

Belvidere Ill.

May 31-1917.

My Dear Cousin,

I wanted to write and ask again about David's and Elmer's address.

I was to see you one night as you know was sorry to think I didn't see you. I must of lost the address as I have looked all over. I want to write to David and Elmer so

will you please send
them to me.

Suppose you
will be glad when
school is out. I
wish you could
come and see us.

Well Joseph
I must close
as I have to get
dinner.

With my love
to all.

Elsie
