MALE CHORUS "DE SVENSKE"

Male Chorus "De Svenske" was formed in the fall of 1923 by twelve singers, with John Lindholm as their first chairman and Adolph Ericson as their first leader. After a few months of hard work the membership was increased so that at their first concert in the spring of 1924 they were twenty-two singers. After that occasion the chorus had many ups and downs like most new organizations, but however heavy the turns were, there always were enough singers—members with that "I WILL" spirit to make the chorus move forward.

In the summer of 1924 Otto J. Carlson was elected leader which position he held—with the exception of 1926—to his death, the 29th of December, 1930. Under his leadership "De Svenske" held many successful concerts and other appearances, and as he always took a keen interest in the affairs of the chorus and also proved himself in many ways to be a true friend of the members, his death was unquest-

ionably a heavy blow to the chorus, and his memory will therefore go into our history greatly honored and respected.

In the beginning of 1931 "De Svenske" were fortunate enough to secure as leader Mr. Alfred Strohbeck, who a few years ago was the leader of Harmony Singing Society in Boston as well as of the Triangle Chorus of the same city. Under his able leadership "De Svenske" have made further progress in the way of singing, and there is every reason to believe that he will be able to lead them to many further victories.

"De Svenske" joined the United Singers of Chicago in 1927. At the singing festival at Rockford, Ill., in 1928, the whole chorus was present. At the singing festival at Stockholm, Sweden, 1930, "De Svenske" were represented by 11 singers, or 10 per cent of the whole Swedish American chorus.

"De Svenske" beg to express their hearty thanks for the sympathy and understanding they have enjoyed during their existence, and are anxious to do their utmost to further develop this friendship.
