Dedication

Dominick Bollella

Jeremiah Sheehan

Deciding who to choose for our dedication was probably one of the most difficult decisions we have had to make this year. We have finally decided on two deserving individuals who have contributed much to our years at Red Hook High School — Mr. Bollella and Mr. Sheehan.

Mr. Bollella's rap sessions, in and out of class, and quick sense of humor provided a genuine feeling of caring when we needed it most. Just as one can rely on him wearing his white lab coat everyday, one can depend upon his cheery attitude and spontaneous smile.

As our class advisor in tenth grade, Mr. Sheehan introduced us to high school life. He helped make our famous towel sale a success and supported us in all our financial endeavors.

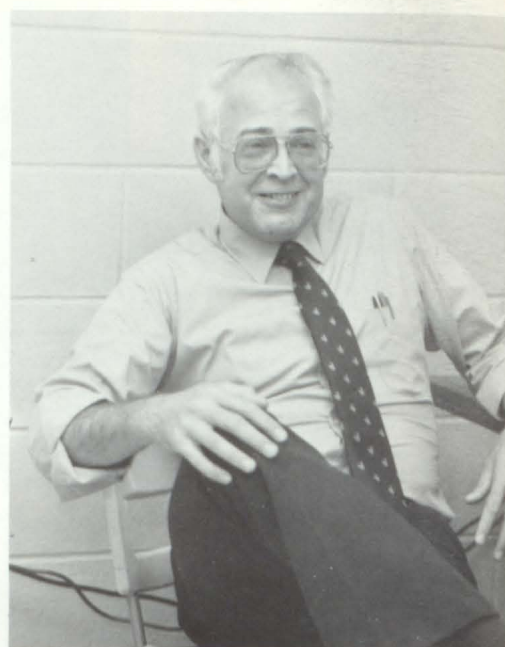

THANK YOU MR.BOLLELLA AND MR. SHEEHAN!!

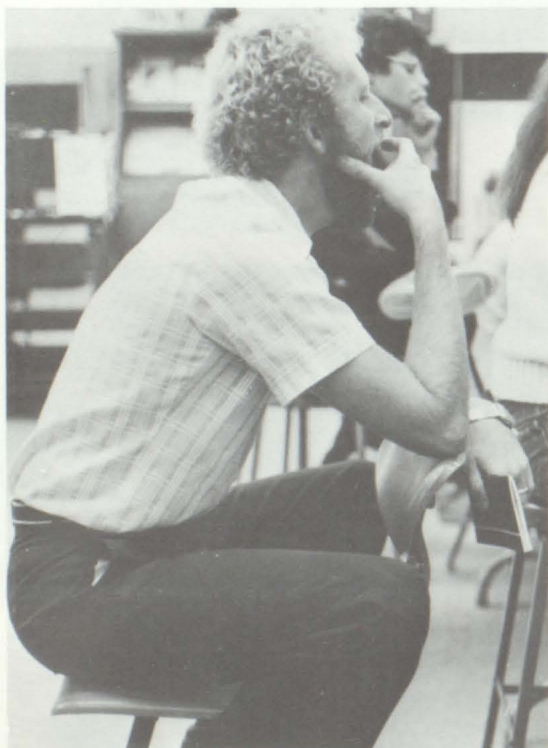

Captain of the Cheerleaders

It was working this morning ... Oh, Mrs. Gummienny!

Who needs coffee? I just charge up my batteries each morning.

If you think taking this class is boring, try teaching it.

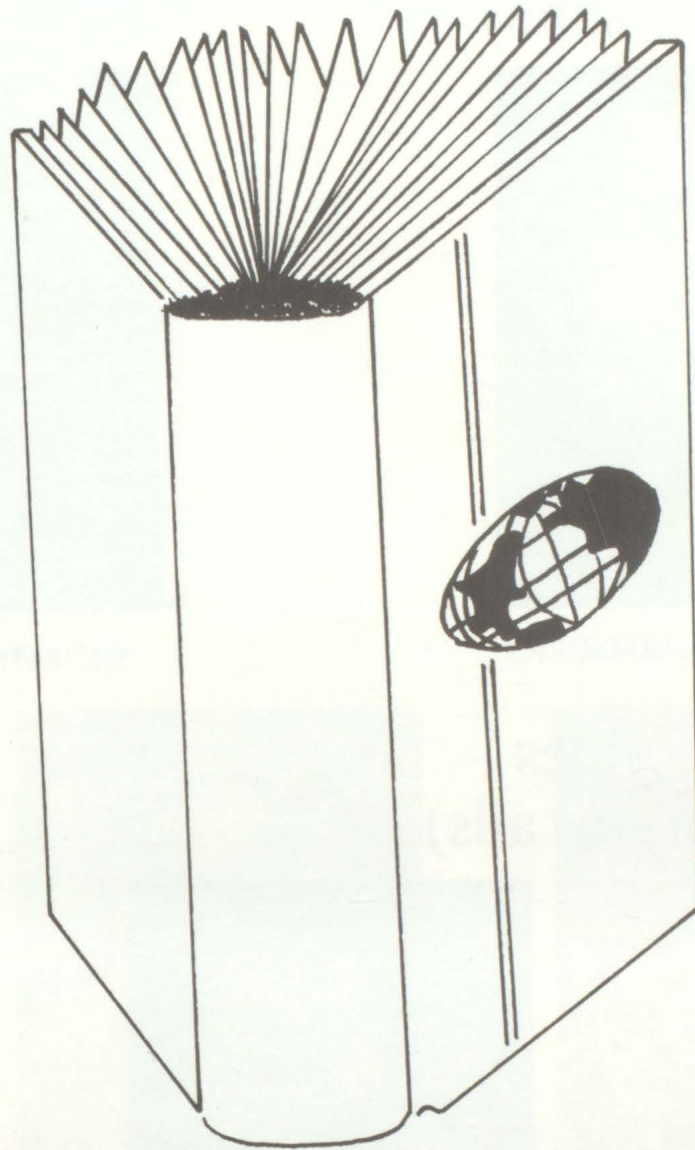

You expect me to believe this?

Something fishy is going on here

*Hold fast to your
memories
So fond and so true
The good and the bad
We've all had a few*

friends
And those times you

Remember those mo-

When you feel no one

You'll look back on

BERNADETTE SALMON

The "Sex-Pot" Valley Girls

"Here's looking at you, kid!"

"So you think you've got a handicap — try golfing with one arm!"

The worm hurdler

"Which way is grandma's house?"

"It's me behind these Foster Grants."

"What time is this period over?"

We the people of the Junior class, in order to form a fantastic school year, establish uniqueness, insure ridiculousness, provide for the common defense against upperclassmen, promote the general welfare, and insure the qualities of a fulfilling school life have done a most admirable job of fighting through our junior year of high school. We braved the SATs, Regents courses, college hunting, and long work hours to come out exhausted and ready to face the cruel world of Senior Year (and life).

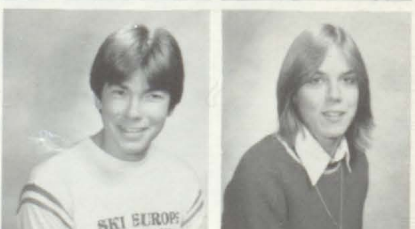

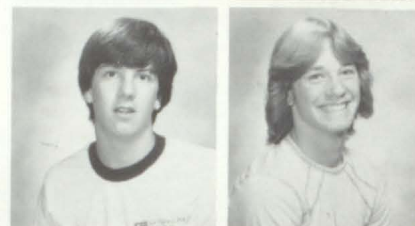

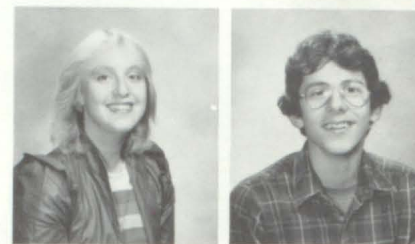

We launched into the project of making our Christmas Ball the best there's ever been, and, with the devoted energies of Terry Prendergast and Paul Spagnoli working on decorations, Chris Sparks and Tracy Dober — our president and vice president respectively, and our class advisors Mr. McMahon and Mrs. Gardner, **Christmas in Toyland** turned out to be a great success!

We're looking forward to our Senior year with high hopes and great expectations. And then (fanfare please) . . . life!

For the sophomore class, the year started off in confusion when Bob Scubd, outfielder for the Milwalkie Brewers, was almost elected class president, but thankfully, or maybe not, Alex Kahn assumed the office.

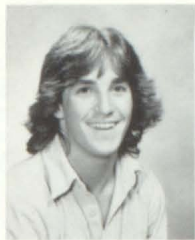

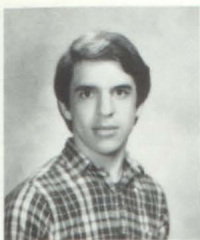

The year was off to a start — a slow start — but a start. After some moderately effective threats, we managed to collect some of the class dues, but many people were not exactly enthusiastic about paying. After overcoming that dilemma, we decided to attempt the sale of "Official Red Hook Sweatshirts," a small disaster which will forever be known as the great sweatshirt fisaco.

In the beginning, we were faced with a myriad of obstacles, but true determination will prevail, and the increase in our classmates' support and interest along with new and imaginative approaches to fund-raising (we were the first class in Red Hook to ever organize a kissing booth at a dance) enabling us to get the ball rolling. So next year, look out, Red Hook!

I've seen people come and go
Some leave a trace, some none at all
I'm talking about chance
A chance that many people take.
Don't depend on just one thing
Then hope just for that
'Cause I've seen too many
lose that way
And it hurts me just as much as them
I'm saying have something to
fall back on
Just in case it doesn't work
I'm not saying it's not gonna work
But no one ever does
It's like a poker game:
Go for the flush
But don't just depend on that
Have a straight or a pair
Just in case
You know you still may win.

BAND

The 1982-83 Band was smaller than usual, but it certainly was not lacking in talent! Led by Mr. Martin Tirsch, the band played a successful Christmas concert and looks forward to a happy and musical conclusion to the year.

Speaking of musicals, March 25 and 26 are the dates for this year's musical, *Oliver*. Watch in next year's Year-book to see how it turned out.

Other band activities included a magazine drive and an exchange concert with the band of Rockport, Mass. Last year, we had a really "wicked" time in Rockport, and we hope they will have as good a time here.

AREA ALL STATE

This year's Area All State, under the direction of Mr. John Armstrong, was truly a learning experience. A group of 156 recommended students were chosen to participate in the annual event. The festival consists of a band, choir, and orchestra. These organizations join together and rehearse for the concert for over twenty-four hours. The concert is performed on a Saturday afternoon.

This year, ten Red Hook students were selected: Cara Silvernail, Deb Newland, and Laura Dewitt performed in the band; Bill Bird, David Amrod, Rachel Cole, Kathy Leonard, Jamie Sperl, Kim Gershowitz, and Mary Hegarty participated in the Choir.

CHORUS

Under the direction of Mrs. Amy Goldsmith, this year's choir is keeping up its fine quality standards.

Our Christmas activities were numerous. We had our annual Christmas concert, which proved the amount of work one may receive from fifty-six ladies and gentlemen when charisma and excitement from a director are added. Next, we were selected to provide a tape for WGHQ, a local radio station, and, finally, as a fund raiser, we sponsored a Christmas Stocking Raffle.

Each year, the choir is growing bigger and better, in size and quality. The chorus wishes to extend warm thanks to Mrs. Goldsmith, as a friend as well as a director, and for the fantastic enthusiasm she adds to every rehearsal.

SWING CHOIR

This year, the Swing Choir was welcomed back into the Music Department. This organization is comprised of a selected group of singers, all of whom are chosen by audition. The following are members of the swing Choir: Cara Silvernail, Rachel Cole, Mary Hegarty, Kathy Leonard, Kim Gershowitz, Denise Riley, Bill Bird, David Amrod, Charlie Woods, and Glenn Butler. Hopefully the interest in smaller concentrated groups will continue for many years.

JAZZ ENSEMBLE

Stage Band, oops, sorry, Jazz Ensemble is a collection of basses, drums, pianos, saxes, trombones and trumpets that, under the upwardly mobile baton of Maestro Tirsch get together once a week or so to make some incredible music. The Band plays all kinds of contemporary music: ballads, rock, jazz, "golden oldies," Latin, and top forty. John Docherty always knows what beat to play, Dawn's dancing digits tickle the ivories, Chris Sparks' flying fingers dazzle the bassists fretboard, Mark's soaring sax solos hit the spot, and Eric's (all right, Greg's, too) effortless E's dazzle us all. However, without everyone's brilliant contributions, the band would not, and could not be, what it is today.

A CHRISTMAS IN TOYLAND

On Saturday, December 18, the Junior Class presented the annual Christmas Ball. The theme this year was "Christmas in Toyland." Giant dolls and toy soldiers adorned the walls of the Mill Road Cafeteria. Entertainment was provided by Forecast, who received a standing ovation at the end of the ball. A splendid time was had by all.

It is not possible to name all the people who helped make the ball a huge success. Thanks should go to all who helped in preparation, set-up, clean-up, and refreshments.

On behalf of the Class of 1984, I would like to wish the Class of 1985 the best of luck and success with their ball next year.

LIP SYNC (lip singk)

On Saturday, December 4, the senior class presented the third annual Lip Sync. Over 800 people packed the gymnasium to view what is fast becoming the largest fundraiser and all-around event of the year. Over 25 performers were judged on costumes, originality, synchronization and entertainment value. Money prizes were awarded for the highest scorers. The prizes were divided between soloist and group performers. The "GoGos" took first place in the group contest, and "Mickey" won the singles division.

FOREIGN EXCHANGE

Hejsan!

My name is Elisabeth Hellichius. I'm from Sweden. I have been staying in Red Hook for the school year. I have met so many nice people and have made many good friends. I have enjoyed it very much here. I want to thank all my host families and my friends for everything. America is really terrific!!

Nu skriver jag svenska för ingen kan först ä det. Ska jag nu säga sanningen om Red Hook? Nej, det är bäst att inte göra. (skänt!) Jag har verkligen haft en fantastisk tid här i USA. Jag har lärt mig om Ert Land. Förhoppningsvis engelska också. Jag har träffat helt underbara människor här och fått vänner för livet.

SPANISH EXCHANGE

This year a new program was initiated in the Spanish department. An independent exchange took place between a school from Madrid and Red Hook High. Fifteen students and their teacher arrived at Red Hook and stayed for one month. The visitors lived with Red Hook students and enjoyed many new experiences. These ranged from a picnic at Clermont State Park to a trip to New York City. The students had a wonderful time, but found common occurrences in the U.S. to be quite different than in their native land. These included the large number of flags displayed, the wide open spaces, and the greenness of the land. Both the visitors and the Red Hook students believe that the exchange broadens a student's cultural understanding more than any textbook could ever do. Friendships were created that may last a lifetime. Fifteen Red Hook Students will be traveling to Spain this July.

GERMAN EXCHANGE

The Spanish Students aren't the only ones who are planning an exchange program. This spring, fifteen students from Germany are coming to RHCS. Correspondingly, fifteen of our German students and "Frau" Kreider-Mueller are going to Deutschland in July. Win hoffe, dass wir viel Spass haben werden!

SKI CLUB

The 1982-1983 Ski Club was blessed with perfect weather (hah!) at fun-filled Catamount. The first week, the Ski Club went water skiing. The next week, they decided to try grass skiing. Finally there was some snow, but the skiiers kept on hitting the penguins! But it must be said that most people had a great time, even if skiing conditions were slightly less than ideal. Better luck next year, all you snow bunnies and rabbits out there."

NATIONAL HONOR SOCIETY

When you hear words like "preppy", "goody two-shoes", "scholar", and "honor student" which school group do you think of? Probably the National Honor Society. The name sounds snobby, so the members must be too, right? Wrong! The members of this year's National Honor Society are enthusiastic, competent, willing to do things, and fun to work with.

Our theme this year could best be called "Modern Problems". We had Norm Benson and Bob Dibble from Dutchess County Soil and Water Conservation District give a

Another project of the National Honor Society was the recognition of heroes' birthdays. But, don't be surprised if we have a few more tricks up our sleeves.

CONTINENTAL MATH LEAGUE

For the second year Red Hook Central School will field a team in Section 2 of the Continental Math League.

Interested 9th grade algebra students, coached by Mr. John Docherty, meet once a week for a brain-storming session in which they share solutions to problems and puzzles presented the previous week.

Monthly competitions begin in November and will run through April. "It's a fascinating competition," says Mr. Docherty. "Everybody plays, everybody scores, and the representative team is composed of the top six scorers in a given month. The team in one month isn't necessarily the team next month. There are medals and certificates of achievement. It's all very exciting."

What about competition? "Incredible," says Mr. Docherty. "We're talking about a Section in which Bronx High School doesn't even place. But when one of our youngsters has a good day and the League publishes the name ... WOW! that's a team treat!"

This year's participants are: Clark Henderson, Pat Holt, Mark Flynn, Adam O'Neill, Mark Rockhill, Debbie Riley, Duane Trow, Tim Webster, and Robin Zelenke. Former medal winner and team captain Bob Lutz is serving as assistant coach with the assistance of Chris Campo.

YEARBOOK STAFF

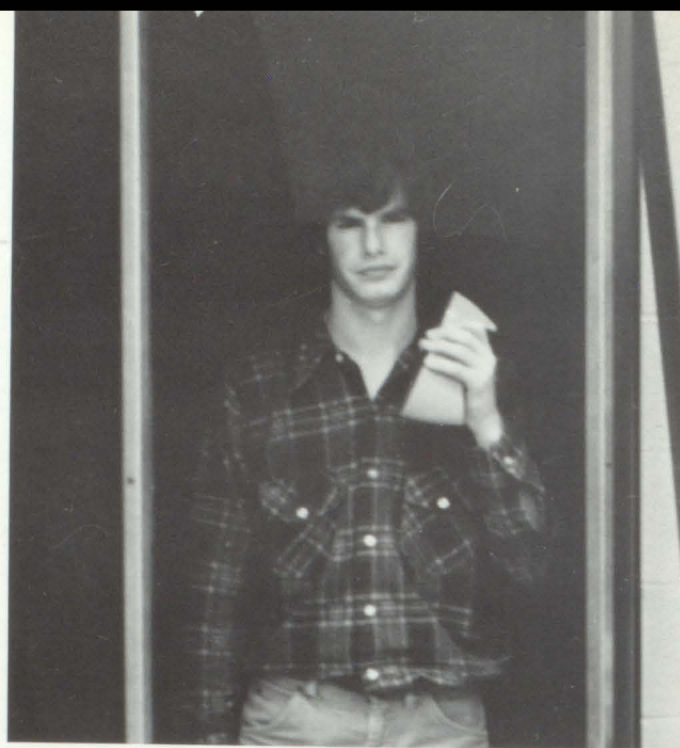

Well, it's hard to believe — it's February and the yearbook will be finished at 4:00 Friday. And the infamous, long-awaited yearbook party begins promptly at 4:01. Let us begin at the beginning. Only 1 or 2 of us had prior experience on the yearbook, but a promising batch of recruits were gleaned from the multitudes of talent lurking behind closed doors at Red Hook High.

The first item on the agenda was to sell 'Vertisements. Ever wonder why your yearbook doesn't cost \$20? It's because we sold \$3600 worth of ads-how 'bout that?! David Amrod was our business manager. Sometimes we wonder about David. Other times we just know. Julie, Julie, Julie! What would we have done without Julie Gilbert? Her tireless efforts on the ads saved our collective necks.

Our first deadline was the color section, or so we thought. We were right on time until those fateful words . . . Where's the Black and White? We would like to tell you our exact words upon hearing that joyful tidbit, but these will have to do. "Bwian, What the hell's a contract?" Even if we did know what or where it was, we couldn't have read it anyway! It is at this time that we would like to thank Mary Hegarty and Cindy Webster who worked their fingers to the bone typing those wills (all of them) in one day.

We had several photographers: Lisa Laibach, James "Pepe" Hough, Laura DeWitt, Tom Thompson, Bill Bird, and others (sorry if we left you out). We had several rolls of a certain person's girlfriend and this certain person's 12A/12X notebook. And we had our first graduate from the "YOU KNOW WHO" School of Photography.

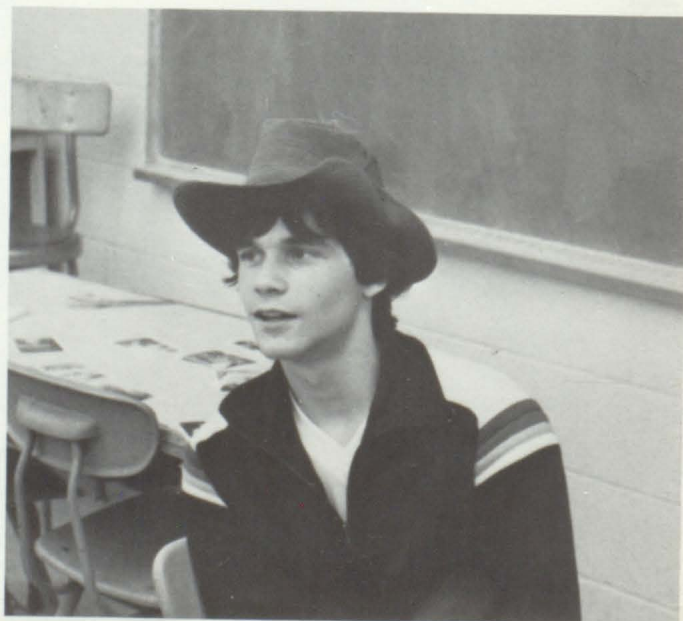

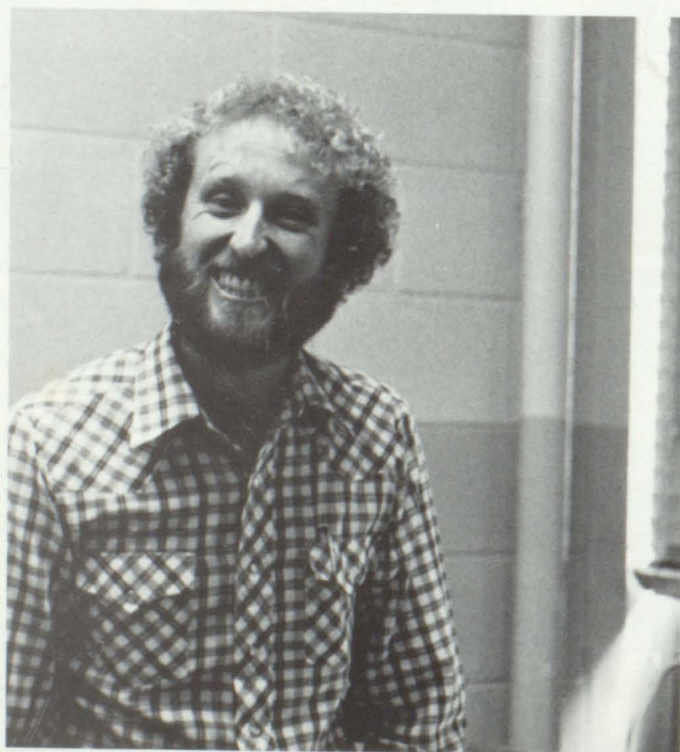

This brings us to — Tom Thompson. Tommy with his frosted popartars, the Kinks, his popcorn hat, and pringles was in **every** day. He never let us down. And although we

Another person who we owe a great deal to is Mr. John Sober. His technical expertise, his warped sense of humor, and his knack for writing captions . . . Well you know what we're trying to say. Thanks and we'll always be proud to call you our friend.

And now we come to the mutts . . . oops . . . underclassmen. Just kidding! The first sign of life from the underclassmen was from sophomores, the Misses Auster, Desmond, Murray, and Kelly. Juniors Bill Bird, Kathy Leonard, and Kim Gershowitz helped out. Deirdre Fleck and Steve Lawson anchored the Freshman section. Deirdre also stuck around to help out when we really needed her. And now the inside jokes:

We'd like to mention a few other people: our crew of salespeople, the Babysitter, Mike Docherty — for his fabulous cover design, and our congenial daily visitor — the custodain.

At this point we two, the battle-weary veterans, would like to wish future yearbookers much luck. We had a great time working on "our baby."

FIELD HOCKEY

FIELD HOCKEY TEAM WINS SECTION NINE

The 1982 Field Hockey season promised to be a challenging one for this year's team. Having to replace a void left by eight graduated members, the girls relied on team work to help them capture a major victory not seen by this school's field hockey team since 1976, the Section Nine title. Much credit should be given to the phenomenal coaching of P.B. who taught the team all they know about field hockey.

A team inexperienced at working together at the start, the team allowed two losses and three ties during the season. But with respectfully tying for second place in the Mid-Hudson Athletic League the team earned a chance at Section Nine. With a record of 9-2-3 Red Hook was seeded fourth out of eight teams. Defeating Rondout and shocking the first seed team, undefeated Suffern, the team proceeded to challenge their league rival, Coleman for the Section Nine title. Coming out on top the Raider-

ettes enjoyed the 3-0 victory over Coleman.

Six girls were awarded all league honors. Chosen for first team were Jane O'Connor, Marlene Moore and Amy Wright. On second team were Ann Appell, Peggy Graham and Kelli Corkins. The team will be losing some powerful offense with seniors Kelli Corkins and Jen Crotty graduating. The defense will also be losing an outstanding goalie, Mary Hegarty, who did a commendable job this year. Mary kept the team in their playoff games exceptionally well. Also on defense graduating are Sue Durst and Amy Wright.

FOOTBALL

The Raider football team overcame many obstacles this season to achieve a surprising 9-0 record. The beginning of the '82 season looked like the end for Red Hook Football. Due to the lack of participation for the varsity squad, the Board of Education was on the verge of cutting out football altogether. But through some miracle, juniors were allowed to play on the JV team. A modified program was started for 13-15 year olds to "feed" the JV in the years to come.

While compiling their perfect record, many players displayed their talent. Freshmen back Mike Rogers broke off many a long run during the year. Juniors Bucky Griffin and Geoff King anchored an intimidating defensive line. Altogether, the defense consistently held the opposition to low scores and low yardage. The special teams of the Raiders always seemed to come up with the big play such as a blocked punt, at the right time. A big hand must be given to all the players for doing a fine job. Behind the superb coaching of Andy Seidel and Tim Moul, the team put out 100% and showed that the spirit for football is still alive and well in Red Hook.

VARSITY

Due to the lack of senior participation, the varsity football program was suspended for a season. Two seniors, Jim Watkins and Ed Christensen, were given the opportunity to play for Pine Plains. The Bombers clinched another Bi-Valley championship and advanced to the Sectionals where they lost to second-ranked Dobbs Ferry.

As individuals, both players from Red Hook did very well. Eddie rushed for over 1000 yards and was an all-league pick at running back. He was also the Bi-Valley's "Back of the Year". Jim, the Bombers' offensive center, helped clear the way for Ed and other backs enroute to an all-league center selection.

"We would like to thank everyone who made it possible for us to play in Pine Plains, as well as, the many fans who made the 40 mile round trip to see us. Most of all, we would like to thank the coaches, players, and fans who accepted us as their own."

VOLLEYBALL

At the close of the 1982 season our Red Hook volleyball team finished with a record of 12-5. This placed the team in third place in the Eastern Division and in third place overall. The Raiderettes scored a total of 529 points during the season. The high scorers were Carolyn Hester with 135 points and Tracey Leonard with 106 points.

Everyone on the team put forth a great effort to make this year a success. This season the varsity team defeated Onteora, breaking their winning streak. We were also one of the few teams that played out the entire three contests in match against Marlboro, to the last point.

We had a big variety of players this year, two being foreign! Elizabeth Hellicius, our exchange student from Sweden, and Carmen Rico, our Spanish student. In addition, we had the regulars, Sheila Rogers with her loud cheers, Luann Seeley and her "so awesome" serves, Debbie Hermance, "the best two hands," Captain Deb Newland, "Roots," Captain Dee Leonard the silent leader, Tracey Borromeo, the voice of the team, Michelle Wilson, and "willy," Tracey Leonard, all those french braids; and Carolyn Hester, the almost perfect server! Two members of the team were chosen for All-league teams, those being, Carolyn Hester, second team and Tracey Leonard, honorable mention.

The team will have to say goodbye to the aids of graduating seniors: Elizabeth Hellichius, Luann Seeley, Debbie Newland, Dee Leonard, and Tracey Borromeo. The JV volleyball team had a successful season with a record of 12-3.

In conclusion, we would like to thank our coach, Herb Elsemore, and assistant Barb Skiba, for all their help and support.

GYMNASTICS

The Red Hook — Rhinebeck Gymnastics team had a shakey beginning this season, but with a lot of team work and patience from the coaches the girls started the season with a bang!

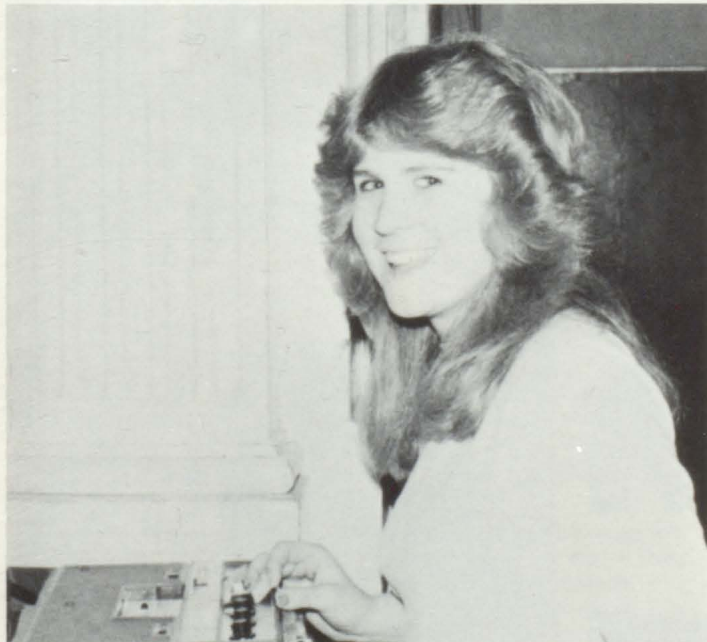

The JV team consisted of six junior high girls, all were strong competitors and contributed a great deal to the team. The members included the following: Missy Shanley, Suzanne Kelly, Fern Gorton, Nancy Schultz, Laura Schultz, and Tracey Mertz.

The Varsity members were: Allison Dockstader — eighth grader, Michelle Kirby — freshman, Dayle Boyd — sophomore, Patti Pagan, Kathy Jacob, and Sharon Krumenacker — juniors, and Kim Arnold — senior.

The team would like to thank Mr. Andy Seidel for working so hard, to find us a coach, and Mr. Bill Linacre who is doing a great job as our new coach. We would like to express special thanks to Mr. Tom Fumerello who kept us together and kept the team going.

Good Luck in the future seasons, girl, and keep this sport going!

GOLF

The Red Hook Golf team in the fall of 1982 ended up as the third place team in its division of a total of eight teams. Dave Fishman, Kevin Creedon, Paul Germain, Tony Albano, Dan O'Neill, Michael Rodriguez, and Louis Tirsch brought the Raiders to an eleven win, eight loss season with the help of coach Pete McMahon. With predominantly young members, the team hopes to be swinging the clubs throughout the summer in preparation for an awesome '83 season.

CROSS COUNTRY

How many times has a cross-country runner asked himself, why??? Why do I put up with this? Because I love pain, sweat and mud! Or, am I merely addicted to endomorphines? Because shin splints and scratched-up legs are now "in"? No, of course not. As we all know, there is much more to the sport than that!

There is also running in the early, early morning; the hot, hot afternoons, and the cold, dark nights during the Crop Run.

Cross Country is an educational experience. This year Captain Robbie Hoss and Co-Captain Crunch Ward learned with the help of John Oja that defecating on private property is illegal. Many of us surely remember those hot, humid Bard practices where Lola just couldn't seem to keep her shirt on, or the many who "prepared" themselves the night before the Coleman Invitational and didn't do as well as expected. It was on that day that a female Red Hook harrier was actually overtaking Kim Ryan (New Paltz) and got her picture in the paper to prove it.

This year the boys did very well. John "the Jock" Oja led the team with his flying feet, which carried him to finishing third in the MHAL. Close behind were Scott Kilmer, Robbie Hoss, Robert Ward and Pat Anderson.

Mike Anderson led the JV team with many a first place and was followed by the rest of the future varsity team. The JV team did exceptionally well at the Cobleskill Invitation where Karl Rabe led the team to first place.

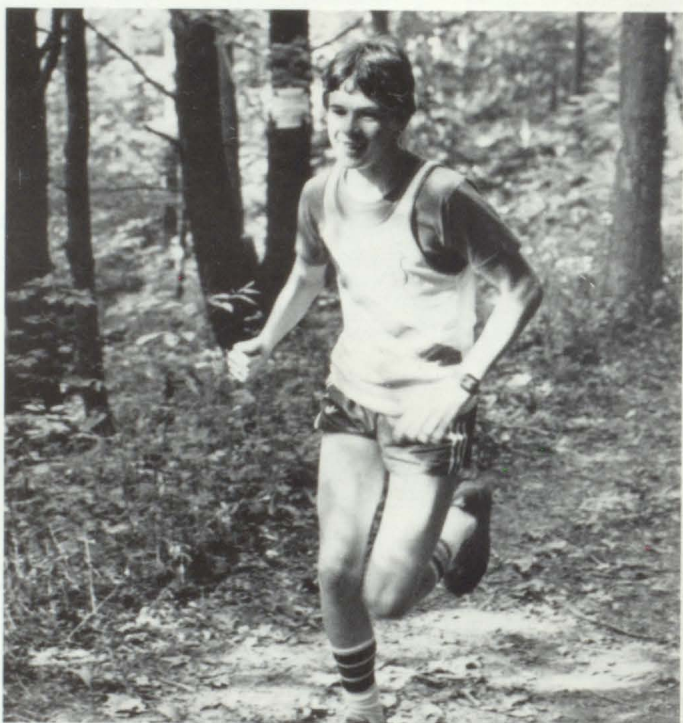

The Boy's team finished third in the league and had an overall record of 14-6. The losses were referred to by Captain Hoss as races where the team "sorta sucked out." Since they are such a young team, they should be very powerful next year. Look out St. Anthony's!

As for the girls, it was a year to try to rebuild the team. There were many bugs going around and painful injuries that slowed them down. Unfortunately, Lisa Jordan and Kim Arnold were lost for half the season. Many others may have believed that they would permanently reside in the graveyard. Despite all this, the team came through, finishing fifth in the league.

Once again, the Varsity squad was led by the run loving funner Reidi Hosenthal (Heidi Rosenthal), who placed ninth in the league. Close on her heiny were Kathleen Higgins, Lola Taylor, Gretch Gilbert, and Sue Fisher. Following were Julia Gilbert (our own private pep squad), Beth Desmond, Nicole Jordan, Sara Fisher, and Patti Pagan. Next year, will be a challenge. They will be losing five seniors to graduation, and the Jordan sisters are moving. They are looking for some new-found talent.

We all know that none of this fun, dedication, and progress would have been possible without the enthusiastic coaching, advice, and strategic planning of Mr. Cauldwell. We love to see his cheery face. In the morning when he says, "Eight miles . . . twice." and then goes back to sleep. Yes, he is the one who could make Kathleen run even faster by telling her that Eugene (St. Anthony's) was waiting at the finish line for her. Thanks for another grueling season. You made it worth while.

BOYS' BASKETBALL

The Red Hook Raiders Boys Basketball season was frustrating. Under new coach John Funk, the team gave it all they had for their games. Despite their efforts, they often were defeated in the last minute of play. The Raiders were led offensively by Senior guard Keith Gardner and Freshman forward Mike Rogers. Junior Bucky Griffin, Robbie Ward, Geoff King, and Lester Olsson chipped in with many a timely hoop.

The Varsity team was composed of Erin Griffin, John Smith, Bucky Griffin, Geoff King, Robby Ward, Lester Olsson, Paul Germain, Mike Rogers, Alex Figueroa, Keith Gardner, and Robin Greenfield. Seniors Gardner and Greenfield will be lost next year due to graduation, but with the established team and a good crop of JV players on their way up, the future looks promising for the team.

GIRLS' BASKETBALL

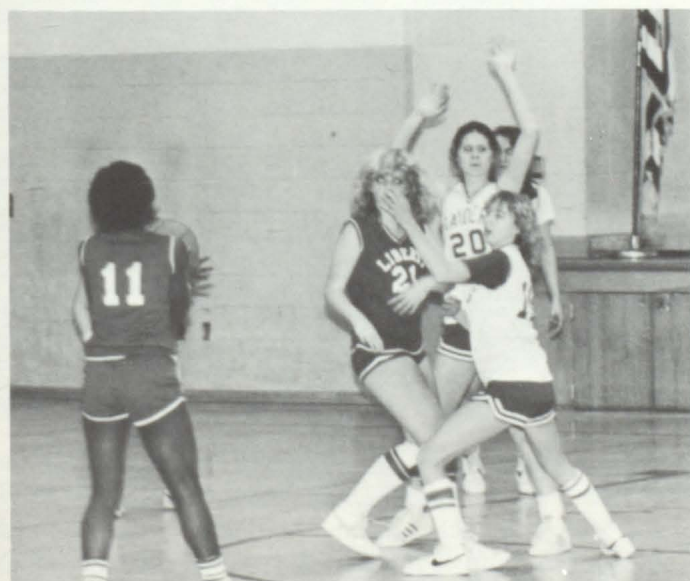

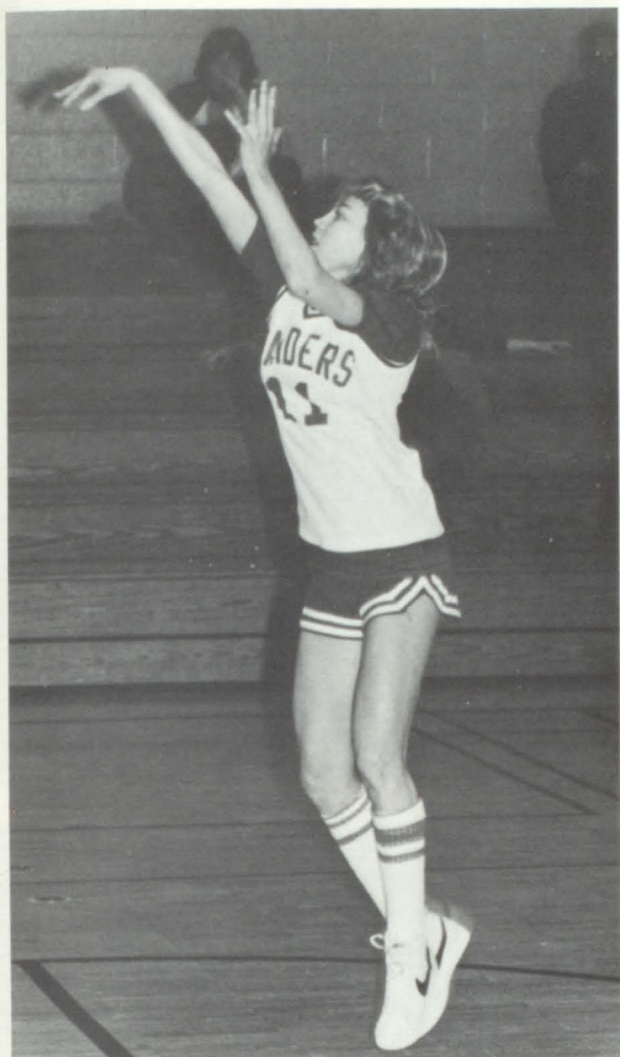

The Red Hook Girls' Varsity basketball team fought an uphill battle. Faced with the graduation of last year's starting players, the team worked hard to overcome the lack of playing experience. Led by senior captains Melanie Coon and Tracey Geiger, the team posted an impressive 12-8 record during a season that was not supposed to be as successful.

Significant contributions by seniors Tracey Borromeo and Jennifer Crotty, and by juniors Sheila Rogers, Renee Monarchi, Carolyn Hester, Christy Rhodes, and Tracey Leonard helped make the season a success. Sophomore Peggy Graham also provided much needed help offensively and defensively.

The season was a series of close games. Games were both won and lost by one or two points. Nearly every game was decided during the last two minutes of play.

Since most of the team returns, the 1982-83 season has provided tough game experience for what should be an impressive team next year. All members of the team have shared the trials of a long season and become stronger because of it.

BOYS' TRACK

The Red Hook boys track team had a different kind of season this year. The team did not compete in league meets, but, instead concentrated on individual and relay efforts in invitational meets.

Scott Courtney led the individual efforts, excelling in the open quarter mile. He finished third in the league championships and took several first places. Senior John Desmond helped lend consistency and stability to a young team. In the field events Andy Sparks did very well throwing "Max the hammer." He placed overall in some major meets and fell just short of a school record in the sectionals. Ron Frey also did a fine job by taking numerous places in shot put.

The team did very well in team standings despite only entering in about half the events. The performances of seniors Tim Mahoney and Rich Christensen were sorely missed, due to injuries early in the season.

Next year the team will be returning to league meets and the outlook is promising. Returning sprinters include seniors Jim Watkins, Ben Murray, and Jeff Daria and

junior Chris Bradley. John Oja will do very well in the quarter mile and half mile. The Anderson trio of Pat, Neil, and Mike will anchor distance and middle distance with Robbie Hoss and "Cruncher" Ward providing very tough competition. Ed Greenfield will lead hurdlers! Aside from the competition, this past track season will provide many memories. Coach Cauldwell's courses which are "a little over four miles," "talking turkey" with Coach Elsemore and climbing mountains in Ellenville are only a small part of memories worth retaining.

With the return of league meets the Red Hook boys team hopes to re-establish and attempt to escape the stigma of "the boys also competed"

Jim Watkins

GIRLS' TRACK

The 1982 season looked bright for the Red Hook Cinderwomen with a good assortment of letter-women and a lot of strong talent coming up. The season was its usual tough self but the Red Hook team pushed to do its best.

The team under the coaching of Jim Cauldwell and Herb Elsemore, started off the season with high hopes. Senior Diane Banks proved to reach these hopes by making it to the state meet. Senior Jackie Carroll also had an outstanding year in the quarter mile.

Red Hook looked strong in the walk with senior Dorothy Kelly as well as junior Julie Gilbert. Talent didn't stop there. The team still had Amy Wright in the half, Lola Taylor in the quarter, and Kathleen Higgins in the distance. On the field we had the Rogers family, Debbie & Shiela, taking first at many meets.

There was a bigger turnout of freshmen this year which kept the team young and alive. It also shows promise for the future. The highlight of the season was a trip to Long Island to compete in the St. Anthony's Invitational for an entire weekend. St. Anthony's is an all boys school, need I

say more? I might add, however, that not only can Amy Wright run, but she can dance and proved that by boogying down at the Ground Round. We didn't know she had it in her!!!

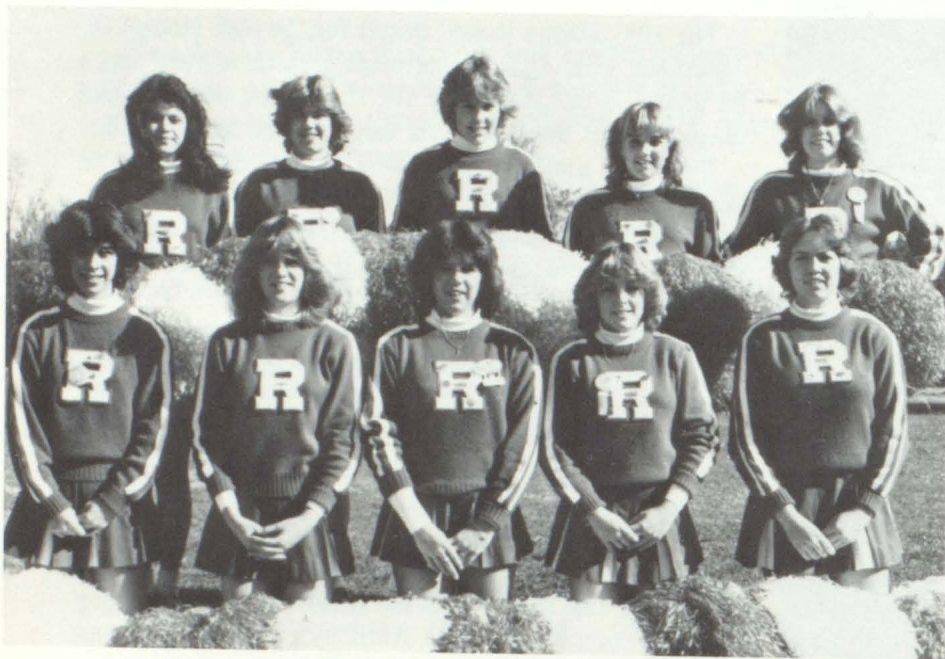

Coaches could never be thanked enough nor can they be thanked properly in a yearbook. I can only say that both our coaches are superb and we appreciate you both!! Keep coaching and we'll keep running.

The season ended in a 3-2 record with 3rd place at the MHAL meet. A rough season but a good, strong one. Red Hook is rebuilding into a true champion team.

Clockwise from top left. Up and Over! Sue Kowalski; Take it to the limit — Sue Fisher; Jackie Carroll and Sheila Rogers; A determined runner on the final lap! Leslie Bahorik; Watch out, here comes Molly!

CHEERLEADING

This season, football cheerleading got off to a late start because of the lack of coaching personnel. After weeks of waiting and missing the first game, coach Kitty Griffin came to the rescue. Within two weeks the coach, along with the co-captains Gerri Baker and Pam Garcia, proceeded to make the newly chosen JV squad one of the best ever. The girls cheered with much precision and spirit.

"We are proud to say that we received many compliments from spectators and even from some players. We would like to thank our coach for the great times, and the players for their wonderful job this year."

The basketball cheerleading squad was small, but worked very hard to boost the spirit and morale of the team this year. Outstanding cheers were perfected and mounts constructed to capture the crowd's attention. The girls plan to go to competition and hope to back something to show for their time and effort put into this year's squad. The squad consisted of Jayne Johnson, Allison Melinksy, Lisa Lovallo, Gerri Baker, Chris Melinksy, Pam Garcia, Tahnee Leman, Tammy Florence, and Suzy Knapp.

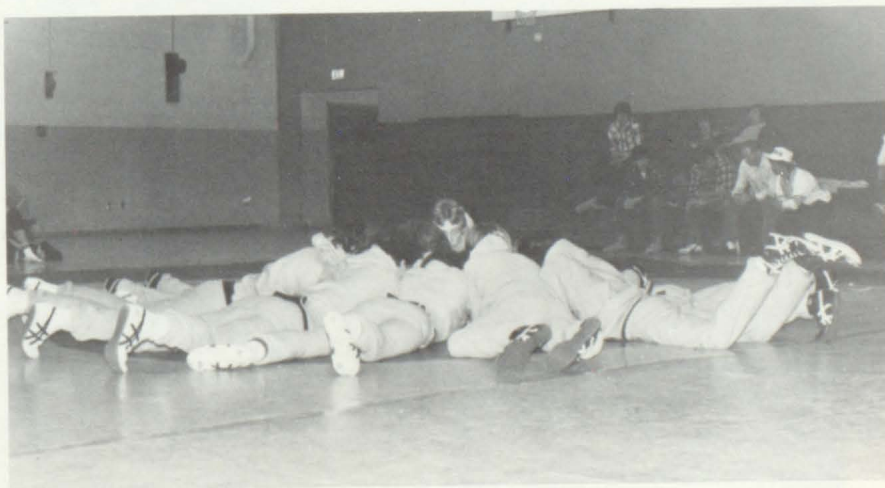

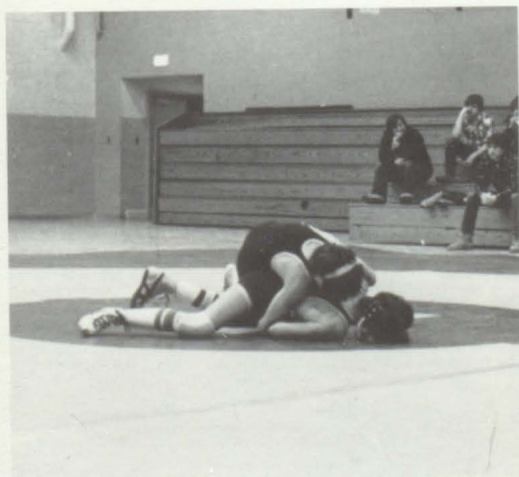

WRESTLING

The combined efforts of Red Hook and Rhinebeck wrestlers produced a Divisional Championship this year. The Redbecks record, so far, undefeated in their league! Outstanding wrestling from both schools was seen. Red Hook had such stars as Junior co-captain Tom Kirby, Junior Bill Muirhead, Wolf Singleton, and John Kelleher, Seniors Freddie Schultz and Brad Sterling, and Sophomore Rob Dubrowski. Rhinebeck produced stars of their own with co-captain Darren Robinson, Senior Mike Sybrina, and Sophomore Joe Morgan, to mention a few.

The 1982-83 season included a match with our coach's brother's team from Buffalo, for a weekend of wrestling and good food. As our season ends and Sectionals approach we say good-bye to our seniors, and good luck to all those who continue the sport of "wrestling."

by Freddie Schultz

BOYS' BASEBALL

Under first year coach Larry Burud, last seasons varsity baseball team record was 4-12. A majority of those losses were merely by one run. The offense was led by seniors, Jim Rogers, who led the team in batting and Steve Kudzy who was always a threat. Juniors Ed Christensen with his timely hits, and Keith Gardner, "Mr. Complete," always a tough out, also aided the Raiders. Although only four of last years players are returning, many junior varsity players are on their way up, providing hopes for many good years to come.

Page 120, clockwise from top right: Wow! so that's how you play the game; The Varsity Squad (l to r; Keith Gardner, Dean Wildman, Tom Thompson, Chuck Skelly, Coach Larry Burud, Jim Rogers, Stephen Kudzy, Ed Christensen, Mark Angelier, Paul Traudt, Chris Kurdziel, Chris McGlynn, Geoff King); Hey, that was pretty good! Bucky Griffin; S-T-R-I-K-E!!!! Page 121, clockwise from top left: This is wonderful. Even I can do it! Anthony Albano; Nice level swing! Mike Rogers; Watch this one go! John Coons; Oh well, those are the breaks! Fred Christensen; Smack that ball! Bucky Griffin; The Junior Varsity Team.

SOFTBALL

1982 turned out to be a good season for the Red Hook girls softball team. They came out with a record that put them in fourth place in the MHAL. The team turned out to be better than expected with the help of coach Patti Bowman (PB), and such players as Jeannie O'Brien, Melanie Coon, and Linda Shook.

The team was able to fight its way to sectionals, and continued its struggle to the semi-finals. The Raiderettes were defeated in their last game of the season against Saugerties. The 11th inning was the deciding factor of the game with a 12-11 Saugerties win.

TENNIS

The 1982 tennis team

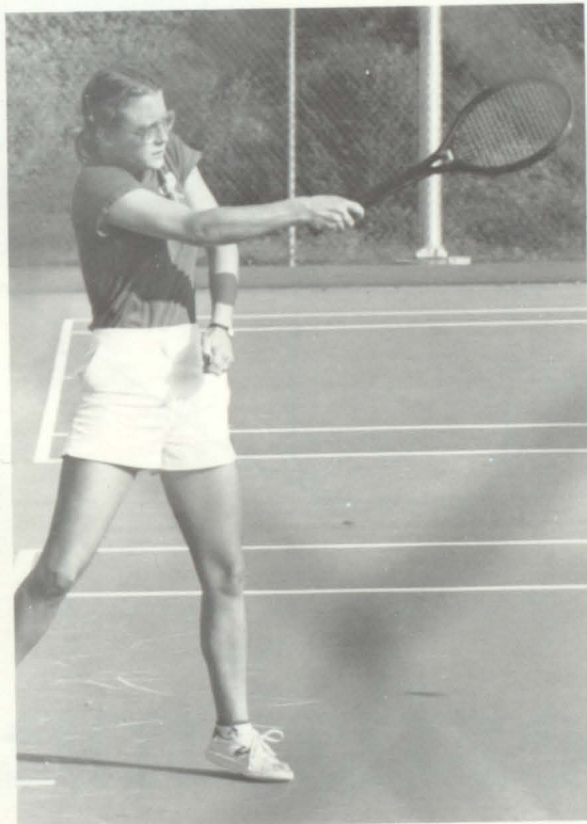

This year the Red Hook Girls' Tennis team endeavored to rebuild their team. Eight new girls joined the squad. Coach Fred Fisher had his hands full trying to bring everyone together as a team.

First and second singles, Robin Furey and Molly Dewsnap, respectively, returned to head the line up. The fresh face of Jackie Furey captured the third singles position. Veterans Deirdre Fleck and Kathy Leonard anchored the doubles teams. Newcomers: Kim Gershowitz and Heather Mitchell teamed up as second doubles; Jackie Grieb and Erika Rosenthal were partners to hold the third doubles position. Other teammates included Lee Mizell, Jennifer Weis, Stephanie Weis, and Anya Sachorow.

The team finished fourth in the league with victories over Ellenville, New Paltz, and Fallsburgh. All in all, it was a well played season. Good Luck to Coach Fisher and the girls. Make next season the best ever!
