A.F.S. EXCHANGE STUDENT

— TURKEY —

"Only one hope my heart can cheer —
the hope to meet again."

Geo Linley — "Song"

I do not want to say good-bye now, because I am still here and I am having a great time. I will always remember Red Hook Central School, my friends, teachers, family and the town.

Red Hook is my second home. One day if you want to come to Turkey; remember that there is a house which is open to all of you in my home city — Bursa.

Ibtihal
Alyanak

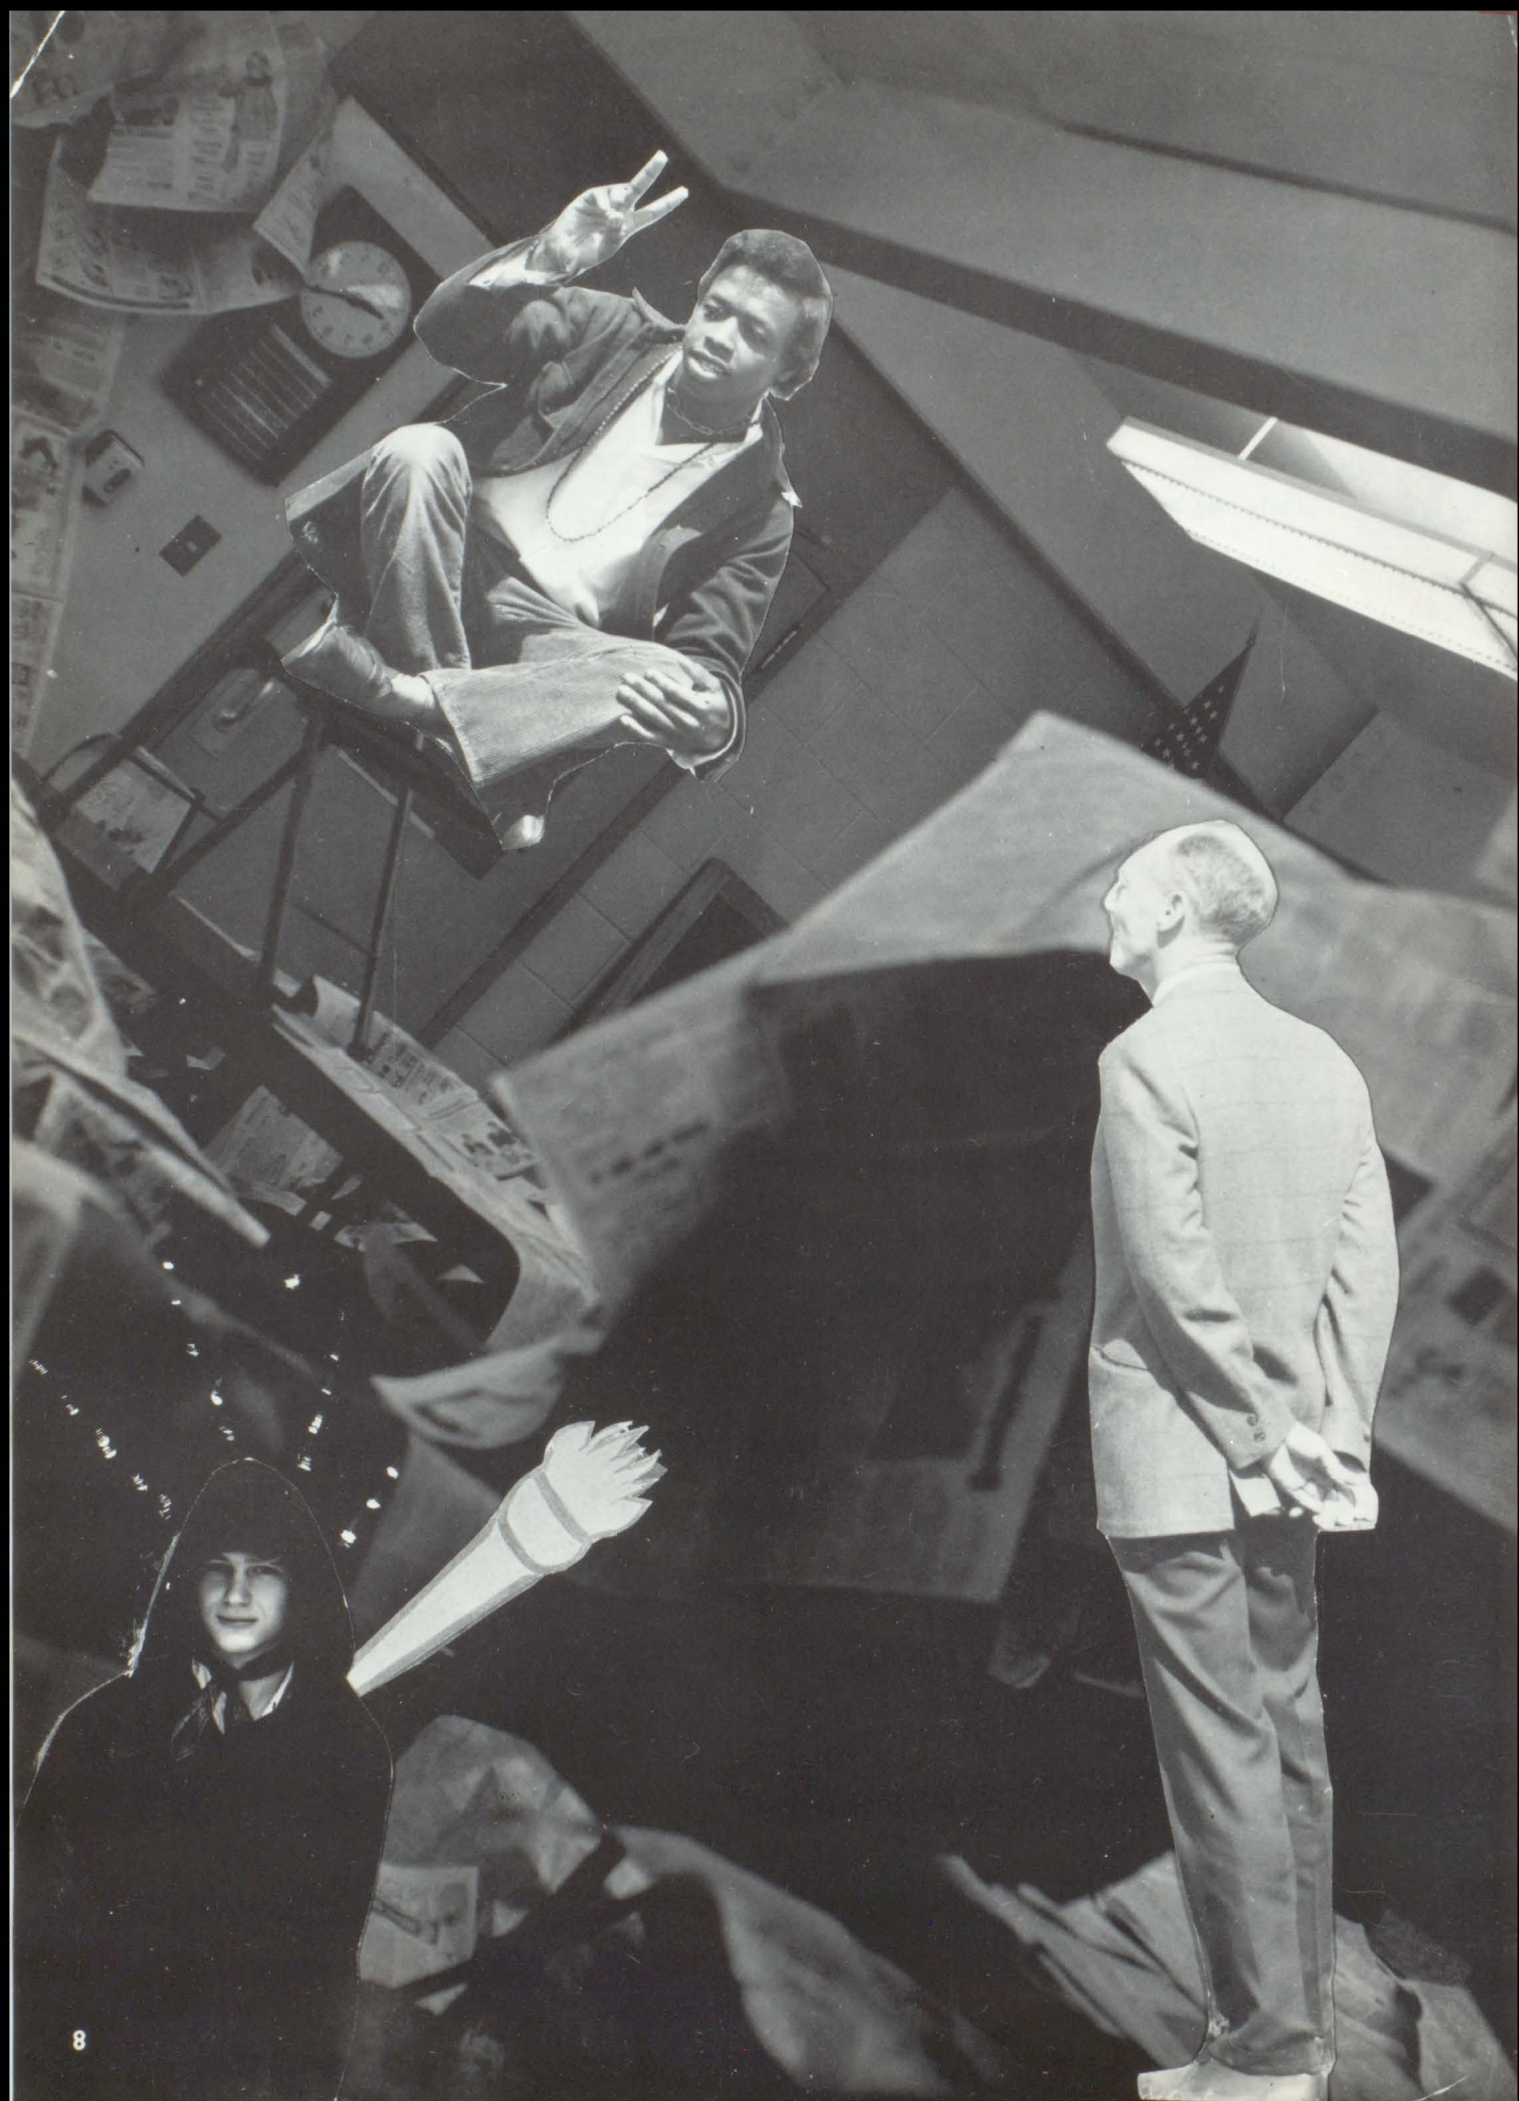

Dear Students,

I will always be grateful to A.F.S. for giving me this opportunity to be here, with you, as an exchange student.

I hope that the friendships which I and other A.F.S. students have made in the U.S.A. will help friendship, understanding and peace in the world . . .

D.C.S.L. CHAMPIONS '69-'70

HOCKEY I

Top: Janny, Jean, Debbi, Julie, Nance, Janet, and Peg. Bottom: Katie, Lee, Linda, Brenda, Linda, and Toby. (Gracie wasn't there).

Over the past few years, we — the Hockey Team — have learned many things, not only how to play the game but how to win or lose. We have worked as a team, played as a team, and won as a team. We have had several people behind us during those times, and we owe much to the ones who have taught us what we know and built us into a winning team.

Speaking for the team, I can say we will never forget those Sportsdays. And these last two years when we brought home the Championship will always be a proud memory.

We, the Seniors have confidence that this title will not be lost.

Good Luck team of '70-'71 from the team of '68-'69 and '69-'70.

SERENITY

Calmness of mind is one of the beautiful jewels of wisdom. It is the result of long and patient effort in self-control. Its presence is an indication of ripened experience, and of a more than ordinary knowledge of the laws and operations of thought . . .

. . . Tempest-tossed souls, wherever ye may be, under whatsoever conditions ye may live, know this — in the ocean of life the isles of Blessedness are smiling, and the sunny shore of your ideal awaits your coming. Keep your hand firmly upon the helm of thought. In the barque of your soul reclines the commanding Master; He does but sleep; wake Him. Self-control is strength; Right Thought is mastery; Calmness is power. Say unto your heart, "Peace be still!"

DISTRICT PRINCIPAL'S MESSAGE

The members of the Board of Education as well as the professional and non-teaching staff members wish the members of the class of 1970 a bright and prosperous future.

We hope that your years at Red Hook Central School have provided you with the knowledge and understandings necessary to insure active participation in the affairs of your nation. Your decisions most certainly will decide the course of events for generations to come.

We have confidence in your ability to cope with the many complex problems of our society. Become as well informed as possible, evaluate carefully, and, above all, participate in the democratic process at all levels.

A handwritten signature in cursive script that reads "Russell J. Keefe".

Russell J. Keefe
District Principal

SECONDARY PRINCIPAL'S MESSAGE

Graduation time is a very difficult time. It is a time to say goodbye to the old and to begin the new. It is a time of anxiety; a hopeful time; a time to try your wings to see if you can really fly.

In the process of learning to fly on your own you will receive many bumps and bruises. We hope that because of your educational experiences at Red Hook the bumps and bruises will be fewer in number than they would have been if you had not attended school here.

We hope that during our association we have been able to motivate you to think so that you will be able to make the most of your native ability in solving your problems. We also hope that we have been able to give you a sound basis for judging right from wrong so that you will be a useful citizen in society. In addition, we hope that we have been able to instill in you a concern for your fellow man so that you will respect all mankind for their innate worth.

Each of you will soon go his separate way. As you apply yourselves to the job of achieving new goals, may I wish you every success in your efforts and happiness in your personal life.
