

## HARDSCRABBLE

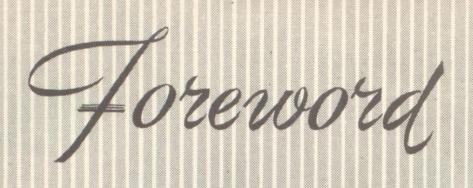

Hardscrabble

Wise men through the ages have argued the relative merits of the senses in the acquisition of happiness. The Class of '52 agrees with those who say that our greatest source of joy is our memory. We hope that the faces, smiles, and activities pictured herein will be a source of happy memories for you.

# Dedication

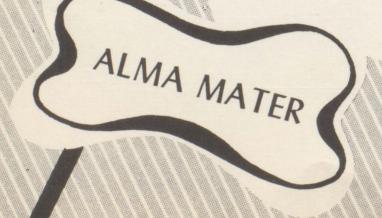

The Class of 1952 dedicates this yearbook to Miss Hilda Aiken, our homeroom advisor and friend for the past four years.

We owe much of our successful high school career to her generous and ever - ready guidance. We sincerely hope that all the good times we have had together will never be forgotten.

Alma Mater, Red Hook Central
We are singing now to thee;
May thy fair name dwell forever
In our fondest memory.
And when high school days are over,
And we leave this school so dear,
We will love thee yet,
We'll ne'er forget
The best school far or near.
Hail, Alma Mater,
We cheer with all our might;
We will sing thy praise
Through endless days,
To the Scarlet and the White.

We hereby appoint CAPPY to be the executrix of this, our last will and testament,

CLASS OF 1952

'Tis the year of '62. The class is scattered all about. Here is how some turned out: JACK O'NEILL is tailing a terrible spy; He has joined the F. B. I. MARIE HEFFERMAN earns her pay Caring for kids day after day. EDDY EISENBERG in darkest Africa is a fixture, After T. V. ruined the U. S. motion picture. HENRY GROPP is raising grapes And still is getting into scrapes. Art and dancing are her game But we all know CAROL DE MEILLER just the same. Glamour poses have brought her fame, "MONA the model" is her name. BRANDT GRIFFING, the engineer, Is building bridges far and near. CHUCK LANDAUER still has his charm, But most of it stays home on his beef farm. MARILYN BLAGRIFF is sure a whiz. As PAUL MUNDHAUSEN's secretary, that is. EILEEN, the editor, is out to fix The Red Hook Advertiser, here in the sticks. DICK COLE always says "stop", As Red Hook's only traffic cop. WALT WESARG is dean of Ag. College; That's what he did with all his ag. knowledge. FREDDIE R. never knew quite what to be. Now she runs a bureau in Washington, D. C. Let's hope NORM TEATOR doesn't get caught, Selling more water in milk than he ought. JEROME has turned out as he wanted to be; That's doing nothing as far as we see. Here's ORRIN THOMPSON who won himself rank; Now he's president of the First National Bank. With the Lady Marines is JOAN FAY And in France with her French is doing O. K.

DAVE and KEN always to blow horns did care: Now they blow up balloons at the county fair. Why, there's AL NEWNHAM, but what can he be? Surrounded by girls as far as we see. HENRY OSTHEIM really must have courage To become a teacher, the pupils to discourage. ROSIE BOOKJANS has made a great nurse, When she gets through, the patients aren't worse. Two loyal partners are SKIP and PETE They dig post holes just down the street. JOAN S. and BARBARA could hardly wait to get married But now with kids and housework they're harried. For writing, AUDREY T. always had a flair, And she certainly turns out some novels rare. NANCY loved horses, a horse she would ride; Now she covers books out of horsehide. EDDIE TRATNACK always cared for his physique: He works in a side show five days a week. DORIS C. and DORIS H. have taken good lives, They have become competent housewives. ALICE BECKER still makes life worthwile With her pleasant and friendly smile. CHARLIE and BUDDIE couldn't be separated; To run a laundry they have been fated. CLARA MYERS has a hubby, home, and four; Now we ask you, who could want more? MARY DOWNING has become one of the few Lady plumbers. Believe us -- it's true! TOM S. and BILL S. are mechanically minded; A business of their own they have "finded." The two HARRISONS turned out like Jesse and Frank: However they haven't yet robbed a bank. REG KELLY is doing alright for himself; He has just retired; he's now "on the shelf." We hope we've succeeded in giving to you The future in a nut shell, a hasty preview.

#### LOOKING AHEAD WITH

THE CLASS OF 1952

Making predictions about the future of its members is one of the things that traditionally occupies the graduating class as June draws near. We at Luckey's draw upon eighty-two years of experience to try our hand at making a prediction for the class of '51 as a whole, and it is simply this: the majority of you will find yourselves looking to Luckey's all through life for the things you need for yourself, your families and your home.
