Mr L. L. Meade

Greenwich Conn Dear friend.

Royall and wife came over for Thanksgiving and we had a fine time. They spoke about you looking for a fruit farm. and as I am trying to sell some Real Estate in addition to my insurance. they advised me to send you a description of some of the farms I have on my list for sale. The inclined E. Price offers to me as being just the place for a young man to start ^{settling off}. The old man told me last night they had just finished the last of 1500. Bbls. Of course you understand that I get no pay for my work in a sale unless I am the means of bringing seller and buyer together. I have three others I can show you if you are interested.

Hoping to hear from you

I am your truly G. Willard Platt
