We, the undersigned, do severally depose & swear that we have set down in the foregoing assessment roll, all the real estate situated in the Village of Red Hook; according to our best information & that, with the exception of those cases, in which the value of the said real estate has been changed by reason of proof produced before us, we have estimated the value of the said real estate at the sums which a majority of the assessors have decided to be the full & true value thereof, & at which they would appraise the same in payment of a just debt due from a solvent debtor; & also that the said assessment roll contains a true statement of the aggregate amount of the taxable personal estate of each & every person named in such rolls, over & above the amount of debts due from such persons respectively, & excluding such stocks as are otherwise taxable, & such other property as is exempt by law from taxation, at the full & true value thereof, according to our best judgment & belief.
