Dear Kathleen Rosendorf

The ballot was just rec'd today
& probably won't reach you by the 16th inst. &
our mail service being what it is - poor! 2
days from San Francisco by air mail! And
also I have not rec'd my membership
card for 1967-68. I mailed the dues
to you on April 10th 1967 - also for my
son - Richard M. Mecham. Attadene.
Calif. so, please send us our "proof of
membership in good standing"! &
thank you! I hope Dorothy is O.K. to me
the Museum is not as close as when he
was "holding down the fort" - and I know
many others feel as I do, so I hope all
the changes we are voting for will not
effect the personal touch we old timers
have for the Museum. Tell Dorothy I
wrote Sheriff Curtis about the old jail
& the present one in Darwin - their history.
he was interested. Best wishes

(Mrs) Elizabeth L. Mecham
