Prisoners in Kingston Goal to the Committee of Kingston, the bills to be paid by the State. After the dissolution of the Committee of Safety, the Council of Safety took charge of the Goal. On May 27, 1777, the Council ordered a bill of £8. 4. 4. to be paid to Cornelius Hogeboom for bringing four Prisoners from Claverack to Kingston. Prisoners were also brought from Westchester County,

THE FLEET PRISON

The Council of Safety also took charge of the most interesting of the Prisons, that on board of Ships anchored off Esopus (Kingston) known as "The Fleet Prison". On May 27, 1777, the Council appropriated £120 to the use of Gilbert Livingston and Maj. Jacobus Van Zandt or either of them, "a Committee appointed by the recent Convention to provide Vessels for the Disaffected Apprehended in Rhinebeck and Livingston Manor". One of the Ships was the "Camden", afterward destroyed by the Enemy (See "Privateers"). Several Ships were built, in May and June, 1777; and Mr. Livingston's Accounts mention "32 trees cut on Mr. Gasbeck's Land a 2/— £3.12.0". Others of the Ships were seized. The comments on the two following Claims are by the Auditor-General:—

Claim of Joseph Towers & David H. Mallows Two Inveterate Enemies of their Country claim payment for a Brigantine taken by order of the Convention for a Prison Ship & burnt by the British in the year 1777. If the Attor'y Gen'l is of Opinion that they recover from Gilbert Livingston I think it is best that the state should pay them, but not their whole demand. The Sails, anchor & cable which were taken by the Quarter Master Gen'l & Mr Bedlow & the Money paid to the Captain for his wages ought to be deducted.

Wages pd by the Treasurer amo'tg to, as per Spranger's acct & Rect	£ 94. 18. 9
Anchor & Cable he ret'd pay for from the U. S.	53. 7. 3
Sails &c D.D. the Q. M. Gen'l	193. 2. 4

£341. 8. 4

N.B. It appears by a Resolution of the 18th April, 1777, that Spranger's Vessel was seized by the Convention as Tory Property.

John Dole's claim £310 for one half of a Sloop taken by Gilbert Livingston for the use of Tory Prisoners. Gilbert Livingston acted under the authority of the Council of Safety. It appears by the 5th & 6th sections of the Act of 22d Novemr 1781, to provide for the payment of contingent expences, that Philip Jacobs sued G. Livingston & recovered £310. 0. 0 Damages for one half of said Sloop & that he received a Certificate from the Treasr for £317. 7. 4 for Damages & Costs. I believe it is best that the State pays it without cost, after deducting for part of her sails & the anchor & Cable which must be paid by the United States.

The Ships being ready for use, the Council passed these Directions:—

In Council of Safety for the State of New York, Kingston June 17th 1777.

Resolved that Mr. Hobart, Mr. Jay and Mr. Cuyler be and hereby are appointed a Committee to regulate the fleet Prison & to appoint proper officers for the same

John McKesson, Secry.

In Pursuance of the above Resolution the Committee therein named have established the Regulations for the Fleet Prison and appointed the following Officers for the same:—

I. That all the Sloops or Vessels which may from Time to Time compose the Fleet Prison, together with all the Prisoners on Board the same, be under the Care and Custody of
