Taich, Myron Mike Sheldon September 14, 1943- July 1, 2009. Mike Mikie Taich, 65, of St. Louis, Missouri, passed on July 1, 2009 at home after courageously battling a rare type of cancer. Mikie was born in Lorain, Ohio and met his future wife, Arlene, at Ohio State University. Upon graduation they moved to St. Louis to begin their married life and Mikie's long career with McDonnell Douglas/Boeing Corporation. After starting a family, Mikie earned a graduate degree from the University of Missouri-Rolla. Mike loved knowledge and was always learning new things-- especially about military history and his family's genealogy. It was this love of new discoveries that led to his almost 40 year career at McDonnell Douglas/Boeing during which he was credited with designing crucial components to some of the most advanced tactical aircraft flying today. Mikie's kindness, generosity, and his high level of integrity-- as well as his dry sense of humor made him especially beloved by his family, friends and colleagues. He always made time for his children and grandchildren and taught them so much, by his words as well as by his actions. Mikie is survived by his wife, Arlene (Pitinsky) Phd., their three children Laura (Peter Jeanmougin), Alison (Joseph Bedell) and Adam (Beth); sisters, Rosalyn Ellerin (Jerome), Phyllis Hirschberg (Louis); brother, Harry (Barbara); seven adored grandchildren. Mikie will forever be truly missed by his loving family, relatives and friends. We love you. Services: Graveside service Friday, July 3, 3:00 p.m. at Chesed Shel Emeth Cemetery, 650 White Road. The family requests in lieu of flowers, donations be made to the Statue of Liberty - Ellis Island Foundation, www.ellisland.org. A RINDSKOPF-ROTH SERVICE.
