

Dec 11th 1976.

Eastern California Museum.

Christmas Greetings. and
being a trusting soul, I am enclosing
\$2.00 in Cash for renewal of my
subscription to the "Bulletin" and
enjoy Shiro Nomura articles and
he is right about our resentment
of the truck loads of meat & vegetables
etc. going to Manzanar - when we
could not get meat, coffee or much
else and gas ration stamps and at
the same time we felt it was a great
injustice to fine people - torn up from
their homes & business and herded into
Concentration Camps. I have not
received any announcement of my
contribution to "Saga of Lone Pine" or no
word when it is published & on sale.
so I have not ordered it. so if not
accepted - alright by me. Got many
tales of old days - but decided "Carrying
the mail in 1910 on horseback" was of
interest. if not used I would like my

2 pictures on horse back returned and
nothing that I write is to be printed
unless I consent. Thank You and
Best Wishes - Give other things for the
Museum - but never know if what
I've sent has been received or not. I am
unable to get to
the P.O. or bank
for a M.O. thru
the cash.

Sincerely
Elizabeth L. Mecham
