Dear Historian,

My cousin and I are looking for information regarding Johann Jacob Abel and Elizabeth (Humbert) Abel. As you will read in the enclosed pages Jacob came over from Germany approximately 1732 and was one of the earlier settlers in Dutchess County. We have had a very difficult time tracing his movements since he was in Dutchess County.

I have enclosed a small portion of our family history especially highlighting Johann Jacob Abel and his immediate family. Any and all information that you could send would be **GREATLY APPRECIATED**. Also, if you find any information that would lead you to believe that we made an error we definitely want to know about that also.

If there are any expenses that need to be taken care of please inform us ahead of time so that we may take care of them. Please feel free to give our address to anyone that may have information regarding this part of the family or any other.

We can be reached at the following addresses:
