“ *Jim was a good friend starting at Lorain's Longfellow School in the 7th grade, we were members of the Dukes, we joined the military at the same time right out of high school (he the Navy, me the Army), and we loosely kept in touch through the years. Our friendship, love and respect for each other never changed. He was a good friend; kind, caring, fun loving, and always a gentleman ---- I will truly miss him. Tim Traxler*
