To Our Mother

*You'll never know how many times
your voice on the other end of the line
has helped to get us through a bad day,
or how often I'll remember some little
piece of wisdom you gave us months
before, even though it may have
seemed at the time like we wasn't
listening.*

*You'll never know how much it means
to us to share our thoughts and feel-
ings with the one person who probably
knows us better than anyone.*

...and who's such a wonderful friend,

We love you, Mom
