CONTAIN WATERING UTENSIL

☐

### INSTRUCTIONS

This form must be prepared at forwarding agency and accompany all L. C. L. live shipments, including goldfish. (Exception Baby Chicks—Tropical Fish.) Attention requested by shipper regarding feeding, watering, change of water, resting, milking, or other special attention required, must be entered in space provided above. If shipper makes no request, the word "None" must be entered in the space.

The form must be enclosed in Envelope Form 6043 which must be attached to shipment with wire or string.

Messengers and employees at transfer points and at destination must enter in space provided on back, record of their handling of shipment, including particulars regarding special attention given.

This form, also Envelope Form 6043, must be detached from shipment before it is offered for delivery to consignee. If consignee enters any complaint at time of delivery, destination Agent must record full particulars on back hereof.

If an L. C. L. live shipment is not accompanied by this form, employee or Messenger must prepare substitute form, show in spaces provided on back attention given shipment, and enclose the form in Envelope Form 6043, which must be attached to shipment.

For further information regarding disposition of this form, see instructions on Envelope Form 6043.

# RECORD OF   GIVEN LIVE SHIPMENT

Each office and each messenger must indicate in spaces below the attention given and condition of shipment. If no attention required, so state
