## To the Trade.

We take much pleasure in handing you our illustrated catalogue and price-list, and invite your careful examination of same. We trust you will do us the honor to preserve it for future reference. It has been our aim to list only such articles that long experience and thorough test has proven to be perfectly reliable, hence we can heartily recommend these goods. We have tried to make this list as complete and comprehensive as possible, but if we in any part have failed in this, we are at your service and shall promptly respond to any inquiries about any other goods or, if included in your order, same will be procured for you at the lowest market price.

It will be our endeavor to constantly carry these goods in stock so as to avoid any delay in shipments, and our facilities in this respect are unsurpassed.

## Terms.

All goods are free on board Chicago.

We sell for cash only. It is not a question of reliability of the customer, but the principle upon which we do business. The money can be sent either by postal or express money order, or bank draft. We also send goods C. O. D. by freight or express, but such orders must be accompanied by twenty per cent of the amount to ensure us against loss in case the goods are refused.

## Empty Packages.

When sending empty cans to be refilled, they must be sent by express, prepaid, with tag plainly marked with the name of party sending, so that they can be immediately identified. Also state whether they are to be returned by freight or express, and by what Railroad or Express Co. you wish to have them sent.

# Wall Paper Sample Books.

If you have not already a set of our Wall Paper Sample Books you ought to send for them at once. They consist of a line of the choicest patterns from the best factories in the country, and the prices are correct.
