hereinafter referred to as the licensee is, unless otherwise restricted, conditioned, or limited below, hereby licensed to purchase milk or cream from other licensed milk dealers, exclusive of cooperative associations. In case the licensee has filed a surety bond or has been relieved from so doing by the undersigned Commissioner, the licensee is, unless otherwise restricted, conditioned, or limited below, hereby licensed to purchase milk or cream from producers at the plant or plants named in the licensee's application only, and from cooperative associations licensed pursuant to Article 21 of the Agriculture and Markets Law. The licensee is, unless otherwise restricted, conditioned, or limited below, licensed to deal in, handle, distribute, or sell, in accordance with the intent indicated in the licensee's application, milk or cream, or both, in the market or markets specifically named therein, and in no other market or markets, and then only on the route or number of routes of the character (wholesale or retail) indicated therein. Licensee may also sell milk to State and Federal Institutions, if successful bidder. No milk or cream shall be purchased from or sold to a dealer required to be licensed unless such dealer be duly licensed.

This license is valid until March 31, 1961, unless sooner revoked.

Dated at Albany, N. Y., April 1, 1960\$ 25.00 fee paid for license.

THIS LICENSE CANNOT BE SOLD OR TRANSFERRED
