Mr. G. Gordon Mead
Melrose, Ct.

Dear Mr. Mead

Thank you for the letter to day to Mrs Leach.
Yes. our visit to the Boice Farm was very timely.
That was a tremendous snow storm, so deep that
our teams could not break a track through
to the young trees - even where not drifted.
We had to go out - the best way we could -
four of us - and dig many of the young Jonathans
free - to prevent their heaving down when the
snow settled. There are many cases of reported
of roofs falling in with the enormous weight -

I have not heard anything more from
Mr. Boice. I think it is a good thing ^{which} to build up
a fine orchard.

I sent to Mr Chas Miller, Jersey City a half bushel
of best McIntosh, Wealthy & Jonathan apples. Have I understood
rightly. must I send bill to Mr M.?
Yours Very Truly W S Teator
