

WOMAN'S V-NECK CARDIGAN (Coat Sweater)

Equipment Needed:

Yarn—4/8, about 1 to 1½ pounds of any color not too bright.

Needles—two needles to fit the Red Cross Needle Gauge marked for heavy sweaters. Needles one size smaller may be used to advantage for ribbing. Gauges available from Area Offices.

Buttons—6.

Scale:

5 stitches to the inch, 6 rows to the inch. Make a sample to find out how many stitches are required for you to knit an inch. If your scale is not that given here, try a smaller or larger needle until you obtain this scale. If you have to use a different size needle from that called for above, it will not in any way alter the garment provided you knit 5 stitches to the inch and 6 rows to the inch.

General Instructions:

Always join new yarn at end of row. Never knot or splice yarn in middle of row.

These knitting directions are given as a guide. Other simple sweater instructions may be used so long as the garment is the proper size and of correct proportions. These instructions may be varied by using four needles for making the cuffs, and other changes desired by the individual knitter, so long as the finished garment is accurate.

Measurements:

Small—Bust 32-34 inches, Length down center back, 22½ inches, Sleeve Length, 19 inches.

Medium—Bust 36-38 inches, Length down center back, 23½ inches, Sleeve Length, 20 inches.

Large—Bust 40-42 inches, Length down center back, 24½ inches, Sleeve Length, 21 inches.
