RECEIPT-CERTIFICATE PLAN ARRANGEMENTS.

TO ALL AGENTS:

Be governed by the following general instructions in selling tickets on Receipt-Certificate plan for meetings shown herein:

TERRITORY:

Unless otherwise advised, tickets will only be sold on receipt-certificate plan to or from points located on this Company's line.

Exception: For meetings held at points located only on Santa Fe (Coast Lines) in California, tickets may be sold for going trip on receipt-certificate plan to point of meeting, and agents of that Company will honor certificate for reduced fare returning. This same rule will apply in reverse direction.

GOING TRIP:

Sell first-class single trip ticket, stopover or continuous passage, as desired, at regular tariff fare (see note for I. C. C. numbers of such tariffs). Issue to purchaser a receipt-certificate, Form 1928, properly filled out as its form requires. Be particular to issue separate receipt-certificate covering each ticket purchased. Be particular to enter on receipt-certificate the official title of the meeting purchaser is going to attend.

RETURN TRIP:

Agent at point where meeting is held will secure from the Secretary of the meeting a letter, over his signature, stating fifty (50) or more delegates are present who hold round trip tickets or receipt-certificates over all concurring railroad lines, showing purchase of tickets to point at which meeting is held. Agents must not sell for return trip at reduced fare (see note for I. C. C. numbers of such tariffs) until such letter is received. This letter should be immediately forwarded to Auditor of Passenger Accounts.

In cities where District Passenger Agents are located, they should secure this letter and notify interested agents by letter or telephone, confirming such advice to Auditor of Passenger Accounts. In cities where there are city and depot ticket offices, but no District Passenger Agent, the City Ticket Agent will be held responsible in same manner as District Passenger Agents.

When above requirements have been complied with, agents at point at which meeting is held may honor receipt-certificates properly filled out and certified to by secretary of meeting, and sell limited first-class tickets, Form 57, to starting point (or an intermediate point, if desired by attendant) at fare as provided herein. Return trip to commence on dates shown for honoring of certificates, or on day following last sale date, and must be limited to continuous passage. Stamp ticket "Delegate."

Agent honoring the receipt-certificate will enter thereon in proper space the form and number of ticket issued for return trip, showing also fare collected therefor, and send such certificate with ticket report to Auditor of Passenger Accounts as authority.

REQUIRED ATTENDANCE:

The regular minimum attendance required at meetings for which special fares on receipt-certificate plan are accorded is fifty holding round trip tickets or receipt-certificates. If a different minimum is required, proper notice will be given in this circular.

FARES FOR CHILDREN:

Tickets for children of 5 but under 12 years of age will be sold at half fare, adding sufficient where necessary to make fare end in "0" or "5." Children under 5 years of age free when accompanied by parent or guardian.

MINIMUM FARES:

The minimum round trip fare on the receipt-certificate plan will be thirty-five (35) cents for adults, twenty (20) cents for children of half-fare age.

Exception: Where one-way fare is nineteen (19) cents or twenty-four (24) cents, agent selling ticket for return trip will collect fifteen (15) cents or ten (10) cents respectively, thus making round trip fare of thirty-four (34) cents.

BAGGAGE:

150 pounds of personal baggage will be checked without charge for each adult and 75 pounds for each child of half-fare age holding proper ticket. Baggage in excess of these amounts will be charged for at excess baggage rates applying on regular one-way first-class tickets as per Local Excess Baggage Tariff Circular No. 1760, I. C. C. No. 1786; Joint Passenger Tariff No. 22, I. C. C. No. 1873; Rio Grande Joint Passenger Tariff No. 127, I. C. C. No. 38, and Inter-Division Tariff No. 5, I. C. C. No. 1263. On return trip from points on other lines participating in this Tariff as shown in Excess baggage Tariffs of such lines on file with Interstate Commerce Commission and posted at such points.

Supplies of Form 1928 can be secured by making requisition on the Stationery Storekeeper.
