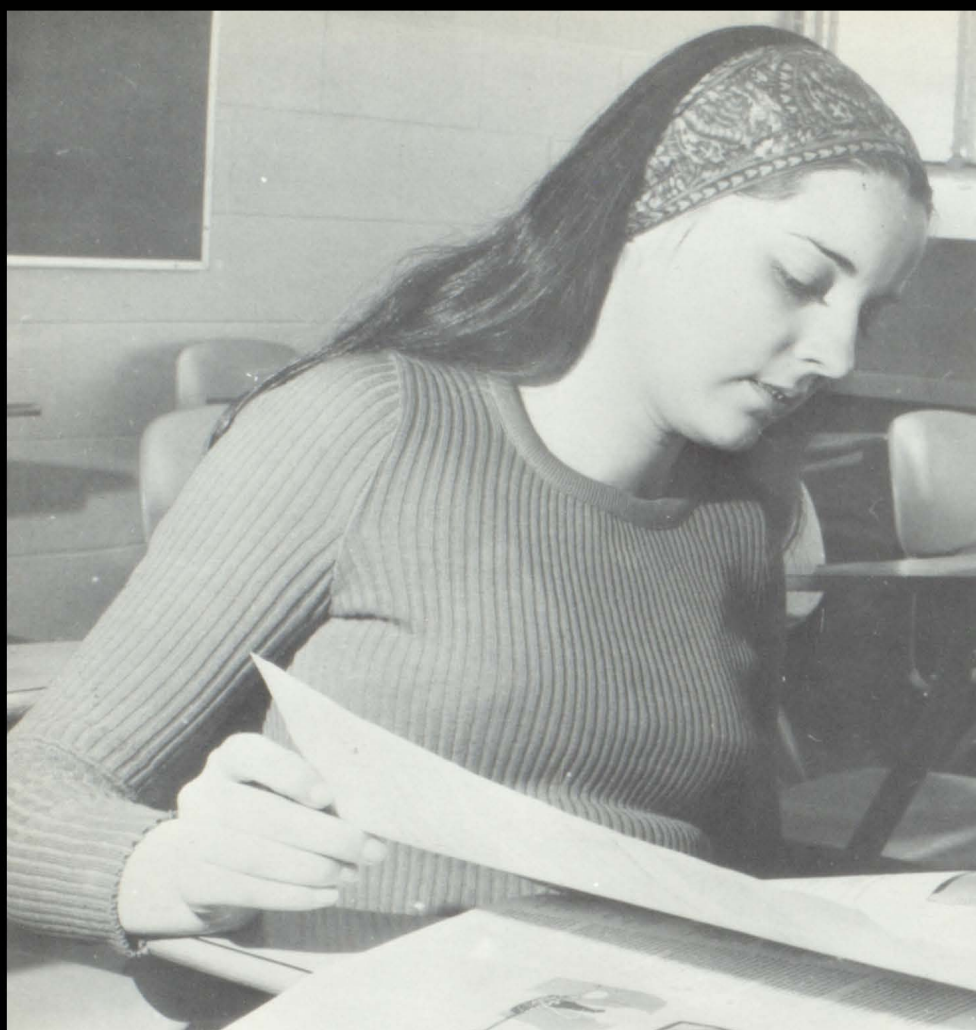

With Fondest Memories,

Class of 1973

MR. HERBERT ELSEMORE

A.F.S.

I would like to thank you, all the Faculty members and the Kids who have been great to me. I had such a wonderful time because all of you have contributed so much! The end of my experience is coming, and I really feel sad. A final wish to this unbelievable experience is that I may see you all in the future. I hope that you will remember that I live in Grenoble and I will be happy to show you my country.

Au revoir!

Marie-Therese

"Turn around and you're tiny,
 Turn around now you're grown.
 Turn around and you're young ones,
 Going out on your own."

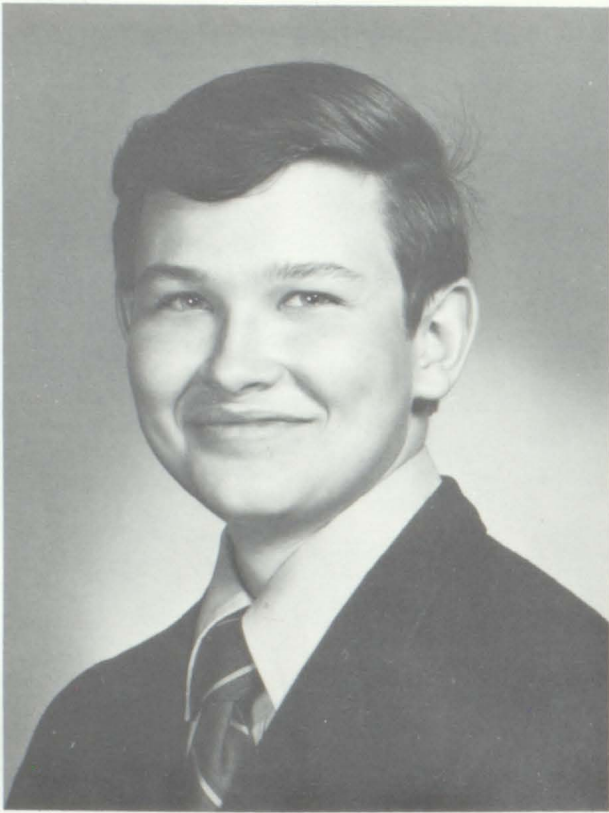

THE DAY

The day was a year at first
When children ran in the garden;
The day shrank to a month
When the boys played ball.

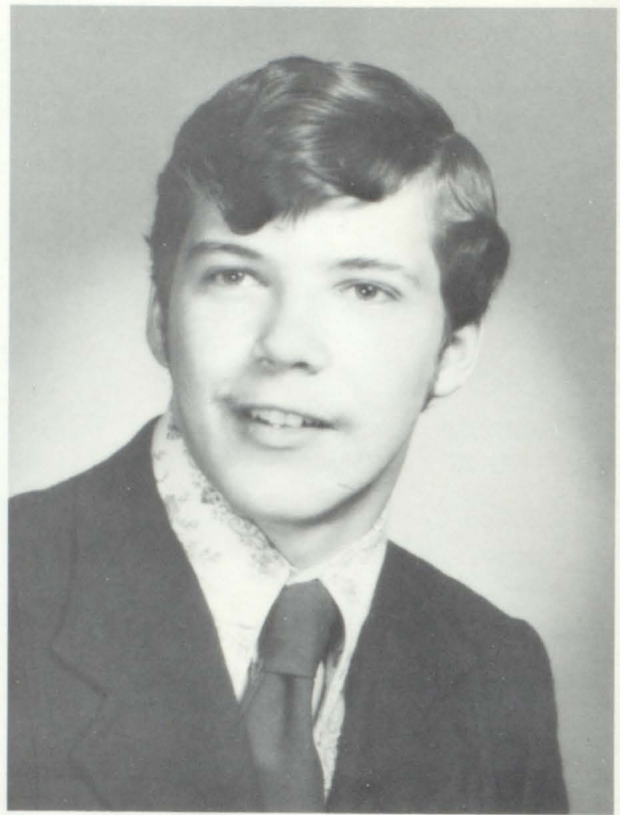

The day was a week thereafter
When young men walked in the garden;
The day was itself a day
When love grew tall.

The day shrank down to an hour
When old men limped in the garden;
The day will last forever
When it is nothing at all.

ASSISTANT PRINCIPAL

MR. FRIANT

Congratulations to the graduates of the class of 1973 -

Your school experiences over the past twelve years will, to a large extent, influence decisions you make in the future.

It is my hope that we have improved on your ability to make the kinds of decisions and choices which will be most satisfying to you and those affected by them.

It has been very satisfying working with your class and I wish you well in the future.

LAST WILL AND TESTAMENT

We, the members of the Class of 1973, being of sound mind, body, and memory, in the state of total innocence, do make, publish and declare this to be our last will and testament, in the following manner — that is to say

I. We bequeath to all the underclassmen our fantastic athletic ability, high scholastic standards, our outgoing, friendly personality and our love of fun and excitement.

II. In addition, we make the following requests:

CINDY PACK leaves K. K. her booze cabinet, Steve Maher, "Spot", and A. Bristol a peanut butter sandwich.

LORI PALUMBO leaves Vince B. a ball and chain and happiness in future years, Brent Pine memories of all the parties and hopes that Mr. Fabbie finds another "good Math student."

GARY O'CONNOR leaves Annie J. a mole to go along with the other one, Don S. a recording of the Hot Tunes for the Football Locker Room sung by the Locker Room Quartet and all his ski equipment and lift tickets to Dave Lanco.

IN MEMORY OF OUR FRIEND

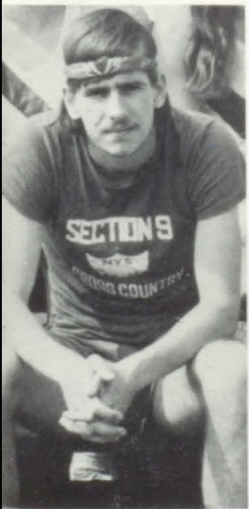

Wayne Rice

July 22, 1953 - Sept. 2, 1972

We never stop to wonder
till a person's gone
We never yearn to know him
till he's traveled on
When someone is around us
We never stop to ask
Hey, what's behind your mirror
Who's behind your mask
We never stop to wonder
till a person's gone
We never yearn to know him
till he's packed and traveled on -

We wish to thank the faculty, administration, student body and all those who have made this yearbook possible.

Many thanks and best wishes . . .
