# 9 TO 5

If hard work and perseverance are the keys to success, our office secretaries have it made. These three ladies have over five decades of experience between them- and their warm, cheerful smiles go a long way to show that one *can* survive *more* than four years here! Many won't soon forget the kindness they always show- from patiently waiting for notes from home and returning forgotten items brought by mothers to the endless choruses of "Can I use the phone?"

## MEMORANDUM

To: Mrs. Marjorie Griffin  
Mrs. Alma Bowman  
Mrs. Louise Gumienny  
From: The Class of 1986  
Re: Our thanks to you for your years of service and dedication

It has come to our attention that you are highly deservant of our deepest thanks for your years of dedicated service to the students and staff of our school.

They organize a place which would be chaos without them. They add brightness and cheer to an often mundane, even thankless job. The esprit de corps displayed by these ladies as well as their undaunted enthusiasm and good spirit is enough to make anyone's day. To Mrs. Griffin, Mrs. Bowman, and Mrs. Gumienny: we hope this makes yours.

With many thanks, the class of 1986-

"Nothing Gold Can Stay"  
Nature's first green is gold,  
Her hardest hue to hold.  
Her early leaf's a flower;

Then leaf subsides to leaf.

So dawn goes down to day.  
Nothing gold can stay.

Yesterday, I saw you kissing tiny flowers  
 But all that lives is Born to die  
 So I say to you that nothing really matters

 But now's the time to look and look again at what you see

## KATHLEEN SANTAMARIA

So you, thought you, might like to go to the show, to feel the warm thrill of confusion that space cadet glow. Tell me is something eluding you sunshine? Is this not what you expected to see, If you'd like to find out what's behind these cold eyes, You'll just have to claw your way through this disguise.

## LAUREL SAULPAUCH

This was the year I'd been waiting for. Not because I planned to be the most popular or the most talented because I'm not any of those "mosts". What I am is The Girl Most Likely To Be Me - and I counted on this year to give me a better idea of just who that is.

It was a busy time. Deciding about college: where, what to take and whether to go now or later. The panic of cramming for tests. The terror of being asked out by the absolute wrong guy.

Thank heaven for Deb Z., Deb R., Diane R., Regina S., and all my other friends. Without them I would have had to face it all by myself. Somehow life's little setbacks seem so much lighter when they're shared. To them I leave an everlasting friendship and lots of memories.

Look into yourself, Follow your dreams;  
Paint your rainbows; hold the future in  
the palm of your hand.

Things That Were Hard To Bear  
Are Sweet To Remember.

SCHACKLINSKY

## ELIZABETH SCHMIDT

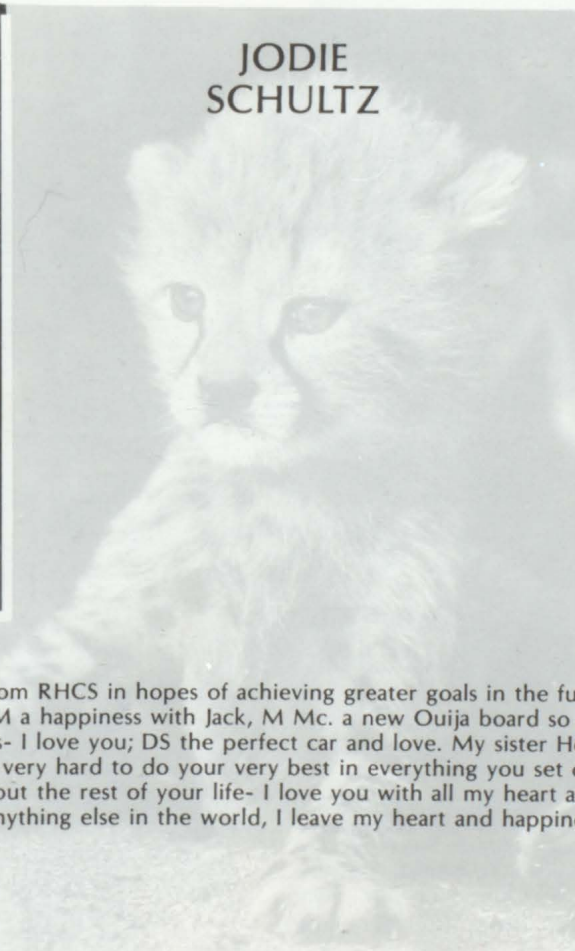

You give but little when you give of your possessions. It is when you give of yourself that you truly give.

-K. Gibran

Since this will is dedicated to anyone who has touched my life in a special way-my family, friends, teachers-I leave the following in the hopes that you remember it long after I'm gone: To everything belongs its own enjoyment. It is absurd to distinguish between an experience which is "happy" and one which is not. For isn't life in and for itself a *good*, regardless of whether we may call its content "happiness"? Teach *yourselves* to take pleasure in what it has still to offer-our education is equal only to our *capacity* for enjoyment. And that, my friends, is the *greatest* lesson of all. If this is meant for you, you'll know it. You'll know it because I took the time to give you a kind word, or a sincere smile. And this is all I leave you-nothing more, because you hve everything else-including my heart.

## JODIE SCHULTZ

Don't ask for all things that you may enjoy life.  
Feel blessed that you've been given life so you may enjoy all things.

To EM a continuously growing friendship, "Mr. Right", MM a happiness with Jack, M Mc. a new Ouija board so you can scare the h . . . out of yourself; to my parents lots of thanks- I love you; DS the perfect car and love. My sister Holly, who's probably my best friend, I leave my hope that you try very hard to do your very best in everything you set out to accomplish through your future years at RHCS and throughout the rest of your life- I love you with all my heart and will always be there for you. To John, the one I love more than anything else in the world, I leave my heart and happiness and also health and happiness for our baby.

UNCLE TIMMY BEAR!!

When things go wrong, as they  
sometimes will,  
When the road you're trudging  
seems  
all uphill,  
When the funds are low  
and the debts are high,  
And you want to smile, but  
you  
have to sigh,  
When care is pressing you  
down a bit-  
Rest if you must but don't you  
quit.

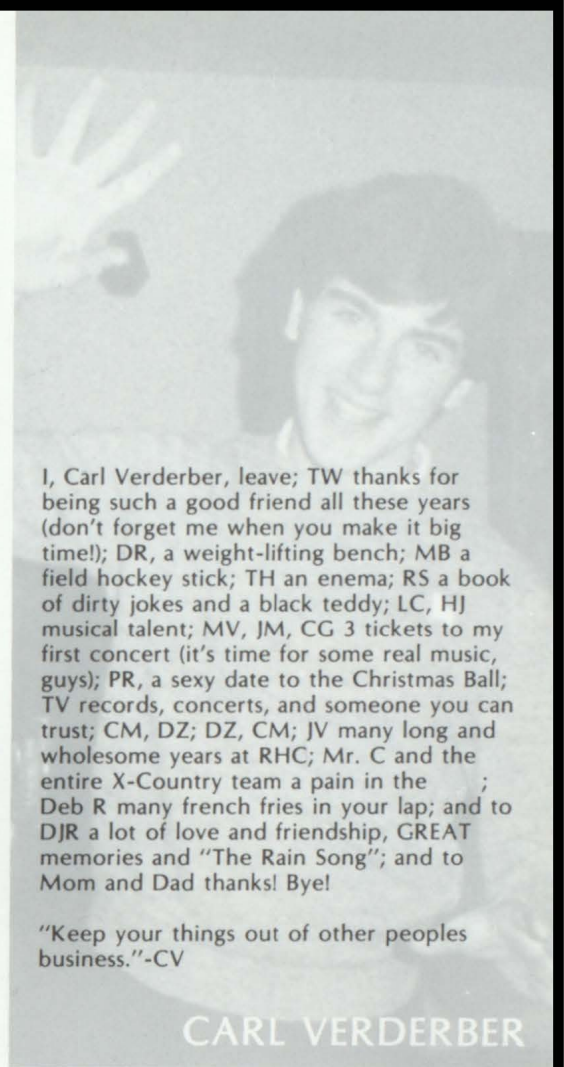

Often the struggler has given  
up  
When he might have captured  
the  
victors cup;  
And he learned too late when  
the night  
came down  
How close he was to the  
golden crown.  
Success is failure turned inside  
out-  
So stick to the fight when  
you're  
hardest hit-  
It's when things seem worst  
that  
you mustn't quit.

Whenever Richard Cory went downtown,  
We people on the pavement looked at him:  
He was a gentleman from sole to crown,  
Clean-favored, and imperially slim.

And he was always quietly arrayed,  
And he was always human when he talked;  
But still he fluttered pulses when he said,  
"Good morning," and he glittered when he walked.

And he was rich-yes, richer than a king-  
And admirably schooled in every grace:  
In fine, we thought that he was everything  
To make us wish that we were in his place.

So on we worked, and waited for the light,  
And went without the meat, and cursed the bread;  
And Richard Cory, one calm summer night,  
Went home and put a bullet through his head.

-Richard Cory by Edwin Arlington Robinson

During the past year the NHS has been advised by Mr. Paisley- the assistant principal. Many a "gathering" has occurred in his crowded office or at the deserted library after school. There he sat, determined to be advisorly during the meeting, and eventually joined in and laughed uproariously at our antics.

Bruce and Mike, our resident "wits", suggested (always) an absurd fundraiser or Clark, the serious student, offering to supply his personal disco record collection for the dance-a-thon. Meanwhile, on the other side of the room, Mark and Duane placidly observe Tom, the executive producer, become extremely enthusiastic and irate (at the same time!) over one of our future plans.

At the center of the room sits Shelley, the president patiently biding her time to get a word in; Deirdre - vice-president, meditating (transcendentally); Debbie- secretary, recording the profound discussion verbatim, and Cathy- treasurer, balancing the account (2 pts. for Tom's wisecrack, 3 pts. for Mark's suggestion) All this occurs while Kris and Nicole listen intently.

## Thats What Friends Are For

On behalf of the class of 1986, we would like to give a very special thanks to an advisor, teacher, coach and friend, Mr. James Cauldwell. Through the last four years, no one has put more out for our class than he has.

When our class was in need, Mr. Cauldwell was always there, having to do whatever needed to be done. He was always there to D.J., sell refreshments, and make our Christmas Ball a small miracle. This past year, he made us do a senior play which turned out almost perfect. Mr. Cauldwell also put much time and effort to make the Lip Sync something special.

Mr. Cauldwell was always there for us no matter what the situation was. "Plain and Simple." Mr. Cauldwell, we couldn't have done it without you. We all thank you so very much.

Love,  
The Class of 86

## ALIVE AND KICKING

As the Raiders opened their consecutive season at Red Hook, the team's life signs weren't exactly robust. Crutches and casts were a familiar sight in our hallowed halls, and it seemed the team would be wiped out by a number of key injuries on both offense and defense. But the players never gave up the Raider spirit and the necessary adjustments were easily made. It was a season with some tough disappointments, ending in a close loss with league champions Marlboro. As usual, the Raiders gave them all they could handle, finishing out the season with a respectable 4-5 record.

The players would like to extend their sincere thanks to coaches Seidel, Sheehan, and Fay. "You guys are great!" And heartfelt gratitude goes to our fans and supporters, the Sports Club, and the cheerleaders.

The '86 team has a lot of hard work ahead of them, but with the talent and good leadership they already have, their potential to be a league force once again is great!

The Raiders Varsity achieved the greatest results in many years at Red Hook. Our twelfth consecutive winning season was to feature the only defeat inflicted on MHAL and Section 9 champion Saugerties. We started with eleven wins in a row to finish at 13-2 in regular season. Also of note was our 2nd place finish in the Red Hook Classic (behind Saugerties). On this day, we defeated Section 1 runner-up Lourdes in the semi-final clash in 3 well played games.

Individuals of great mention were co-captain Erika Klein; co-captain Anne Sipperley-FIRST TEAM MHAL Star; Kate Wagner SECOND TEAM Star; Kathy Riedel All Red Hook Tourney Star and Sophomore Dawn Reynolds-Mention for MHAL Stars.

Thanks for doing your best-the effort shows in your achievement. - Coach E.

# "Shout"

Cheering our way through two seasons, Football and Basketball, we accomplished a lot. Our Varsity squad was constantly trying different things. We arranged new cheers, while still keeping the traditional. Having all experienced cheerleaders on varsity gave us a lot of strength and determination to be the best. Our Junior Varsity squad always starts out with newcomers, but with a lot of hard work they have improved considerably. We would like to thank our coach, Debbie Perrotta, for all the time and effort she has put into making us a better squad.

# Girls Basketball

The varsity girl's basketball team led by captain Anne Sipperley finished the 1985-86 campaign with a fine 21-4 record. Sara Fisher powered her way through the league by scoring over eighteen points per game. Peg McFarland and Dawn Reynolds the toe sophomore sensations, established themselves as significant forces in the court. Diane Wright the senior point guard, provided defensive clinics and play-making thrills during every game.

Seniors Erika Klein and Liz Parr provided the stability and experience this young team needed. Newcomer Kate Wagner and her impressive jumpshot added a fresh dimension to Red Hook offense.

Juniors Kristen Stallman, Cathy Gordineer, and Julie Hough contributed tough rebounding and defense to the game. A message for the juniors and sophomores who will return next year- work hard and achievement will be yours.

Congratulations to the sneiors- Anne Sipperley, Diane Wright, Erika Klein, and Liz Parr, on your dedication and fine performances. Your contributions to the Red Hook tradition of excellence are appreciated.

# Wrestling

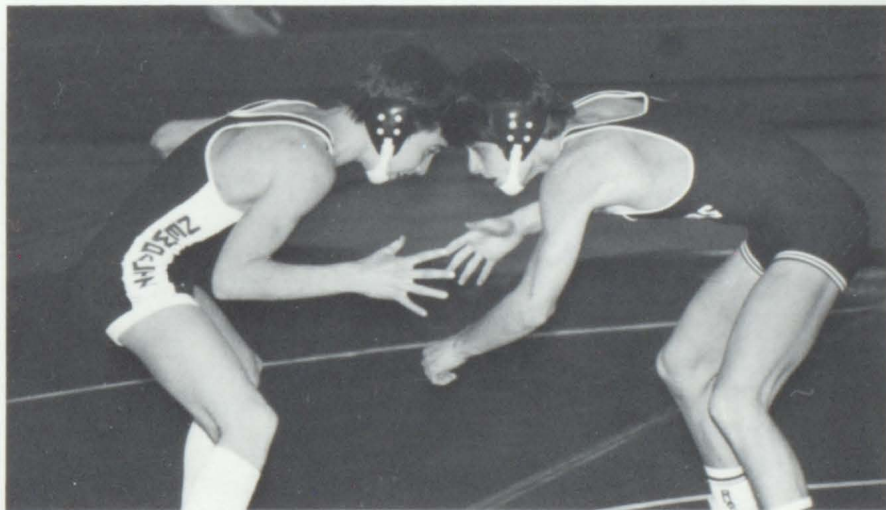

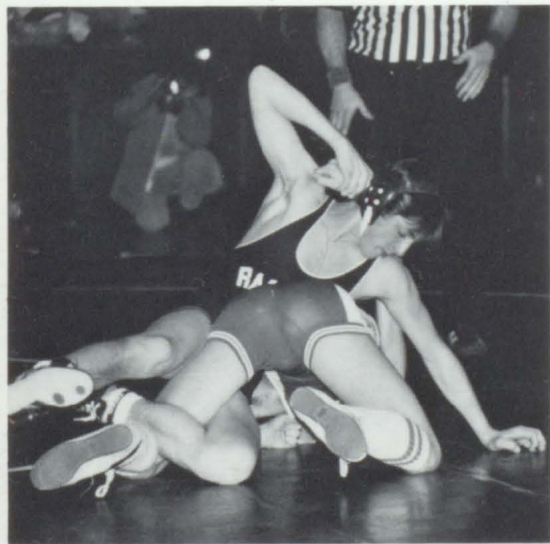

Standing: Assistant Coach Mike Lee; . Bucci

The 1985-86 combined Red Hook - Rhinebeck wrestling team had a very successful season. Among its many accomplishments, the team finished with an overall record of 9 wins and only 3 losses, and brought home the first trophy in several years by taking first place in the Beacon Invitational Tournament.

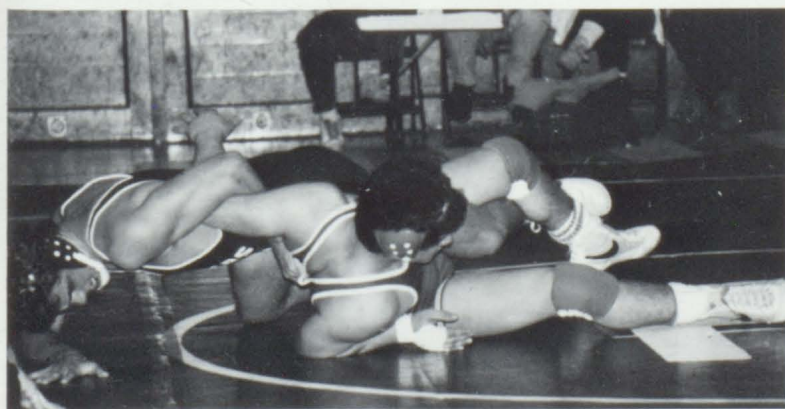

With only two seniors graduating, head coach Karl Knapp, assistant coach Mike Lee, and the rest of the team are looking forward to a strong season next year. Terry Bellanca and Paul Mondello, both seniors, contributed greatly to the wrestling program.

Leading the team were junior co-captains Jason Daria and Joe Morgan. Joe Morgan had only one loss going into sectionals. This year, ten wrestlers from the team qualified for the sectionals (more than any other team in the MHAL).

Although its going to be hard to beat a 9 and 3 season, next year will be the year to do it. Look out Rondout!!

## "Go Home"

It is a warm spring day. The sun beats down on the dusty field. The players crouch, ready to spring into action at the hollow sound of leather hitting wood . . . . The pitcher wipes the sweat from his brow and gives the batter a cold stare as he rotates the ball in his glove. He quickly winds up, then hurls it at lightening speed . . CRACK! The tension builds as the ball climbs higher, higher-then peaks and quickly plummets to earth. The player runs and dives for the ball. He slides in the soft, moist grass. He feels the ball hit his glove. A cheer rises up from the stand as he throws the ball back to the pitcher, and the broken, dejected batter returns to the dugout. This was the story of the '85 Raiders as they had their taste of both victory and defeat with a 10-10 record. Departing Seniors Adam O'Neill, Todd Grieb, and Pete Pasco will be sorely missed. Congratulations, Raiders, for a season well played!

## "Centerfield"

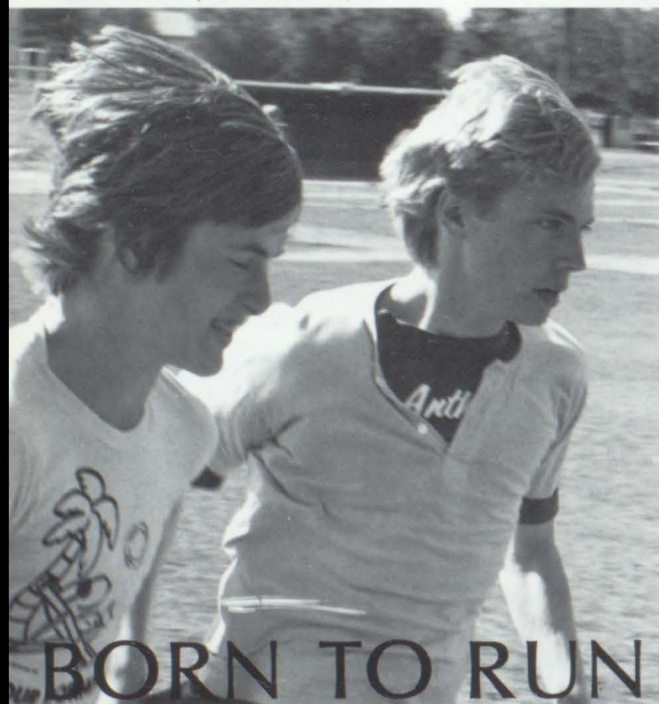

Coach Jim  
Cauldwell

The always competitive Raider Women's track and Field Team reached stardom in 1985. Our hard-working crew won the Section 9, Class C Title to finish on a most positive note. As a team, they were 6-1 in dual meets, 3rd in MHAL Championships and 2nd in Croton Girls Relays plus the Dutchess County Invitational Meet.

It takes many people to reach such a level of accomplishment. Shelley Lown was all league at 400 hurdles and finished 2nd in Section 9 100 hurdles. Sara Fisher made the State Meet in the shot put and the achievers were also led by Toni Cincotta, Peg McFarland, Renee Bebo, Maureen McCann, Minnie Durst, Donna Kowalski, Kristen Stallman, Marla Bochdam, Diane Wright, Cathy Gordineer, and 30 other Raiderettes.

Allegro, molto ritard, pianissimo, fortissimo, crescendo; Does this sound like a foreign language to you? In a way it is. But knowing what these terms and others like them mean have helped this band to be a great success. Understanding these terms is not all that goes into the band. A lot of hard work and dedication is also required.

Besides our annual winter and spring concerts, the band raised money by selling magazines in their yearly magazine drive. With

this money, we went to New York Mills, near Utica, New York, on an exchange concert. From March 13-16, The Red Hook High School Band stayed with host families in New York Mills and from April 10-13, the New York Mills Band came here. Dinners were prepared for the visiting bands.

The Stage Band also performed at this concert.

We'd like to thank Mr. Martin Tirsh for all his help and the dedication that he showed to this year's band.

Can you sing this five times fast: A CUP OF PROPER COFFEE IN A COPPER COFFEE CUP?? Many members of the 1985-86 chorus can. That is part of what goes into making up that talent that this group possesses. This talent just doesn't happen overnight. It takes many months of practice for this to happen. This talent gave an opportunity to the chorus to participate in a combined choir concert with Hudson and Germantown high schools. Another combined choir concert was conducted with the Mill Road and the Linden Avenue School choirs.

We also needed a certain talent for fundraising. We regretfully were unable to have our annual carwash due to the water deficit and decided against selling our usual posters. Instead we have succeeded in raising funds by selling jewelry.

The chorus would like to express our deepest gratitude to Mrs. Amy Goldsmith, our director. Without her unlimited help and determination that she has given us, we could have never had our special talents brought out in our performances. John Moore, Maura Gallagher, and Kathy Prendergast

## Quiz Kids

As have many, I've often wondered the purpose behind both-ering one's mind with insignificant details, unimportant facts, incomprehensible statistics, and otherwise non-sequitor information. There are sundry arguments on this subject ranging from the ridiculous to the sublime; so let's consider for a moment the consequences of retaining the trivialities which so often seem to inundate our lives. First of all, one might end up sitting on a brow-beating, brain picking session of Quiz Bowl practice. Secondly, surviving any thinning of the ranks, one might find oneself among the stars at channel 62 studios. Yes, and if you are one of the elect - need I say more?

There is a theory that memory cells actually take the shape of the object of memory. I can just imagine that somewhere amidst my family and friends is, suspended in a network of capillaries and ganglia, the state of Idaho. Well until I can't remember my locker combination or my sister's name, I'll endeavor not to fret about such things.

## International Club

### We Are The World

The International Club is a club for students interested in meeting foreign exchange students, talking to people who have traveled and speak or show slides, and doing activities that are culturally related. Each year, our emphasis might be different, depending on the input of the group. Some of the group's activities may include going to a foreign restaurant, seeing a foreign movie, planning welcome get togethers for new foreign exchange students and planning exchange weekends with AFS or Rotary students from other high schools in the area.

Our club is opened to all students; not only those who take languages. ## LIFE IN A NORTHERN TOWN

A free press is both an embellishment and an underpinning of a democracy. It is an embellishment because it is creative, entertaining, and often just fun. It is an underpinning because it represents the free exchange of ideas. The press informs, and in doing so makes people think. A democracy depends upon its citizens being aware of issues and making intelligent choices.

A school newspaper is similarly important to an education institution. While being a stimulus to students self impression, it is also a guage of an institution's committment to ideas rather than dogma, to intellect rather than rote memorization.

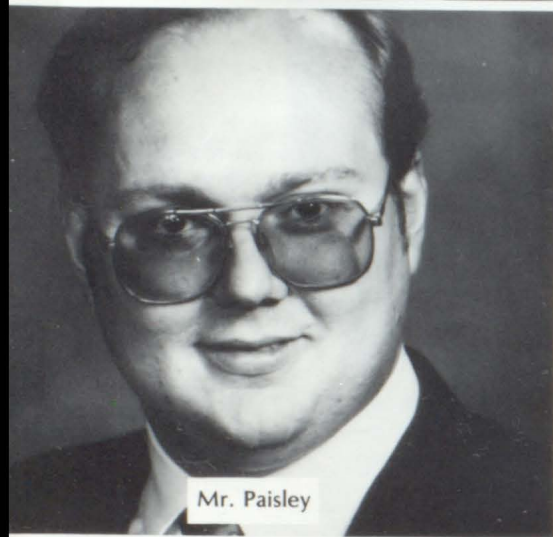

I think that the Excalibur has worked toward some of these lofty goals this year. I know that I have enjoyed watching the process and sharing the fun.

To EA- an entire collection of Patsy Cline records to develop her musical taste. To RW and his NY Times who are notable by their absence. To RH and JL- many thanks for the lift over fences which really came in handy. Hope we can do the same for Hardscrabble '87. To KB- No More ½ pages EVER!! Our special thanks to all the yearbook staff for a year of toil, tension, togetherness and tawdry temptations. For our reunion next year- "We're all going to Dallas!"
