This past year, a wall in another land has been making history. Behind that wall creative minds are being stifled and suppressed.

Our wall has been making history for almost a quarter of a century. Behind our wall creative minds are being nurtured and encouraged. History will record which system succeeds.

THE EDITORS

We, the class of 1962, dedicate this Hardscrabble to you, Mr. and Mrs. Brooks.
For your guidance, understanding, hard work and devotion, we thank you.

Principal's Message

On behalf of the entire staff and the Board of Education I wish to extend congratulations to the graduating class of 1962. Our best wishes will follow you wherever you go.

We sincerely hope that your years at Red Hook Central have been happy ones and that you have gained the knowledge, skills and attitudes necessary to launch you on a successful career.

Congratulations to the editor, staff and faculty advisor of "Hardscrabble." You have created another yearbook that is a credit to your school and your community. As the years pass you will increasingly treasure your yearbook as a reminder of your high school days.

Alma Mater

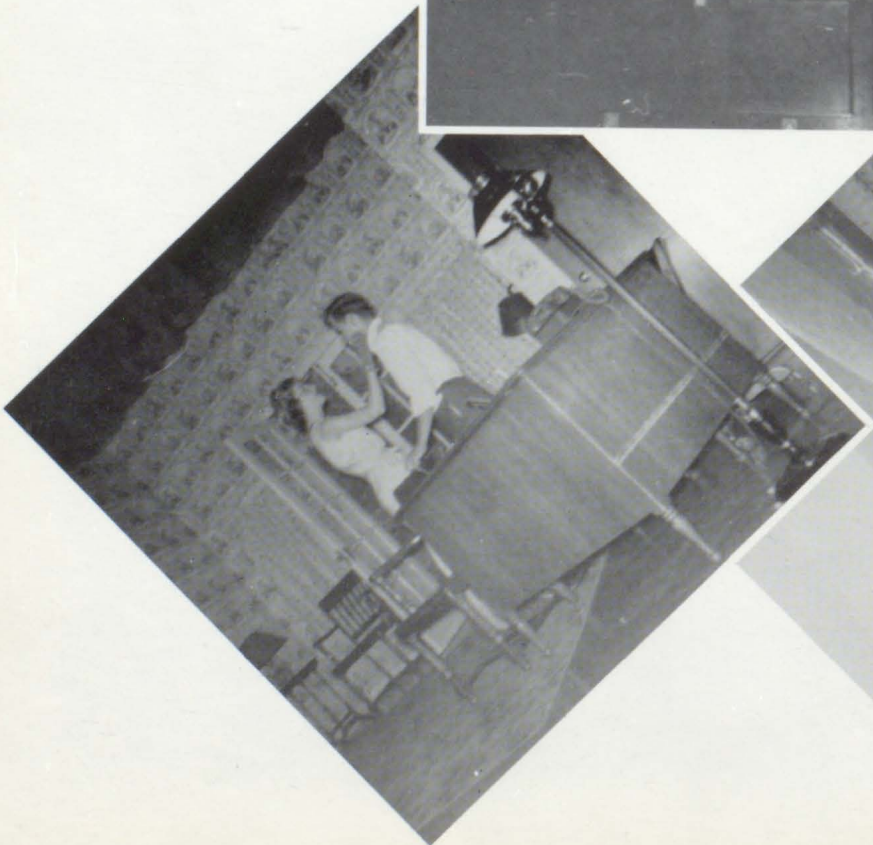

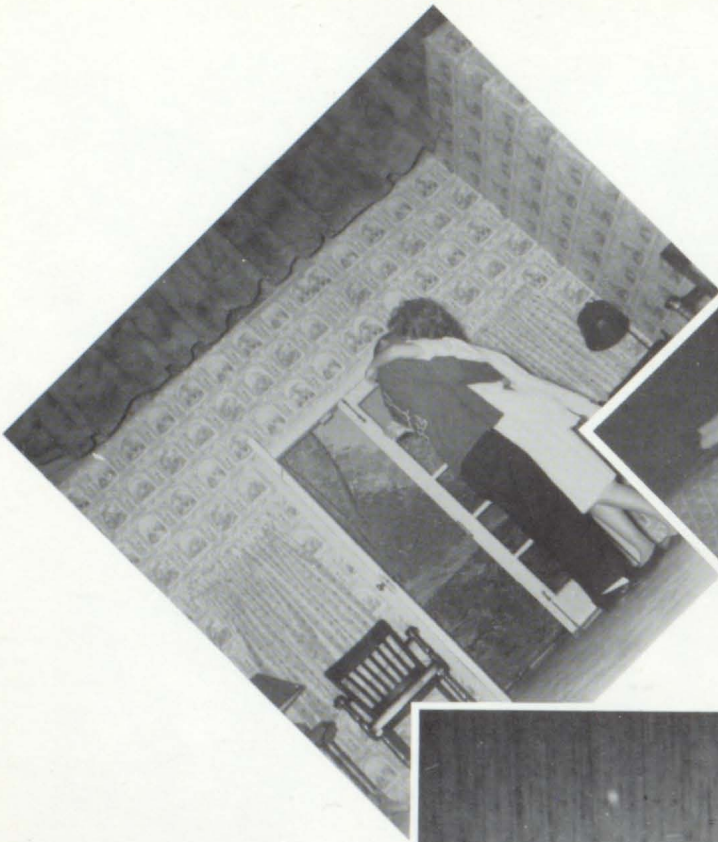

Alma Mater, Red Hook Central
We are singing now to thee;
May thy fair name dwell forever
In our fondest memory.
And when high school days are over,
And we leave this school so dear,
We will love thee yet,
We'll ne'er forget
The best school far or near.
Hail, Alma Mater,
We cheer with all our might;
We will sing thy praise
Through endless days,
To the Scarlet and the White.
