

P.S. Russ' new book must
be bound in gold leaf - at
20 bucks per I'd have to read
it first to see if he stuck to
facts - as at that price I
couldn't afford to be "upset".
Most of his writings have
been fine and as near true
as a late comer can find
when most of those who lived
at the time the writer are
no longer with us and Ghost
Towns only a few holes left
where they once boomed. But
calling Millsbaugh an "Iron
mine" still sticks in my craw. Elm
